These instructions set out the rules for the submission, selection and implementation of contracts financed under this call for tenders. **Go through the Bid Document very carefully.**

1. (a) Supply & Installation of Machinery & Equipment.

S.No	Items	Description	Quantity
1	Fermentor	Production Volume Capacity 20 Liter or above Inside surface: SUS 304, TH: 3 mm Outside surface: SUS 304, TH: 2 mm Insulation material PU foam, insulation thickness 75 mm Design pressure 0.3 mpa, use pressure 0.15 mpa Bottom cone design 60 degree, use to save yeast Complete with insulation & Cladding Material Inlet / Outlet; Jacket Inlet / Outlet Level Glass indicator Pressure valve, Agitator PT 100 temperature control, safety valve With Control panel for heating system Drain out let, 03 Legs fixed with base	02
2	Acetator	Production Volume Capacity 20 Liter or above With stainless steel casing, SUS 304 Aerator of stainless steel, impelled by current motor Stainless steel frame Activated carbon filter and flow meter to measure the fresh air Set of plug connectors Set of internal connections, mainly PE hoses, clamps and valves Thermostat, complete with connecting hoses, for the automatic maintenance of the fermentation temperature.	02
3	Pulper	Stainless Dates / apricot fruits seed removing and pulping machine	01
4	Autoclave	Quick lock lid, double inter lock Combined controller by temperature & pressure for saturated steam, Display: microprocessor, easy to use, adjustable exhaust, SUS 304 pressure valve, Space saving design, vertical design,	01

		Sterilizing buzzer, Manual ball valve 10 mm inner dia, Maun controller: Precise pressure switch, Automatic exhaust system, safety valve operations 0.18 MPa Timer: 1 – 60 minutes Chamber dimension: 40 cm dia x 50 cm Capacity: 60 liter	
5	Jacketed food grade vessels	Volume: 600 L Material of Cons. SS 304, 06 mm Jacket Mild Steel: 06 mm Motor Power: 03 Hp Gear motor; with agitator Complete with insulation & Cladding Material Inlet / Outlet; Jacket Inlet / Outlet Level Glass indicator With baffle plates With heating system x 02 heaters; temp sensor probe With Control panel for heating system Legs with base	04

- 1.1 The Bidder is expected to examine all instructions, forms, terms and specifications in the bidding documents. Failure to furnish all information required by the bidding documents or to submit a bid not substantially responsive to the bidding documents in every respect will be at the Bidder's risk and may result in the rejection of its bid.
- 1.2 The Bidder shall bear all costs associated with the preparation and safe delivery of its Bid to PCSIR. PCSIR will not be responsible or liable to pay any cost associated therein, in any case.
- 1.3 Unsolicited advice/clarifications and personal approaches by the Bidder at any stage of evaluation are strictly prohibited and shall lead to disqualification.
- 1.4 A bid submitted in response to this invitation must be properly bind, in sequence and Item Name & Number must, be in accordance with Bid Documents.
- 1.5 In case of any doubt as to the meaning of any portion of the Specifications or other Terms and Conditions, bidder may seek clarification of the same in writing, but not later than 06 working days prior to dead line for submission of Bid prescribed by PCSIR.
- 1.6 At any time prior to the deadline for submission of Bids, a modification in bidding document in the form of an addendum/corrigendum may be issued in response to a clarification requested by a respective Bidder or even whenever PCSIR considers it beneficial to issue such a clarification and/or amendment to all Bidders.
- 1.7 Any clarification/ amendment, in bidding document in the form of an addendum/ corrigendum, shall be addressed to all the prospective Bidders who have purchased the tender document.
- 1.8 PCSIR shall neither take any responsibility for collecting the Bids from any Agency nor entertain any request for the extension of closing date and time.
- 1.9 PPRA Rules will be strictly observed.

