INSTRUCTION TO BIDDERS FOR SUBMISSION OF ONLINE BIDS IN E-TENDER

- 1.0 The bidding under this contract is electronic bid submission through website <https://tntenders.gov.in/nicgep/app> only. Detailed guidelines for viewing bids and submission of online bids are given on the website. Any citizens or prospective bidders can logon to this website and view the invitation for Bids and can view the details of works for which bids are invited.
- 2.0 **Registration**
- 2.1 The prospective bidders can submit bids online, however, the bidders are required to have enrolment/registration in the website by clicking on the link "Online bidder enrolment" which is free of charge.
- 2.2 As part of the enrolment process, the bidders are required to choose a unique username and assign a password for their accounts.
- 2.3 Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These details would be used for any communication from the e-Portal.
- 2.4 Upon enrolment, the bidders are required to **register their valid Digital Signature Certificate (DSC)** (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile.
- 2.5 Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- 2.6 Bidder then can login to the site through the secured login by entering their user ID / password and the password of the DSC / e-Token.
- 2.7 The URL for online bid submission in e-tender is <https://tntenders.gov.in/nicgep/app>

3.0 Contact persons:

For queries related to registration and online bidding (NIC):

e-mail : support.etender@nic.in

Contact No. : 044 – 24466495

24902580 Extn:332

24917850

4.0 System Requirement:

- i. Operating System: Windows XP-SP3 & above
- ii. Internet browser: IE7 and above.
- iii. Signing type: Digital Signature (class III)
- iv. JRE 7 update 79 (Preferred file- Windows X-86 Offline) and above to be downloaded and installed in the system.

To enable ALL active X controls and disable 'use pop up blocker' under Tools→Internet Options→ custom level. For detailed guidance about browser and Java configuration the bidders are advised to go through the video guide available under "Bidders Manual Kit" at "<https://www.tntenders.gov.in/nicgep/app?page=BiddersManualKit&service=page>"

5.0 Searching for Tender Document:

- 5.0 There are various search options built in the Website, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name,

location, date, value, etc.

Once the bidders have selected the tenders they are interested in, they may download the required documents/tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the Tamil Nadu Govt. e-Procurement Portal, to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.

- 5.1 The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

6.0 Preparation Of Bids

- 6.1 Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 6.2 Bidders are requested to go through the NIT and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 6.0 Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. **Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.** Since the uploaded documents shall be downloaded for evaluation of bid, bidders are advised to upload clear scanned copies. **One hard copy of the electronically submitted bid documents except the price schedule shall have to be submitted upon intimation by TANGEDCO after opening of the e-tender.**
- 6.3 To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My space or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.
- 6.4 The completed bid comprising scanned copy of the proof for the payment of EMD or exemption from payment of EMD and necessary technical and commercial documents should be uploaded on the website along with signed and scanned copies of requisite certificates as are mentioned in the different sections in the tender document.

7.0 Electronic Submission Of Bids:

The bidder shall submit online the requirements under qualification criteria and Technical Documents required and Price Schedule/BOQ. All the documents are required to be signed digitally by the bidder. After electronic online bid submission, the system generates a unique bid reference number which is time stamped. This shall be treated as acknowledgement of bid submission.

PROCEDURE FOR SUBMISSION OF BIDS:

- 7.1 Bidder should log into the site well in advance for bid submission so that he/she can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 7.2 The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 7.3 Bidder has to select the payment option as "offline" to pay the EMD amount through RTGS/NEFT by way of account transfer as applicable and enter details of the instrument.
- 7.4 The scanned copy of payment made through RTGS/NEFT towards EMD amount has to be uploaded. TANGEDCO shall not be responsible for any delay in uploading the proof of EMD by any mode.
- 7.5 A BOQ format for the price bid has been provided with the tender document to be filled by all the bidders. Bidders are requested to note that they should necessarily submit their financial bids in the BOQ format provided and no other format is acceptable. Bidders are required to download the BOQ file, open it and complete the coloured (Unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the file name. If the BOQ file is found to be modified by the bidder, the bid will be rejected.
- 7.6 **The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.**
- 7.7 All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers' public keys.
- 7.8 The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 7.9 Upon the successful and timely submission of bids, (i.e. after clicking "Freeze Bid submission" in the portal) the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 7.10 Department or Service Provider is not responsible for any failure such as a bad internet connection or power failure outside of their control. The bidder is responsible to ensure they have sufficient time to submit an electronic bid prior to closing date and time including the payment of any fees including the Bid security and getting e-receipt. In case of a failure in the system within the control of the service provider that may affect a bidding process, the

contracting authority on his sole discretion will postpone the closing time at least 24 hours from the time of system recovery to allow bidders sufficient time to submit their bids.

- 7.11 The TANGEDCO may, at its discretion, extend the deadline for the submission of bids by amending the bidding document, in which case all rights and obligations of TANGEDCO and bidders subject to the previous deadline shall thereafter be subject to the deadline extended.

Late Bid:

The Electronic bidding system would not allow any late submission of bids after due date and time as per server time.

8.0 Modification and withdrawal of bids:

- 9.1 Bidders may modify their bids online before the deadline for submission of bids.
- 9.2 In case a bidder intends to modify his bid online before the deadline, the bidder need not make any additional payment towards the cost of bid processing. For bid modification and consequential re-submission, the bidder is not required to withdraw his bid submitted earlier. Modification and consequential re-submission of bids is allowed any number of times. The last modified bid submitted by the bidder within the bid submission time shall be considered as the bid. For this purpose, modification/withdrawal by other means will not be accepted. The bidder may withdraw his bid by uploading his request before the deadline for submission of bids, however, if the bid is withdrawn, the re-submission of the bid is not allowed.
- 9.3 No bid may be modified after the deadline for submission of Bids.

