

AFRL Rocket Lab Hermes BAA

Buyer: FA9300 AFTC PZR

Description:

View Changes Amendment of BAA - 26 Jan 22

Annual Review and Amendment of BAA - 28 Dec 21

AFRL Rocket Lab Hermes BAA is a two-step open BAA with the ability of issuing future calls that enable study efforts on novel concepts, as well as research and development contracts to mature specific technologies to appropriate technology readiness levels (TRL) depending on end use. Specific award details are described below, but the Government anticipates awarding multiple contracts of varying duration and value. However, the maximum single award value issued against this BAA is less than \$100M. This BAA allows consideration of white papers as well as calls issued by the Government when specific requirements are identified.