- 1.10 Technical Brochure/ Literature confirming Brand, Model, Country of manufacturing & Country of Origin of quoted item must be attached with the quotation.
- 1.11 A technical bid will be declared non responsive if Make/ Made and Model of the offered equipment is not mentioned clearly.
- 1.12 Where country of origin and country of manufacturing is different, both must be mentioned Clearly in the technical bid.
- 1.13 PCSIR reserves the right to accept or reject any Bid or Proposal at any time prior to the acceptance of a bid or proposal and upon request communicate, to supplier or contractor who submitted the bid or proposal, the grounds for its rejection, but not required to justify those grounds.
- 1.14 If there is a discrepancy between the unit price and the total price, the unit price shall prevail and the total price shall be corrected by multiplying the unit price and quantity. If there is discrepancy between words and figure, the amount in words shall prevail.
- 1.15 The Bidder will fill the tender document by hand or type, in all respect; duly signed and stamped each page properly and write all the figures in words as well. Extra sheets may be attached where necessary and must be submitted with the Bid.

- 2.1. Participation in tendering is open to all legal persons having registered business entity including sole proprietorship, AOP, partnership firm, private or public limited company.
- 2.2. Original manufacturer OR Sole Distributors/ Authorized Suppliers thereof.
- 2.3. General Sales Tax Registered.
- 2.4. National Tax Number Registered.
- 2.5. Not under a declaration of ineligibility for corrupt and fraudulent practices issued by the Government of Pakistan.

- 2.6. The Bidder shall furnish, as part of its bid, documents establishing the Bidder's eligibility to bid and its qualifications to perform the contract if its bid is accepted.

3. Exclusion from participation

Tenderers must have to certify in a declaration that they are not in one of the following situations;

- 3.1. They are bankrupt or being wound up, are having their affairs administered by the courts, have entered into an arrangement with creditors, have suspended business activities, are the subject of proceedings concerning those matters, or are in any analogous situation arising from a similar procedure provided for in national legislation or regulations;
- 3.2. They have been convicted of an offence concerning their professional conduct by a judgment.
- 3.3. They have been guilty of grave professional misconduct proven by any means;
- 3.4. They have not fulfilled obligations relating to the payment of EOBI, social security contributions or the payment of taxes in accordance with the legal provisions;
- 3.5. They have been subject of a judgment for fraud, corruption, involvement in a criminal organization or any other illegal activity detrimental to the communities' financial interest.
- 3.6. Affidavit on non-judicial stamp paper of Rs. 100 to the effect that firm is not blacklisted and is not in litigation with any govt./ semi govt. or any other organization.
- 3.7. Must sign and stamp company seal on every page of the bidding document showing his unconditional agreement with all the instructions, terms & condition specified in bidding document.

Exclusion from award of contract

Contracts may not be awarded to tenders which, during the procurement procedure.

- a. Are subject to a conflict of interest.
- b. Are guilty of misrepresentation in supplying the information required as a condition of participation in the contract procedure or fail to supply this information.

4. Currency

- 4.1. The rates must be quoted in Pakistani Rupees (PKR).
- 4.2. The Bidder shall indicate on the appropriate Price Schedule the Unit Prices (where applicable) and Total Price of the Goods it proposes to supply under the contract.
- 4.3. A bid submitted with an adjustable price quotation will be treated as nonresponsive and will be rejected; two or more prices for a single item will be treated as non-responsive.
- 4.4. Supply, installation, commissioning of the equipment and training (where necessary) will be included in the bid prices.

5. Period of offer Validity

- 5.1. Tenders shall be bound by their tenderers for a period of 90 days from the deadline of submission of tenders.
- 5.2. In case prior to the expiry of the original tender validity period, PCSIR may ask tenderers to extend this period by 30 days or more. Such requests and the responses to them must

be in writing. Tenders that agree to do so will not be permitted to modify their tenders and they are bound to extend the validity of their tender guarantees for the revised period of validity of the tender. If they refuse, without forfeiture of their tender guarantees, their participation in the tender procedure will be terminated.

6. **Language of Offer**

The Bid forms both technical & financial, declaration, annexes and all supporting documents must be written in **English language**. If the supporting documents are not written in the English language, it is recommended to provide a translation into the language of the call for tenders, in order to facilitate the evaluation of the documents.