9.0 ASSISTANCE TO BIDDERS:

- 10.1 Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
- 10.2 Any queries relating to the process of online bid submission or queries in general may be directed to the 24x7 Central Public Procurement Portal Helpdesk.

11. Bidding Process:

The entire bidding process is divided into two stages (Stage-I and Stage-II) and will be through e-tender.

12. Process of e-tender:

The e-tender shall have two parts – Techno-Commercial Bid (**Part 1**) and Price Bid (**Part 2**).

The bidder must fill up both the Part 1 and Part 2 of e-tender and upload all necessary documents before making final submission. During tender opening, the Techno-Commercial bids (Part-1) will be opened electronically on specified date and time as given in the tender document. The EMD and Techno-Commercial bids will be evaluated and the bids which are found to be in accordance with the tender requirement will be shortlisted as eligible bids and the respective bidder shall be known as eligible bidders.

13. Opening of price bids of e-tender:

Price bids (Part-2) of those bidders who fulfill the BQR criteria and whose bids are found to be commercially and technically acceptable in e-tender will be opened electronically **by the nominated members** on the same day itself.

The bidder should note that only a file which is “attached” with the e-tender shall be considered during evaluation of the Technical Bid. Files which are not attached to the e-tender shall not be considered for evaluation. The Bidder should also note that a Bid will be considered as submitted if and only if the Bidder has made Final Submission. Only such Bids will be opened for which Final Submission has been made. It is further clarified that saving of Technical Bid and / or Price Bid without Final Submission will be treated as non-submission of bid in e-tender.

Since the uploaded documents shall be downloaded for evaluation of bid, bidders are advised to upload clear scanned copies (pdf format files only)

Bidders are advised to see the web site regularly to remain updated with latest information to ensure that they do not miss out any corrigendum / addendum uploaded against the said tender after downloading the tender document. **There possibility of downloading the related corrigendum, if any, will be that of the bidders.**

E-tender cannot be accessed after the due date and time for bid submission.

14. Bidding in e-tender:

- a) In all cases, bidder should use their own ID and Password along with Digital Signature at the time of submission of their bid.
- b) During the entire e-tender process, the bidders will remain completely anonymous to one another and also to everybody else.
- c) TANGEDCO reserves the right to cancel or reject or accept or withdraw or extend the tender in full or in part as the case may be without assigning any reason thereof.
- d) The server time shall be treated as final and binding. Bids recorded in the server before the bid closing time will only be treated as valid bid. Bidders are, therefore, advised to submit their bids well before the closing time of e-tender. If any bid reaches the server after the bid closing time as per server time, the same will not be recorded and no complaint in this regard shall be entertained.
- e) Bidders are advised to exercise caution in quoting their bids in e-tender and e-reverse auction as the case may be to avoid any mistake. Bids once submitted can't be recalled.
- f) Any order resulting from this bidding process shall be governed by the terms and conditions mentioned in the NIT.
- g) No deviation to the technical and commercial terms & conditions are allowed.

SECTION - I

EARNEST MONEY DEPOSIT

1. Tenderer should pay the specified amount towards Earnest Money Deposit for the above tender.
2. The Earnest Money Deposit paid should be in the form of NEFT/RTGS as mentioned above in 5(a) of Foreword for the above amount. Scanned copy of the E-receipt duly reflecting the UTR Number shall be uploaded. The EMD amount has to be received in TNEB/TANGEDCO account **through e payment, 2 hours before closing time of tender**. **EMD amount received beyond tender closing time will be summarily rejected.**
3. **Any other mode of payment of EMD other than NEFT/RTGS shall not be accepted towards EMD and the tenders shall be rejected if EMD is not paid in the prescribed manner.**
 - i) Tenders who are exempted from payment of Earnest Money Deposit should furnish an undertaking on a non-judicial stamp paper of value Rs.80/- (Rupees Eighty only) to pay as penalty an amount equivalent to EMD or an amount equal to the actual loss incurred, whichever is less, in the event of non-fulfillment or non-observance of any of the conditions stipulated in the contract, consequent on such breach of contract.
 - ii) Proof for exemption from payment of Earnest Money Deposit shall be furnished.
 - iii) The tenders received without EMD / Proof for exemption will be rejected.
 - iv) The EMD will be refunded to the unsuccessful tenderers on application after intimation of rejection of tender is sent. The amount will not carry any interest.
 - v) The EMD is liable to be forfeited, if the tenderer withdraws his tender after acceptance of his tender or violate any of the tender condition.
 - vi) The EMD of successful tenderer will be adjusted towards SD.
 - vii) The EMD will not carry any interest.
 - viii) Those tenderers **who are exempted from payment of EMD shall upload in lieu of EMD an undertaking in a non-judicial Stamp paper of value not less than Rs.80/- (Rupees Eighty only)** in the form as per enclosure, to the effect to pay as penalty an amount equivalent to EMD in the event of non-fulfillment or non-observance of any of the conditions stipulated in the contract consequent to such breach of contract. The State Government, Public Sector Undertakings who are exempted from payment of EMD should also pay as penalty an amount equivalent to the amount fixed as EMD in the event of non-fulfillment or non-observance of any of the conditions stipulated in the contract.
4. **Conditions for Liable for rejection of bids:**
 - a. Tenders received without this undertaking will be disqualified.
 - b. Tender will be rejected if the undertaking is not signed / authenticated in all pages of undertaking.
 - c. Signature of witnesses should be affixed at the end of undertaking along with details of name and address.
5. The following should be uploaded by the Vendor during submission of Techno-commercial bid for payment of EMD failing which the offer will be SUMMARILY REJECTED.
 - i) The e-receipt of payment of EMD through NEFT/RTGS.
 - ii) The proof of exemption of EMD with an undertaking in lieu of EMD
6. **The Earnest Money Deposit made by Tenderer will be forfeited after e-tender opening if:**

- (a) he withdraws his tender or backs out after acceptance.
- (b) he withdraws his tender before the expiry of validity period stipulated in the Specification or fails to remit the Security Deposit.
- (c) he violates any of the provisions of these regulations contained herein.
- (d) he revises any of the terms quoted during the validity period.
- (e) in the event of documents furnished with the offer being found to be bogus or the documents contain false particulars, the EMD paid by the tenderers will be forfeited in addition to blacklisting them for future tenders/contracts in TANGEDCO.

