

1813 The Provision of Portland Building- Prayer Room Internal Alterations works at De Montfort University Leicester.

Buyer: De Montfort University

Description:

De Montfort University (DMU) seeks to engage a suitably qualified and experienced Contractor to carry out works on Portland Building Prayer Room.

Summary of the work required:

- The works comprise of the creation of additional prayer room areas both in the Brothers and Sisters rooms. In addition, there will be a new entrance to the female toilets and ablution rooms and the re-location of the vending store. Associated work will include demolition, new flooring, new ceilings, doors and frames, the alterations to power, lighting and heating, and the making good of decoration.
- The Building will be occupied during the course of the works. Careful coordination will be required for noisy / disruptive works at all floor levels and externally. Works may be restricted whereby noisy works will not be allowed during main working hours. The contractor should factor this into their delivery of the project.

Full details of the University's requirements can be found in the tender pack.
