

TfGM – On-Bus DSM (Driver Standards Monitoring)

Buyer: Transport for Greater Manchester

Description:

TfGM is seeking to engage with the market through this questionnaire to gain a better understanding of the capabilities of the market and available technology that could support a reformed bus market in Greater Manchester specifically for On-Bus DSM (Driver Standards Monitoring) system. Potential organisations are invited to respond to the questions concerning the proposed products and services to be procured. Responses to these questions may be used to inform our commissioning approach if TfGM goes to tender and is looking to the market to assist.