7. REJECTION OF TENDERS :

I. Tenders will be **SUMMARILY** rejected if

- a) The EMD requirements are not complied with.
- b) If the bids are received through Consortium or Joint venture, the same will not be considered and the bids will be rejected.
- c) Not satisfying any one of the Bid Qualification Requirement as stipulated.

II. Tender is **LIABLE** to be rejected, if it is:

- a) Not covering the entire scope of Work.
- b) With validity period less than that stipulated in this specification.
- c) Not in conformity with TANGEDCO's Commercial terms and Technical Specifications
- d) Received from a tenderer who is directly or indirectly connected with Government service or Board Service or services of local authority.
- e) From any black listed Firm or Contractor.
- f) From a tenderer whose past performance / Vendor rating is not satisfactory
- g) Documents furnished by the Tenderers along with their offer being found to be bogus or contain false particulars.

8. TENDER EVALUATION:

The L1 rate shall be arrived on the total price offered as the tendered works are considered as a single package.

T.Nadu Transparency in Tenders Act 1998 and the T.Nadu Transparency in Tender Rules 2000 & subsequent amendments thereof are applicable to this Tender.

• SUBMISSION OF TENDER OFFER:

- a) The tenderer is expected to examine all instructions, Schedules and Annexures detailed in the Specification and submit the Schedule of Prices and other required particulars in the Schedules and Annexures called for in this Specification, only as per the formats prescribed herein.
- b) The Tender Offer should be filled up and signed by the Tenderer or any person holding Power of Attorney authorizing him to sign on behalf of the Tenderer before submission of the Tender. The date of signature should invariably be indicated.

2. MODIFICATIONS/CLARIFICATIONS TO TENDER DOCUMENTS:

- i) At any time after the commencement of e-Tender and before the closing of the event, TANGEDCO may make any changes, modifications or amendments to the tender documents and same will be intimated to the concerned Vendors through corrigendum which can be downloaded from the Vendor login .
- ii) In case any tenderer asks for a clarification to the tender documents before 48 hours of opening of tenders, the Superintending Engineer/C / TTPS will clarify the same.
- iii) If any tenderer raises clarifications after the opening of the tender, the clarified reply issued by the Superintending Engineer / C / TTPS on the clarifications will be final and binding on the Tender.
- iv) All tender offers shall be prepared by typing or printing in the formats enclosed with this specification.
- v) All information in the tender offer shall be in ENGLISH only. It shall not contain interlineations, erasures or over writings except as necessary to correct errors made by the tenderer. Such erasures or other changes in the tender documents shall be attested by the persons signing the tender offer.

3. **TENDER OPENING :**

a. **OPENING OF COMMERCIAL & TECHNICAL BIDS (PART-I):**

The Tender offers will be opened electronically at 14.30Hrs. on the date notified at the Office of the Superintending Engineer/CIVIL/TTPS/Tuticorin-04 through <https://tntenders.gov.in/nicgep/app> in the presence of tenderer's authorized representative who may wish to be present on the date of opening.

b. **OPENING OF THE PRICE BIDS: (PART - II)**

Price bids (Part-2) of those bidders who fulfill the BQR criteria and whose bids are found to be commercially and technically acceptable in e-tender will be opened electronically **by the nominated members** on the same day itself.

4. **If the Due date of opening is declared as a holiday, the tender will be opened on the next working day at 14: 30 hrs**

- a) A deduction of 5% of the value of work done shall be made for purpose of additional Security from each intermediate bill to be paid until completion of the work.
- b) In the case of tenderers who are exempted from the payment of Security Deposit like public sector undertaking of the Government of TamilNadu and Central Government etc., an undertaking must be obtained before placing the order (including the undertaking already given for Earnest Money Deposit) agreeing to pay an amount not exceeding 5% of the value of the contract in case of any breach or violation of the Contract.
- c) The TANGEDCO Reserves the right to cancel the work on failure to furnish the Security Deposit within the prescribed time and the rights to levy of penal interest for delayed payment of S.D at the rate of 22% PA applicable shall be levied upto the date of receipt of Security Deposit.

(8-1) SECURITY DEPOSIT

When a tender is accepted and intimation being given to the tenderer of acceptance of the tender by TANGEDCO, the tenderer must furnish a Security Deposit for an amount equal to 5% value of contract including the amount remitted as EMD within 30 days from the date of receipt of order and in the event of failure to remit the security deposit within the prescribed period, EMD shall be forfeited and order be cancelled. The award may be made to L2 tender. The belated payment of security deposit shall be accepted here after. The security deposit will be collected in the form of electronic mode of payment or DD or Bank Cheque. The security deposit will not carry any interest. Demand Draft in favour of SE/P&A/TTPS payable at Tirunelveli only is acceptable. Security Deposit will be refunded only if the work is completed satisfactorily and after the final bill is audited by Audit. For reconditioning / repairing of equipments the Security Deposit will be refunded after the guarantee period.

9-0) The tenderer shall also go through the National Building Code, TNBP and I.S.S. and also standard preliminary conditions attached to the schedule of quantities and all other relevant documents before tendering rates for the work. The quantities given are approximate only with a view of enabling the tenderers to quote their rates for each class of work in the tender form.

10-0) MATERIALS:

The tenderers attention is directed to the requirements of materials under the clause materials and workmanship in the preliminary specification. Materials in conformity to the National building code and I.S.S. shall be used on the work and tenderer shall quote his rates accordingly.

