

Work Order Construction Contracts

Buyer: State System of Higher Education

Description:

INVITATION TO BID – INDIANA UNIVERSITY of PENNSYLVANIAUP-1146: Work Order Construction ContractsIndiana University of the PA State System of Higher Education invites Contractors to download bid documents for this project. IUP is seeking to retain, multiple Work Order Contracts with up to two Contractors in each discipline to address:

- o Excavation Services
- o Asphalt Paving Services
- o Concrete Maintenance Services

Contractors must be physically located within a 75-mile radius of campus to provide quick on-site services if called upon. Work included under this Contract will be on the campus of Indiana University of PA, Indiana, Indiana County, PA 15705. The contractor shall furnish all labor, superintendence, materials, tools and equipment and perform all work necessary to complete each project in accordance with all state, county and local laws and regulations and to the approval of IUP and the State System of Higher Education. This contract is intended to be issued as a one-year contract renewable for up to two (2) additional two-year terms (total of five years possible). This Contract will be a unit-priced Work Order Contract for Construction Contract, against which Individual Work Orders will be issued as services are needed. A Pre-bid conference will not be held for this bid invitation. Electronic Bids are due no later than 2:00 PM, EST on June 16, 2022, through PASSHE's ARIBA Sourcepoint located at <http://seller.ariba.com>. The Bid package is available at <http://seller.ariba.com>. In order to submit a proposal, interested bidders need to register at PASSHE's ARIBA Sourcepoint <http://seller.ariba.com>. Registration is a free process that takes only a few minutes. Once registered, bidders may obtain all solicitation documents, receive notification of solicitation updates, and submit and update their confidential bids online. PASSHE's eProcurement Exchange provides bid privacy, security and supplier confidentiality, while streamlining the overall procurement process. Although all solicitations are available for public viewing, interested suppliers need to register to be able to submit a bid. Directions: <https://www.iup.edu/about/mapanddirections/index.html>
