

CRH Simulator

Buyer: W075 ENDIST LOS ANGELES

Description:

Special Note: Proposal due date is changed from 22May22 to 16Jun22.

This request for proposal (RFP) is to construct an addition onto the current HC-130J simulator facility for a Combat Rescue Helicopter (CRH) simulator. Construct the CRH simulator facility with large open bay; reinforced concrete foundation; concrete slab; structural steel frame, standing seam metal roof; and split faced block. Includes electrical, mechanical, site improvements, landscaping with landscape establishment irrigation, pavements, parking, walkways, utilities, fire detection/ protection, communications, and all necessary supporting facilities for a complete and usable facility.