11-0) INSPECTION OF SITE AND QUARRIES:

Every tenderer is expected before quoting his rates to inspect the site of the proposed work. Each tenderer should also inspect the quarries and satisfy him self about the quantity and availability of materials. No ambiguous clauses which may put the TANGEDCO to uncertain commitments will be entertained. The contractor should also inspect the route and mode of transport before tendering. No extra claim will be entertained if the contractor later represents that he has misjudged the quarries, routes and mode of transport etc.

In every cases the materials must comply with relevant standard specification samples of materials as called for in the standard specification, or in the tender notice or as required by the Superintending Engineer or Executive Engineer incharge of the work shall be got approved before supply at site of work.

The TANGEDCO will not however after acceptance of a contract rate pay any extra charge for lead and lift or for any reasons, in case the contractor is found later on misjudged the materials

available. Attention of the contractor is directed to the standard preliminary specification regarding of seignorage charges etc.

12-0) The tenderer particular attention is drawn to the section on clauses the standard preliminary specification of the PWD Tamil Nadu Building Practice (T.N.B.P) dealing with

- i) Test inspection and rejection of defective materials
- ii) Construction plant
- iii) Carriage
- iv) Water and lighting
- v) Accidents
- vi) Delays and
- vii) Particulars of payment

13-0) EMPLOYMENT FOR EXSERVICEMEN:

Attention of tender is invited to the PWD GO Ms. No. 2395; dt.13.9.1945 according to which the contractors engaged on TANGEDCO's works must offer employment to Ex-Servicemen as far as possible at local rates.

14-0) SCHEDULE OF QUANTITIES:

The contractor should closely pursue all the specification clause for which he is tendering.

a) A tentative schedule of quantities for the works accompanies this tender specification. It should be definitely understood that the TANGEDCO does not accept any responsibility for correctness of the quantity in schedule. The tenderers will however quote his rates in the tender on this schedule at quantities. He should quote specific workable rates for each item in the schedule and the rates should be in rupees and paise. The rates should be written both in words and figures and the Units in words. The tenderer should undertake to do the whole work subject to the conditions of the contract. This schedule accompanying to the tender shall be written legibly and free from erasers, overwriting or conversions of figures. Corrections where unavoidable should be made by crossing out initialing, dating and rewriting

b) If there is any difference in the rates furnished between words, and figures the lowest will be considered.

15-0) SUBLETING OF CONTRACT:

No part of contract shall be sublet without the written permission of the Superintending Engineer/Civil or shall transfer be made by means of attorney authorizing others to receive payment on the contractor's behalf.

a) The Superintending Engineer/ Civil/ T.T.P.S. reserves the right to reject any or all the tenders without assigning any reasons and reserve the right to divide the number of works to be executed/between two or more contractors.

b) In case of any discrepancy between the schedule, specification and drawing, clarifications on the above by the Superintending Engineer/Civil/ TTPS shall be final and binding on the tenderer.

c) For TANGEDCOs Tools and Plants, Machinery, Equipment's, Vehicles and materials that are lent or supplied to the contractor if necessary by the department on hire basis for executing the TANGEDCO's works, such articles so lent or hired to the contractor shall be returned in good serviceable conditions to the department. If any damage or shortage in course of their use in the work, the cost as may be determined by the Superintending Engineer for rectification of damage or shortage caused shall be made good by the contractor.

d) Conditional tenders will not be accepted.

e) "National Building Code, Tamil Nadu Building Practice and I.S.S. are available at the Technical Branch office of the Superintending Engineer/Civil/ T.T.P.S. and they may be used between 10.30 a.m. and 5.00 p.m. on any working day.

16-0) ACCIDENT:

The attention of the tenderer is also drawn to the preliminary specification of T.N.B.P. Vol. II in particular to clause 42 & 47 dealing with accidents. It shall be the contractor's sole responsibility to protect the Public and his employees against accidents arising out of his work.

It is incumbent on the part of the contractor to see that it shall be his sole responsibility to protect the public and his employees against any accident from any cause and this shall indemnify the TANGEDCO against claims for damage for injury to person or property from any such accidents, and shall where the provisions of the workman's compensation Act apply to take steps properly to insure against any claims there under by way of accidents risk, insurance demand for all purpose of relief. Failing the same or otherwise, the contractor will be responsible to meet the compensation awarded under the said Act.

The successful tenderer has to produce group insurance policy and license from Inspector of Factories within 15 days from the date of issue of acceptance letter and the contract will be terminated if the contractor fails to produce the same.

17-0) SAFETY CONDITIONS:

The contractor shall indemnify TANGEDCO against all actions, suits, claims, compensation towards accidents / death, cost of expenses arising in connection with injuries suffered by persons employed by the contractor whether under the general law of ESI scheme & EPF scheme or any

other statutory in force during the period of contract / and to undertake steps properly to insure against any claims there under.

For any violation and non – compliance of the statutory acts and rules prescribed respectively under factories act 1948 and TNF rules 1950 made there under the contractor is solely liable for the imposition of penalty. It is to be clearly understood by the contractor that as per the section 101 of the Factories Act, where the occupier and or the manager of TTPS is charged by the officials of the factories inspectorate with offence punishable under the Factories act 1948 and TNF rules 1950 for any safety violation by the contractor and his workmen while working, the concerned contractor shall be charged as the actual offender and brought before the court at the time appointed for hearing the charge and shall be convicted of the offence and the occupier and the Manager of TTPS will be discharged from liability under this Act, in respect of such offence.

18-0) VALIDITY OF TENDER:

The tenders shall be valid for a period of Three months from the date of opening. Once the tender is accepted the rates shall be firm till the completion of contract.

