Link to Atlas Project :
00127646 - NextGen Recovery Solutions and Human Mobility

Overview :

The purpose of this procurement exercise is to contract an individual consultant who will under the direct supervision of the Senior Partnership Advisor, Division of Resilience and Solutions, UNHCR and the Recovery Solutions and Human Mobility Team of UNDP Crisis Bureau, the programme analyst will support elevating the partnership between UNHCR and UNDP by finalizing a joint action plan focusing on identified priority areas, which strengthen collaboration at the global and regional level and joint research and knowledge management. The joint action plan developed should set up clear objectives with a four-year timeframe and benchmarks for monitoring and reporting progress, and includes detailed plans to launch a Joint Hub, which is aimed to provide technical support.

Details are provided in the Terms of Reference as advertised on UNDP job site
