

## Dynamic Purchasing System - Valuation Services (2022)

Buyer: JV North Limited

---

### Description:

The main JV North Framework 2021-2025 contained a lot for Valuation Services, however, this was under subscribed. JV North is seeking to appoint Consultants to this DPS for the provision of Valuation Services. Tenderers will be required to demonstrate a good understanding of the construction of market such as housing for rent, housing for sale, intermediate and social housing together with associated community amenities and infrastructure and an ability to provide detailed, accurate valuation services on time and to budget. The Consultancy work will primarily focus on new build housing, however, there may be occasions when valuations for existing stock and land holdings are required. As above, Tenderers will be required to demonstrate a good understanding of the affordable housing sector in this regard.