19-0) LOCATION OF LOCAL RULES:

The work is within the Harbour Estate and T.T.P.S. and the contractor or his men should strictly observe all rules relating to the work inside the Harbour Estate issued by the Harbour authorities and the Thermal Power Station authorities from time to time and the same will be binding on the part of the contractor. No woman labour shall be allowed to work after 18-00 hrs.

20-0) ROYALTY AND SEIGNORAGE CHARGES:

Royalty and seignorage charge wherever payable shall be paid by the contractor and the rates quoted should include this also.

21-0) SUSPENSION OF WORK:

The contractor will have no claim for suspension of work due to any causes what so ever or inadequate work for his labour-force.

22-0) FINE / LIQUIDATED DAMAGES

a) The Superintending Engineer may fine the piece worker for continued slow progress or non fulfillment of any conditions of contract at 0.5% of the contract price for each completed week of delay and the total shall not exceed 10% of the contract price of the works so delayed.

b) In respect of contracts where works executed in part could not be beneficially used by the TANGEDCO, the penalty should be worked out on the basis of entire contract price only, and not on the value of delayed portion.

c) The defaulting contractors should be liable to pay to the TANGEDCO, in addition to penalty for delay, the actual difference in price, wherever TANGEDCO orders the delayed quantity to be executed by other agencies at a higher rate.

23-0) PAYMENT: 95% payment on all the intermediate bills will be released. The Earnest Money Deposit and the Security Deposit amount collected will be released after satisfactory performance and after the final bill is audited by the Audit Section.

23-1) Payment Amendment

23-0-a) 95% payment will be paid within 90 days from the date of satisfactory completion of work. The Contractor should produce proof for having paid the Employer's and Employee's contributions to the ESI and EPF organisations for claiming the bill. Balance 5% will be paid **within 90 days** from the date of completion of Guarantee period.

Part payment for the completed works will be made **within 90 days** from the date of satisfactory commissioning of the equipments/completion of works

23-0-b) For the delayed payments, if any, **the simple interest shall be paid by TANGEDCO at the SBI three months MCLR rate for the delayed period beyond 90 days. The contractor has to produce the bills with required documents immediately on completion of works to avail the above benefit. If any delay occurs in producing invoice with required documents, TANGEDCO will not be held any responsible for that delay.**

Advance payment or payment against dispatch documents through Bank will not be accepted.

The Security Deposit and the bank guarantee produced for additional Security Deposit will be released after the final bill is audited by the audit section and after the guarantee period.

The face value of the agreement will only be limited to the finalized work. It is not binding that the TANGEDCO should allow the contractor to complete the work up to face value of the agreement.

23.2.STATUTORY COMPLIANCE

- 1) The Contractor shall employ labour in sufficient numbers to maintain the required rate of progress and of quality to ensure workmanship of the degree specified in the Contract and to the satisfaction of the Engineer-in-Charge. The Contractor shall not employ in connection with the Works any person who has not completed his eighteen years of age.
- 2) The Contractor shall pay to labour employed by him either directly or through digital transfer. The wages should not be less than fair wages as defined in the current PWD Schedule rates (or) Minimum Wages Act (if applicable).
- 3) The Contractor shall in respect of labour employed by him comply with or cause to be complied with the Contract Labour Regulations in regard to all matters provided therein.
- 4) The Contractor shall comply with the provisions of the payment of Wages Act, 1936, Minimum Wages Act, 1948, Employers' Liability Act, 1938, Workmen's Compensation Act, 1923, Industrial Disputes Act, 1947, Maternity Benefit Act, 1961, Employees Provident Fund & Miscellaneous Provisions Act, 1952, Employees State Insurance Act, 1948, Payment of Bonus Act, 1965 and Mines Act, 1952, Contract Labour Regulation & Abolition Act, 1970 or any modifications thereof or any other law relating thereto and rules made there under from time

to time.

- 5) The Engineer-in-Charge shall on a report having been made by an Inspecting Officer as defined in the Contractors Labour Regulations have the power to deduct from the moneys due to the Contractor any sum required or estimated to be required for making good the loss suffered by a worker or workers by reason of non-fulfillment of the Conditions of the Contract for the benefit of workers, non- payment of wages or of deductions made from his or their wages which are not justified by the terms of the Contract or non-observance of the said Contractors Labour Regulations.
- 6) The Contractor shall indemnify the Corporation against any payments to be made under and for observance of the Regulations afore said without prejudice to his right to claim indemnity from his sub- contractors. (if permitted)

In the event of the Contractor committing a default or breach of any of the provisions of the aforesaid Contractors Labour Regulations as amended from time to time or furnishing any information or submitting or filling any Form/ Register/Slip under the provisions of these Regulations which is materially incorrect then on the Report of the Inspecting Officers as defined in the Contractors Labour Regulations the Contractor shall without prejudice to any other liability pay to the Corporation a sum not exceeding Rs. 50.00 as liquidated damages for every default, breach or furnishing, making, submitting, filling materially incorrect statement as may be fixed by the Engineer-in-Charge and in the event of the Contractor's default continuing in this respect, the liquidated damages may be enhanced to Rs. 50.00 per day for each day of default subject to a maximum of ten percent of the estimated cost of the Works put to tender. The Engineer-in-Charge shall deduct such amount from bills or security deposit of the Contractor and credit the same to the Welfare Fund constituted under Regulations. The decision of the Engineer-in-Charge in this respect shall be final and binding.

24-1) It shall be accepted as a condition of the contract that the payment of final bill to the contractor less the withheld amount and his acceptance thereof shall constitute full and absolute release of the TANGEDCO from all further claims by the contractor under the contract.

25-0) The quality and grade of materials like paint, snowcem, distemper etc. should be first class and got approved before use.