7. **Submission of Bids**

7.1. The tenders must be received before the deadline specified in clause 1-b and to be sent to the following address:

The Director (Technology),
PCSIR Head Office, 1-Constitution Avenue, G-5/2 Islamabad.

7.2. All tenders, including Technical Bid, Financial Bid, Declaration, annexes and all supporting documents, must be submitted in a sealed envelope bearing only;

- a) The above address;
- b) The reference number;
- c) The words **“Not to be opened before the tender opening session”** in the English language.

7.3. All tenders must be received at above address before the deadline date and time by registered mail or courier with acknowledgement receipt or By hand

8. **Contents of tender**

All tenders submitted must comply with the requirements in the tender dossier and comprise.

8.1. **Technical Offer:** Tenderers must have to complete the technical offer on the annexed format “Technical Bid Form”. Tenders received without technical bid will be treated as rejected. Tenderers may use their letter pad for printing of technical bid form.

8.2. **Financial Offer:** Tenderers must have to use the annexed “Financial bid form” for completing their financial offer. A financial offer must be calculated on the basis of FOR for the supplies of tendered materials.

8.3. **Other Documentation:**

- The Tender guarantee as specified in the clause – 9 of these instructions.
- Tenderer’s declaration for non exclusion from tenders.
- Supporting documents as required in the technical bid form including company’s registration, NTN, SRTN, experience certificates, bank statements, financial statements and company’s profile.
- A statement by the tenderer attesting the origin of the supplies tendered, if needed.

9. Tender Guarantee/ Earnest Money

- 9.1. Tenderers must have to submit the **tender guarantee/ earnest money @ 2% of total bid value** in form of **Call Deposit only** in favour of **Project Director Research, Development and Innovation (RDI) in PCSIR**. The tender guarantees provided by tenderers who have not been selected technically shall be returned together with a letter of regret. The tender guarantee of the successful tenderer shall be retained till the completion of contract.
- 9.2. **Warrantee:** The warrantee for all related supplied laboratory equipment should be at least 12 months and warrantee period will be started after the date of successful testing/ commissioning i.e. 12 months free maintenance/ replacement of parts, if required, will be provided.

10. Taxes, Insurance and other Costs:

- 10.1. The quoted rates must be inclusive of all type of government taxes, in case of exemption the Contractor/ supplier shall have to provide the valid exemption certificate as per govt. rules.
- 10.2. Tenderers must have to provide the insurance cover (contractor's all risk cover insurance) of a well reputed insurance company for the items / materials subject to this tender.
- 10.3. The quoted rates must be inclusive of transportation, carriage, handling and all other costs.

11. Additional information before the deadline for submission of tenders

The tender dossier should be clear enough to preclude the need for tenderers to request additional information during the procedure. If the contracting authority, either on its own initiative or in response to a request from a prospective tenderer, provides additional information on the tender dossier, it must send in writing to all other prospective tenderers at the same time.

Tenderers may submit questions/queries via email to the following up to the last date for clarifications / queries as specified in clause 1-b, with reference to the tender and contract title.

Contact Name: Project Director

Email: technologywing@yahoo.com

12. Alteration or withdrawal of tenders

- 12.1. Tenderers may alter or withdraw their tenders by written notification prior to the deadline for submission of tenders. No tender may be altered or withdrawn after this deadline.
- 12.2. No tender may be withdrawn in the interval between the deadline for submission of tenders and the expiry of the tender validity period. Withdrawal of a tender during this interval may result in forfeiture of the tender guarantee.

13. Ownership of tenders

The contracting authority retains ownership of all tenders received under this tender procedure. Consequently, tenderers have no right to have their tenders returned to them.

