

Holiday Activities and Food Programme - Dynamic Purchasing System (DPS)

Buyer: Medway Council

Description:

Lot 1 – Physical Activities and Enrichment Activities Holiday clubs must provide activities that meet the physical activity guidelines on a daily basis. In line with those guidelines, we expect:

- all children and young people participating in the HAF programme should engage in moderate-to-vigorous physical activity for an average of at least 60 minutes per day - this does not have to be in the form of a structured activity session, but can include active travel, free play and sports
- children and young people participating in the HAF programme should engage in a variety of types and intensities of physical activity to develop movement skills, muscular fitness and bone strength
- children and young people should aim to minimise the amount of time spent being sedentary, and when physically possible should break up long periods of not moving with at least light physical activity

Enrichment activities Holiday clubs must provide fun and enriching activities that provide children with opportunities to:

- develop new skills or knowledge
- consolidate existing skills and knowledge
- try out new experiences
- have fun and socialise

This could include but is not limited to:

- physical activities, for example football, swimming, table tennis or cricket
- creative activities, for example putting on a play, junk modelling or drumming workshops
- experiences, for example a nature walk or visiting a city farm
- free play, for example fun and freedom to relax and enjoy themselves

Hiring of facilities and venues for this provision is the responsibility of the provider, who must ensure that the venue has suitable facilities and capacity. All of these groups must be able to demonstrate that they have in place relevant and appropriate policies and procedures for:

- safeguarding, including the recruitment of staff and volunteers
- health and safety