26-0) REJECTION OF TENDERS:

1. The tender is liable to be rejected if it is
 - a. Not in the prescribed form
 - b. Not accompanied by the requisite Earnest Money Deposit or proof of permanent deposit or proof of exemption.
 - c. Not properly signed by the tenderer.
 - d. From any black listed firm or contractor
 - e. Received after the expiry of the due date and time.
 - f. Received by telex or telegram.

i)THE TENDER OF ANY PERSON IS LIABLE TO BE REJECTED IF:

- a. His tender does not conform to TANGEDCOs Technical Specification.
- b. His terms relating to payment do not conform to TANGEDCO's Commercial terms.
- c. The approved tenderer has no sufficient permanent deposit.
- d. He is directly or indirectly connected with environment service of the TANGEDCO's service or service of a local authority.
- e. His past performance or vendor rating is not satisfactory.
- f. The Superintending Engineer/Civil/T.T.P.S. shall have the right to relax or waive any of the conditions stipulated in the tender specification wherever deemed necessary.

27-0) FACE VALUE OF AGREEMENT:

The face value of agreement will be limited to the finished work. It is not binding that the TANGEDCO should allow the contractor to complete the work upto the face value of the agreement. The TANGEDCO has got every power to enhance the face value of the agreement if necessity warrants and the contractor has to execute the work and complete it as per Superintending Engineer's instructions.

28-0) NOT WITH STANDING:

Anything contained in any of these regulations and any of the conditions stipulated in any of the tender specification that may be issued wherever deemed necessary in the interest of the TANGEDCO for good and sufficient reasons to be recorded in writing shall bind on the contractor.

29-0) CONTROLLED ARTICLES ETC.:

The TANGEDCO may afford necessary assistance for procurement of controlled articles and also for priority in transport etc. It should be clearly understood that any delay in such procurement arising there from will not constitute sufficient reason for extension of time or purpose of his tender and rates.

30-0) The tenderer should note that for all materials not specifically mentioned with rates for issue in the tender scheduled but are drawn by the contractors in the course of the work for the use at the works, will be charged at the book value, plus 10% or the market value plus 10% centage charges, whichever is higher plus the actual cost of packing and despatch of materials as decided by the Superintending Engineer/Civil at site.

30-1) EMPLOYMENT OF QUALIFIED TECHNICAL STAFF IF EXECUTION OF WORKS BY CONTRACTORS:

The tenderers who are themselves not professionally qualified should undertake to employ qualified technical men at their cost to look after the work.

The tenderers should state in clear terms whether they are professionally qualified or whether they undertake to employ technical men required by the department specified in schedule below for the work. In case the selected tenderer is professionally qualified or has undertaken to employ technical men, he should see that one of the technically qualified men is always at the site of work during working hours personally checking all items of work and paying extra attention to such works as may demand special attention (eg) reinforced concrete works etc.

For annual maintenance works like labour supply etc the employment of Technical staff pray not be insisted upon.

Sl. No	Value of contract	Minimum qualification prescribed for the Technical Staff to be employed.	Rate of penalty.
1.	Above Rs.1 lakh and upto 3 lakhs.	One Diploma Holder in Civil Engineering or a retired supervisor (Civil) from Govt. Service or Autonomous Body like the Tamil Nadu Housing Board etc.	As mentioned below in the Note.

Cement shall be got tested for all the tests at his cost including thorough destructive and non-destructive test materials etc., as directed by the Engineer-in-charge in advance before the use of cement bags. In case test result stand rejected and shall be removed from the site by the contractor at his own cost within a day's time or written order from the Engineer-in-charge to do so.
- c. The employer will furnish air entraining agents and admixtures required to the contractor free of cost at the employer stores. The use of such admixtures and agents shall be made as per the instructions of the Engineer-in-charge. The cost of cartage/storage, handling, batching, mixing

shall be borne by the contractor and shall be included by him to unit rate tendered for concrete.

- d. The cement shall be brought at site as decided by the Engineer-in-charge for works.
- e. The cement godown of suitable capacity as decided by the Engineer-in-charge to store shall be constructed by the contractor at site of work, for which no extra payment shall be made. The contractor shall facilitate inspection of the cement godown by the Engineer-in-charge at any time.
- f. The contractor shall further at all times satisfy the Engineer – in – charge on demand by production of records and test book or by submission of returns and other proofs as directed that the cement is being used as tested and approved by the Engineer – in – charge for the purpose and the contractor shall at all times keep his records upto date and enable the Engineer – in – charge to apply such checks as he may desire.
- g. Cement which has been unduly long in storage with the contractor or alternatively, has deteriorated due to inadequate storage and this become unfit for use on the works will be rejected by the Department and no claim will be entertained. The contractor shall forthwith remove from the work site any cement the Engineer-in-charge may disallow for use of work and replace it by cement complying with the relevant Indian Standards.

18-0) SUPPLY OF STEEL:

The contractor has to make his own arrangements for the procurement of steel of required specifications for the works subject to the followings.

- a. The contractor shall procure steel required for the works only from reputed steel factories (main producer or their authorised agents) acceptable to the Engineer-in-charge bills of payment and test certificate issued by the manufacturer or their authorised agents to authenticate procurement of quality steel from approved steel factory.
- b. The contractor shall make necessary arrangements at his own cost to the satisfaction of Engineer-in-charge for actual weighing of random sample from the available stock and shall conform with the specification laid down by the Indian Standards Institution as the case may be. Steel shall be got tested for all the tests at his cost including thorough destructive and non-destructive test materials etc., as directed by the Engineer-in-charge in advance before the use of steel. In case test result indicate that the steel arranged by the contractor does not conform to the relevant code, the same shall stand rejected and shall be removed from the site by the

contractor at his own cost within a day's time or written order from the Engineer-in-charge to do so.