14. Opening of tenders

- 14.1. The opening and examination of tenders is for the purpose of checking whether the tenders are complete, whether the requisite tender guarantees have been furnished, whether the required documents have been properly included and whether the tenders are generally in order. The opening of tender is **public** (Tenderer's presence or his representative on the day of opening the tender is mandatory) and will be carried out by the Tender opening committee.
- 14.2. The tenders will be opened on the date & time as given in clause 1-(b).
- 14.3. After the opening of the tenders, no information relating to the examination, clarification, evaluation and comparison of tenders, or recommendations concerning the award of the contract can be disclosed until after the contract has been awarded.
- 14.4. Any attempt by a tenderer to influence the evaluation committee in the process of examination, clarification, evaluation, and comparison of tenders, to obtain information on how the procedure is progressing or to influence the contracting authority in its decision concerning the award of the contract will result in the immediate rejection of its tender.
- 14.5. All tenders received after the deadline for submission specified in the clause 1-(b) will be kept by the contracting authority. The associated guarantees will be returned to the tenderers. No liability can be accepted for late delivery of tenders. Late tenders will be rejected and will not be evaluated and sealed bid will be returned.

15. Evaluation of tenders

15.1. Examination of the administrative conformity of tenders

The aim at this stage is to check that tenders comply with the essential requirements of the tender dossier. A tender is deemed to comply if it satisfies all the conditions, procedures and specifications in the tender dossier. If a tender does not comply with the tender dossier, it will be rejected immediately and may not subsequently be made to comply by correcting it.

Evaluation Criteria/ Admin Grid

S. No.	Evaluation Parameters	Marks	Detail
1	Technical Staff	10	Staff/ officers having minimum BE/ MSc/ BS in Natural & Applied sciences (2 marks per officer)
			Staff/ officers having Diploma of Associate Engineering (DAE) in Electrical/ Electronic/ Instrumentation/ Computer science (2 marks per officer)
			Technicians: 1-year certificate course: 1 mark per technician

			03 Marks for above 100 Million
			02 Marks for above 50 Million
7	Company / firms Profile Entity Status	05	Company Profile with Entity Status, Sole Proprietorship, Firm / AOP, Pvt. Co. /Public listed / Public Listed =5
	Total Marks	50	

Note: 80% Marks in Admin Grid will be required to qualify for Technical Evaluation.

Technical Evaluation

- 15.2. After analysing the tenders deemed to comply in administrative terms, the evaluation committee will rule on the technical admissibility of each tender, classifying it as technically compliant or non-compliant.
- 15.3. In the interest of transparency and equal treatment and to facilitate the examination and evaluation of tenders, the evaluation committee may ask each tenderer individually for clarification of its tender including breakdowns of prices, within a reasonable time limit to be fixed by the evaluation committee. The request for clarification and the response must be in writing, but no change in the price or substance of the tender may be sought, offered or permitted except as required to confirm the correction of arithmetical errors discovered during the evaluation of tenders. Any such request for clarification must not distort competition. Decisions to the effect that a tender is not technically compliant must be duly justified in the evaluation minutes.

15.4. Financial Evaluation

- a) Tenders found to be technically compliant/ recommended shall be checked for any arithmetical errors in computation and summation. Errors will be corrected by the evaluation committee as follows:
- Where there is a discrepancy between amounts in figures and words, the amount in words will be the amount taken into account;
 - Except for lump-sum contracts, where there is a discrepancy between a unit price and the total amount derived from the multiplication of the unit price and the quantity, the unit price as quoted will be the price taken into account.
- b) Amounts corrected in this way will be binding on the tenderer. If the tenderer does not accept them, its tender will be rejected.

16. Award of Contract

- 16.1. The successful tenderer will be informed in writing that its tender has been accepted (notification of award).

- 16.2. Before the contracting authority issues Purchase Order/ Work order to successful tenderer, the successful tenderer must provide the documentary proof (original copies) including company's incorporation certificate, NTN, STRN, experience certificates, financial accounts, bank statements or any other document needed by the evaluation committee according to the selection criteria.
- 16.3. If successful tenderer fails to provide the documentary proof or statements or the evidence needed by the contracting authority according to selection criteria within 7 working days following the notification award or if the successful tenderer is found to have provided false information or fake documents, the award will be considered null and void. In such a case the contracting authority may award the tender to the next lowest tenderer or cancel the tender procedure.
- 16.4. The contracting authority reserves the right to vary the quantities specified for the lot(s) / items of lot(s) within a range of 100%.
- 16.5. Only Package/ Lot wise (as whole) Bids will be accepted.

