

Solar Photovoltaic Farm Frameworks

Buyer: daa plc

Description:

The Contracting Authority, wishes to put in place a Framework Agreement with a suitably qualified contractor (hereafter referred to as the 'Contractor') to act on behalf of the Contracting Authority in developing a 7,500kWp minimum Solar Photovoltaic (PV) plant within the Dublin Airport campus to provide on-site renewable electricity to Dublin Airport. The project is currently at concept stage. The Contracting Authority requires a partner to design, build, operate, and maintain the proposed solar photovoltaic plant at Dublin Airport, as described in Part 4 (Scope), and other associated works as required by the Contracting Authority.