- c. The steel shall be brought at site as decided by the Engineer-in-charge for works.
- d. The contractor shall further at all times satisfy the Engineer-in-charge on demand by production of records and test book or by submission of returns and other proofs as directed that the steel is being used as tested and approved by the Engineer-in-charge for the purpose and the contractor shall at all time keeps his records upto date and enable the Engineer-in-charge to apply such checks as he may desire.
- e. Steel which has been unduly long in storage with the contractor or alternatively has deteriorated due to inadequate storage and his become unfit for use on the works will be rejected by the Department and no claim will be entertained. The contractor shall forthwith remove from the work site any steel the Engineer-in-charge may disallow for use of work and replace it by steel complying with the relevant Indian Standards.
- f. Regarding payment, the contractor may please note the following.
 - 1) Payment will be made only on LENGTH basis as measured at site and converted to weight by multiplying the length measured at site by the standard weights per metre length as per ISS table.
 - 2) For both RTS and MS rods, the same WEIGHT per metre length as given in the IS table for steel rods of various diameter will be adopted for calculating the requirements unless otherwise stipulated in the IS.
- g. Contractor shall also make his own arrangements for binding wire or in the alternative can do welding without any extra claim.
- h).The quantities of MS/RTS/Corrosion against steel rods indicated in the bill of quantities are only approximate.
- i) Contractor will have to make his own arrangements for binding wire of minimum 0.9mm thick as per IS.280 or in the alternative can do tack welding without any extra claim.

19-0) ISSUE OF MATERIALS NOT SPECIALLY MENTIONED IN THE TENDER:

For any materials drawn by the contractor, the recovery for such materials will be made at the book value +10% whichever is higher plus the actual cost of packing and despatch of materials, stores handling charges and Sales Tax as directed by the Engineer.

20-0) RECOVERY FOR EXCESS OR SHORT USE OF MATERIALS:

For any short usage of cement from the minimum cement content in case of design mix, the recovery shall be made from the bill at local market rate and also approved by the Superintending Engineer/Civil/Tuticorin.

21-0) CONSTRUCTION MATERIALS:

The metal, rubble, gravel, sand and other materials should strictly confirm to the standards stipulated in T.N.B.P./I.S.S.

Quantities indicated in the acceptance letter and agreements are tentative. Quantity may increase or decrease based on site conditions. Payments will be made for actual quantity for which the work is carried out.

22-0) SUBLETTING OF CONTRACT:

The contractor should not engage any sub contractor for the work entrusted to him without the written concurrence from the competent authority

23-0) PAYMENT:

a) A deduction of 5% of the value of the work done shall be made for purpose of additional security from each intermediate bills to be paid until the completion of work.

b) The security deposit and the 5% of the retention amount collected as per item above will be released after the final bills is audited by the audit section.

24.0) Technical Specification

For all technical specification not specifically covered by this individual specification, the Tamil Nadu PWD detailed standard specification and Indian Standard specification shall be followed. Wherever there is difference between Tamil Nadu Building Practice Specification and Indian Standards Specification, relevant I.S.S. will apply.

SIGNATURE OF CONTRACTOR

Contract Labour (Regulation & Abolition) Act 1970 & Rules 1975 and Inter-State Migrant Workmen (Regulation of Employment and Conditions of Service) Act, 1979 & Rules 1983.

1. The Contractor who takes up works contract for TANGEDCO /TANTRANSCO should deploy sufficient number of workmen for the work and the contractor should deploy 20 or more workmen on a day of emergency (or) in necessity.
2. The Contractors should comply with all the provisions of the Contract Labour (Regulation & Abolition) Act, 1970 and Tamilnadu Contract Labour (Regulation & Abolition) Rules 1975 as modified from time to time and shall also indemnify TANGEDCO/TANTRANSCO from all and against any claims under the aforesaid Act and the Rules. The contractors should also submit the copy of the labour license before executing the works.
3. The Contractors who desires to engage the migrant workmen (workmen from other states) for the works contracts of TANGEDCO/TANTRANSCO is required to comply with all the provisions of the Inter-State Migrant Workmen (Regulation of Employment and Conditions of Service) Act, 1979 and Tamilnadu rules, 1983 as modified from time to time and shall also indemnify TANGEDCO/TANTRANSCO from all and against any claims under the aforesaid Act and the Rules. The contractors should also submit the copy of the migrant labour license before executing the works.
4. Notice of commencement: The Contractor shall, within SEVEN days of commencement of the work, furnish in writing to the Inspecting Officer of the area concerned the following information:
 - i) Name and situation of the work.
 - ii) Contractor's name and address
 - iii) Particulars of the Department for which the work is undertaken,
 - iv) Name and address of sub-contractors as and when they are appointed.
 - v) Commencement and probable duration of the work.
 - vi) Number of workers employed and likely to be employed.
 - vii) 'Fair wages' for different categories of workers.
 - viii) Number of hours of work which shall constitute a normal working day:-
 - ix) The number of hours which shall constitute a normal working day for an adult shall be NINE hours. The working day of an adult worker shall be so arranged that inclusive of intervals, if any, for rest it shall not spread over more than twelve hours on any day, when an adult worker is made to work for more than NINE hours on any day or for more than FORTY EIGHT hours in any week he shall, in respect of overtime work, be paid wages at double the ordinary rate of wages.
5. Weekly day of rest : Every worker shall be given a weekly day of rest which shall be fixed and notified at least TEN days in advance. A worker shall not be required or allowed to work on the weekly rest day unless he has or will have a substituted rest day, on one of the five days immediately before or after the rest day. Provided that no substitution shall be made which will result in the worker working for more than ten days consecutively without a rest day for a whole day.
 - i) Where in accordance with the foregoing provisions a worker works on the rest day and has been given a substituted rest day he shall be paid wages for the work done on the weekly rest day at the overtime rate of wages.
 - ii) Note: The expression 'ordinary rate of wages' means the fair wage the worker is entitled to

