

UKRI-2062 An Evaluation of the UK Research Partnership Investment Fund

Buyer: UK Research & Innovation

Description:

This PIN is being issued in order to undertake a market consultation exercise with regards to the requirements detailed in Section 2. UKRI would like to invite suppliers to attend an engagement session in order to assess the market's appetite for procuring the proposed Evaluation, to provide information regarding the tender, the expected outcomes from the evaluation and to enable suppliers an opportunity to ask questions regarding the evaluation and these expected outcomes.

We request that attendance is restricted to key members of your organisation. For clarity, this notice is not a Call for Competition; a Contract Notice will be issued as a call for competition. Not registering an interest shall not prevent any supplier participating in a future procurement, nor is it intended that any information supplied as part of the preliminary consultation shall place any supplier at an advantage in a potential procurement process.
