

Funding opportunity: UK Square Kilometre Array (SKA) Regional Centre: 2022

Buyer: Science and Technology Facilities Council (STFC)

Description:

Apply for funding to achieve the objectives of the UK SKA Regional Centre (UKSRC) strategy, enabling the highest return from the UK investment in the SKA project.

The goal of this opportunity is to identify a single consortium to undertake the work.

The full economic cost of your project can be up to £8,625,000 (resource) for three years (£2,875,000 per year). STFC will fund 80% of the full economic cost.

You can request additional capital of £300,000 for three years (at 100% of the full economic cost).

Projects must start between 1 October 2022 and 31 March 2023.