17. Payment Schedule:

S/No.	Payment Schedule
1	30 % Advance on Bank Guarantee
2	25% on delivery
3	20% on installation /Commissioning of equipment
4	25% on Final Acceptance Test/Completion Certificate

Note: 10% will be retained from each bill as retention money till completion of the warranty period (at least 12 months after delivery/installation).

18. Settlement of disputes:

- 18.1. Any dispute will be resolved through arbitration committee.
- 18.2. Any dispute which cannot be settled otherwise shall be settled in accordance with the national legislation of Pakistan.
- 18.3. If any contractor/supplier enters into legal litigations with PCSIR, all the costs incurred by PCSIR during the course of the legal proceedings, would be borne wholly by the contractor/supplier who filed the legal suit against PCSIR.

19. Ethics clauses

- 19.1. Any attempt by a tenderer to obtain confidential information, enter into unlawful agreements with competitors or influence the committee or the contracting authority during the process of examining, clarifying, evaluating and comparing tenders will lead to the rejection of its tender.
- 19.2. When putting forward a tender, the tenderer shall declare that it is affected by no conflict of interest and has no equivalent relation in that respect with other tenderers or parties involved in the project. Should such a situation arise during execution of the contract, the contractor must immediately inform the contracting authority.
- 19.3. The contractor must at all time act impartially and as a faithful adviser in accordance with the code of conduct of its profession. It shall refrain from making public statements about the project or services without the contracting authority's prior approval. It may not commit the contracting authority in any way without its prior written consent.

- 19.4. For the duration of the contract, contractor and its staff shall respect human rights and undertake not to offend the political, cultural and religious mores of the state. In particular and in accordance with the legal basic act concerned, tenderers who have been awarded contracts shall respect core labour standards as defined in the relevant international labour organizations (such as the conventions on freedom of association and collective bargaining; abolition of forced and compulsory labour; elimination of forced and compulsory labour; abolition of child labour).
- 19.5. The contractor may accept no payment connected with the contract other than that provided for therein. The contractor and its staff must not exercise any activity or receive any advantage inconsistent with their obligations to the contracting authority.
- 19.6. The contractor and its staff shall be obliged to maintain professional secrecy for the entire duration of the contract and after its completion. All reports and documents drawn up or received by the contractor shall be confidential.
- 19.7. The contract shall govern the contracting party's use of all reports and documents drawn up, received or presented by them during the implementation of the contract.
- 19.8. The contractor shall refrain from any relationship likely to compromise its independence or that of its staff. If the contractor ceases to be independent, the contracting authority may, regardless of injury, terminate the contractor without further notice and without the contractor having any claim to compensation.
- 19.9. The contracting authority reserves the right to suspend or cancel contract if corrupt practices of any kind are discovered at any stage of the contract and if the company fails to take all appropriate measures to remedy the situation. For the purposes of this provision, "corrupt practices" are the offer of a bribe, gift, gratuity or commission to any person as an inducement or reward for performing or refraining from any act relating to the implementation of this contract.
- 19.10. The contracting authority reserves the right to suspend or cancel the procedure, where the award procedure proves to have been subject to substantial errors, irregularities or fraud. Where such substantial errors, irregularities or fraud are discovered after the award of contract, the contracting authority may refrain from concluding the contract.

20. Cancellation of the tender procedure

In the event of a tender procedure's cancellation, tenderers will be notified by the contracting authority. In case tender procedure is cancelled before the opening session the sealed envelopes will be returned, unopened, to the tenderers.

Cancellation may occur where:

- 20.1 The tender procedure has been unsuccessful, namely where no qualitatively or financially worthwhile tender has been received or there has been no valid response at all;
- 20.2 The economic or technical parameters of the project have been fundamentally altered;
- 20.3 Exceptional circumstances or force majeure render normal implementation of the project impossible;
- 20.4 All technically compliant tenders exceed the financial resources available;
- 20.5 There have been irregularities in the procedure, in particular where these have prevented fair competition;
- 20.6 The award is not in compliance with sound financial management, i.e. does not respect the principles of economy, efficiency and effectiveness (e.g. the price proposed by the tenderer to whom the contract is to be awarded is objectively disproportionate with regard to the price of the market).