- iii) Display of notice regarding Wages, Weekly Day of Rest etc. The Contractor shall before he commences his work on contract, display and correctly maintain and continue to display and correctly maintain in a clean and legible condition in conspicuous places on the works, notice in English and in the local Indian Language, spoken by majority of workers, giving the rate of fair wages, the hours of work for which such wages are payable, the weekly rest days workers are entitled to and name and address of the Inspecting Officer. The Contractor shall send a copy each of such notices to the Inspecting Officers.
6. Register of Workmen: A register of workmen shall be maintained in the Form appended to these regulations and kept at the work site or as near to it as possible, and the relevant particulars of every workman shall be entered therein within THREE days of his employment
7. Employment Card: The contractor shall issue an employment card in the Form appended to these regulations to each worker on the day of work or entry into his employment. If a worker already has any such card with him issued by the previous employer, the contractor shall merely endorse that Employment Card with relevant entries. On termination of employment the Employment Card shall again be endorsed by the Contractor and returned to the worker.
8. Register of Wages etc.: A Register of Wages-Cum-Muster Roll in the Form appended to these regulations shall be maintained and kept at the work site or as near to it as possible
9. Fines and deductions: Wages of a worker shall be paid to him without any deductions of any kind except the deduction for damage to or loss of goods expressly entrusted to the employed person for custody, or for loss of money which he is required to account for, where such damage or loss is directly attributable to his neglect or default;
- No fine shall be imposed on a worker and no deductions for damage or loss shall be made from his wages until the worker has been given an opportunity of showing cause against such fines or deductions.
 - The Contractor shall maintain a register of fines and the register of deductions for damage or loss in the Forms appended to these regulations which should be kept at the place of work.
- 10 Register of Accidents : The Contractor shall maintain a register of accidents in such form as may be convenient at the work place but the same shall include the following particulars
- a) Full particulars of the labourers who met with accident.
 - b) Rate of Wages.
 - c) Sex.
 - d) Age.
 - e) EPF UAN number
 - f) ESI number
 - g) Aadhaar number
 - h) Nature of accident and cause of accident.
 - i) Time and date of accident.
 - j) Date and time when admitted in hospital

- k) Date of discharge from the hospital
- l) Period of treatment and result of treatment.
- m) Percentage of loss of earning capacity and disability as assessed by Medical Officer.
- n) Claim required to be paid under Workmen's compensation Act.
- o) Date of payment of compensation.
- p) Amount paid with details of the person to whom the same was paid.
- q) Authority by whom the compensation was assessed
- r) Remarks

[Note: k,l,m,n for the workmen not covered under the ESI provisions]

- 11 Preservation of Registers: The Register of workmen and the Register of Wages-cum-Muster Roll required to be maintained under these Regulations shall be preserved for 3 years after the date on which the last entry is made therein
- 12 Enforcement: The Inspecting Officer shall either on his own motion or on a complaint received by him carry out investigations, and send a report to the Engineer-in-Charge specifying the amounts representing Workers' dues and amount of penalty to be imposed on the Contractor for breach of these Regulations, that have to be recovered from the Contractor, indicating full details of the recoveries proposed and the reasons there for. It shall be obligatory on the part of the Engineer-in- Charge on receipt of such a report to deduct such amounts from payments due to the Contractor.
- 13 Disposal of amounts recovered from the Contractor: The Engineer-in- Charge shall arrange payment to workers concerned within FORTY FIVE days from receipt of a report from the Inspecting Officer except in cases where the Contractor had made an appeal under Regulation 16 of these Regulations. In cases where there is an appeal, payment of workers dues would be arranged by the Engineer-in-Charge, wherever such payments arise, within THIRTY days from the date of receipt of the decision of the competent authority.
- 14 Welfare Fund: All moneys that are recovered by the Engineer In- Charge by way of workers dues which could not be disbursed to workers within the time limit prescribed above, due to reasons such as whereabouts of workers not being known, death of a worker etc. and also amounts recovered as penalty, shall be credited to a Fund to be kept under the custody of the Corporation for such benefit and welfare of workmen employed by Contractors.
- 15 Appeal against decision of Inspecting Officer : Any person aggrieved by a decision of the Inspecting Officer may appeal against such decision to the competent authority concerned within THIRTY days time stipulated from the date of the decision, forwarding simultaneously a copy of his appeal to the Engineer-in-Charge. The decision of the competent authority shall be final and binding upon the Contractor and the workmen.
- 16 Inspection of Books and other Documents : The Contractor shall allow inspection of the Registers and other documents prescribed under these Regulations by Inspecting Officers and the Engineer-in- Charge or his authorized representative at any time and by the worker or his agent on receipt of due notice at a convenient time
- 17 Interpretation, etc.: On any question as to the application interpretation or effect of these Regulations, the decision of the Commissioner of Labour (or) Director/ Industrial Safety and Health shall be final and binding
- 18 Amendments: Government may, from time to time, add to or amend these Regulations and issue such directions as it may consider necessary for the proper implementation of these

Regulations or for the purpose of removing any difficulty which may arise in the administration thereof.

19 The contractors should maintain the following records as per section 78 of Contract Labour (Regulation & Abolition) central rules 1971.

i) Muster Roll in Form – XVI

ii) Register of Wages in Form – XVII

iii) Register of overtime in Form – XVIII

iv) The contractor shall issue an photo identity card to his employees

20. Wages:-

- a. The Wages prescribed for the contractor/ industry/establishment as per rates of Minimum Wages notified by the Government of Tamil Nadu under the Minimum Wages Act, 1948 or the current PWD rates of wages, whichever is higher is to be paid by the contractor to their employees.
- b. The contractor should pay the wages before the expiry of seventh day as per section 65 and shall issue wage slip in Form – XXVIII to the workmen as per section 78(b) of The Tamil Nadu Contract Labour Rules, 1973. The copies of the wage slip so issued to the workmen should be maintained by the contractor and produced as when called for.
