Tender Details

To enable FAME to function and carry out its role effectively in the region, it needs to carry out studies, tests, experiments in their Laboratories which requires resources. Laboratory equipment's are one of the components of the resources required on a continuous basis by SPC to keep its labs operational.

SPC is looking to contract a reputable supplier/supplier to supply and deliver the items listed in part B below within the required timeframe.

The initial appointment under the Preferred Supplier Agreement (using the SPC template) will be for one (1) year with a possible extension for another three (3) years upon satisfactory performance by the contractor. The performance of the contractor will be monitored, and regular service audits will be carried out by SPC.
