

GAOA BIG HOLE RECREATION SITE RENOVATIONS, MONTANA

Buyer: MONTANA STATE OFFICE

Description:

The Department of Interior, Bureau of Land Management (BLM), Montana State Office is soliciting proposals for construction activities to include the furnishing of labor, equipment, supplies, and materials, to renovate Jerry Creek and Divide Day-Use areas. Work to include re-routing and constructing a new entrance road, constructing a new parking area and boat ramp facility for both sites, and constructing other related appurtenances in accordance with the drawings and specifications. The project work is located in Silver Bow County, Montana. BLM has issued Solicitation Number 140L3622R0003 via <https://sam.gov/content/opportunities>, at the link provided in this notice. The principal components of the work to be performed include: * Site Grading * Crushed Aggregate Base- Installed * Pit Run-Installed * Hot Bituminous Concrete Pavement * Pavement Marking * Toilet Building Installation * Concrete Parking Curb * Signs * Barrier Posts * Safety Fence * Imported Screened Topsoil * Hydroseeding * Erosion Control Matting - Installed * Cottonwood 1-inch Caliper - Installed * Shrub Species * Jerry Creek Boat Ramp * Divide Boat Ramp Pursuant to Part 15 and Part 36 of the Federal Acquisition Regulations, BLM issued a Request for Proposal (RFP) on May 17, 2022. The estimated price range of this acquisition is between \$500,000 and \$1,000,000. BLM is issuing the RFP under the total small business set-aside program. The applicable North American Industry Classification System (NAICS) Code is 237990 and the associated Small Business Size Standard is \$39.5 Million. A single contract award will be made to the offeror that submits a proposal that has been determined to be the best value based on the Tradeoff Procedures within the Federal Acquisition Regulations. A firm-fixed priced contract is contemplated. Proposals will be due on June 16, 2022, at BLM's Montana State Office, 5001 Southgate, Billings, Montana. Offerors may submit electronic proposals as a response to the solicitation. Electronic proposals are subject to the same rules as paper proposals. The Government anticipates award of this procurement on or around July 16, 2022. The successful contractor will be required to commence work within 10 calendar days after the date the Contractor receives the notice to proceed and complete the entire work ready for use within 102 calendar days. The time stated for completion shall include final cleanup of the premises. For further information about the requirement, offerors should contact Christine Mundt at cmundt@blm.gov or at (406) 896-5030. All prospective contractors must be registered in the System for Award Management (SAM) to be eligible for award. If you have not updated SAM since October of 2020, you are advised to update early to be sure you are in compliance with the expanded Section 889 prohibitions on not using certain covered technology products. The successful contractor shall electronically submit all payment requests for the anticipated contract through the U.S. Department of the Treasury's Invoice Processing Platform (IPP). If the contractor is unable to comply with the requirement to use IPP for submitting invoices for payment, the contractor must submit a waiver request in writing to the Contracting Officer with its offer.
