

Delivery of A Bed Every Night Rough Sleepers Provision – Phase 5

Buyer: Oldham Council

Description:

A Bed Every Night (ABEN) is a Greater Manchester-wide response, which provides accommodation and support for people experiencing rough sleeping, or at imminent risk, who have no statutory accommodation options open to them. Initially developed as an additional service in the winter months, ABEN has seen continual iteration and grown to deliver an essential accommodation option for people experiencing rough sleeping, year-round. Moreover, as the provision has developed our learning has helped us gain greater insight into what works and where the opportunities now lie for us adapt and position our response.