20.7 Procuring agency may reject all the bids or proposals at any time prior to the acceptance of a bid or proposal.

In no event shall the contracting authority be liable for any damages whatsoever including, without limitation, damages for loss of profits, in any way connected with the cancellation of a tender procedure even if the contracting authority has been advised of the possibility of damages.

4.	Autoclave: Quick lock lid, double inter lock Combined controller by temperature & pressure for saturated steam, Display: microprocessor, easy to use, adjustable exhaust, SUS 304 pressure valve, Space saving design, vertical design, Sterilizing buzzer, Manual ball valve 10 mm inner dia, Maun controller: Precise pressure switch, Automatic exhaust system, safety valve operations 0.18 MPa Timer: 1 – 60 minutes Chamber dimension: 40 cm dia x 50 cm Capacity: 60 liter	01					
5.	Jacketed food grade vessels: Volume: 600 L Material of Cons. SS 304, 06 mm Jacket Mild Steel: 06 mm Motor Power: 03 Hp Gear motor; with agitator Complete with insulation & Cladding Material Inlet / Outlet; Jacket Inlet / Outlet Level Glass indicator With baffle plates With heating system x 02 heaters; temp sensor probe With Control panel for heating system Legs with base	04					

Financial Offer Form

(To be filled by bidders on Company's Letter Head)

FINANCIAL OFFER (Summary)			
Contract Title:		Tender Reference: _____	
Name of Tenderer:			
District	Lot No	Works Location	Bid Amount
	Grand Total		

Signature	
Name (Tenderer's Representative)	
Designation:	
Date:	
Tenderer's Official Stamp	

FINANCIAL OFFER					
Contract Title:			Tender Reference:		
S	Instrument / Equipment	Quantity	Unit	Rate (Rs.)	Cost (Rs.)
1	Fermentor: Production Volume Capacity 20 Liter or above Inside surface: SUS 304, TH: 3 mm Outside surface: SUS 304, TH: 2 mm Insulation material PU foam, insulation thickness 75 mm Design pressure 0.3 mpa, use pressure 0.15 mpa Bottom cone design 60 degree, use to save yeast Complete with insulation & Cladding Material Inlet / Outlet; Jacket Inlet / Outlet Level Glass indicator Pressure valve, Agitator PT 100 temperature control, safety valve With Control panel for heating system Drain out let, 03 Legs fixed with base	02			
2	Acetator: Production Volume Capacity 20 Liter or above With stainless steel casing, SUS 304 Aerator of stainless steel, impelled by current motor Stainless steel frame Activated carbon filter and flow meter to measure the fresh air Set of plug connectors Set of internal connections, mainly PE hoses, clamps and valves Thermostat, complete with connecting hoses, for the automatic maintenance of the fermentation temperature.	02			
3	Pulper: Stainless Dates / apricot fruits seed removing and pulping machine	01			
4	Autoclave: Quick lock lid, double inter lock Combined controller by temperature & pressure for saturated steam, Display: microprocessor, easy to use, adjustable exhaust, SUS 304 pressure valve, Space saving design, vertical design, Sterilizing buzzer,	01			

	Manual ball valve 10 mm inner dia, Maun controller: Precise pressure switch, Automatic exhaust system, safety valve operations 0.18 MPa Timer: 1 – 60 minutes Chamber dimension: 40 cm dia x 50 cm Capacity: 60 liter				
5	Jacketed food grade vessels: Volume: 600 L Material of Cons. SS 304, 06 mm Jacket Mild Steel: 06 mm Motor Power: 03 Hp Gear motor; with agitator Complete with insulation & Cladding Material Inlet / Outlet; Jacket Inlet / Outlet Level Glass indicator With baffle plates With heating system x 02 heaters; temp sensor probe With Control panel for heating system Legs with base	04
