TAMIL NADU HOUSING BOARD
TENDER NOTICE No. 03/ 2021-2022

Office of the Superintending Engineer, Salem Circle, Tamil Nadu Housing Board

Tenders will be received by the Superintending Engineer/ TNHB, Salem Circle, at his Office at Cowly Brown road, R.S.Puram, Coimbatore.2 upto **11.00 A.M. on 20.04.2022** for the work of **Engaging Essential Services to 1848 MSB TNGRHS flats at Kavundampalayam , Coimbatore District for the year 2022-23 from June 2022 to March 2023.**

1. The Tender should be in the prescribed form obtainable from Office of the Superintending Engineer, Salem Circle at Coimbatore, Tamil Nadu Housing Board. The tenders will be opened by the Superintending Engineer, Salem Circle at Coimbatore , Tamil Nadu Housing Board or his delegate at the place on the date afore mentioned. The tenderers or their agents are expected to present at the time of opening of tenders. The Tender receiving officer will on opening each tender prepare a statement of the attested and unattested corrections therein and hand it over to the tenderers concerned and initial all such corrections in the presence of the tenderer. If any of the tenderers or their agents finds it inconvenient to be present at the time, then, in such case the tender Receiving Officer will on opening the tender of the absentee tenderer make out a statement of the unattested corrections and communicate it to him. The absentee tenderer shall then accept the statement of corrections without any question whatsoever.

2. Tenders must be submitted in sealed covers and should be addressed to the Superintending Engineer, Salem Circle at Coimbatore , Tamil Nadu Housing Board with the name of the tenderer and the name of the work being noted on the cover.

If the tender is made by an individual it shall be signed with his full name and his address shall be given. If it is made by a member of the firm, it shall be signed with the co-partnership name by a member of the firm who shall also sign his own name, and the name address of each member of the firm shall be given. If the tender is made by a corporation, it shall be signed by duly authorised officer, who shall produce with his tender, satisfactory evidence of his authorisation. Such tendering corporations may be required before the contract is executed, to furnish evidence of its corporate existence.

3. Each tenderer must also send a certificate of Income Tax from the appropriate income tax Authority in the form prescribed therefore. This certificate will be valid for one year from the date of issue for all tenders submitted during the period.

In the case of proprietary and partnership firm it will be necessary to produce the certificate aforementioned for the proprietors and for each of the partners as the case may be.

If the tenderer is a registered contractor and if a certificate for the current year had already been produced by him during the calender year in which the tender is made it will be sufficient if particulars regarding the previous occasion on which the said certificate was produced are given.

All tenders received without certificate as aforementioned will be summarily rejected.

4. ** Each Tenderer must pay as earnest money, a sum of **₹ 1,02,200/- (Rupees One Lakh Two Thousand and Two Hundred Only)** favour of **Executive Engineer, Special Project Division III at Coimbatore, TNHB**, enclose with this tender the challan in original. This earnest money **will** be refunded to the unsuccessful tenderer on application after intimation is sent of rejection of the tender or at the expiration of 90 days from the date of tender, whichever is earlier. The earnest money will not be received in cash, cheque or Bank Guarantee. Tenders accompanied by cheque, cash or bank guarantee will be summarily rejected.

The earnest money will be retained in the case of the successful tendering and will not

Contractor

Superintending Engineer.

carry any interest it will be dealt with as provided for in the tender.

- name of work
 - Alternatively the earnest money deposit to the required value will be accepted in any one of these forms.
- i) The Deposit being in the form of electronic mode of payment or in the form of demand draft or banker's cheque or specified small savings instruments or where the procuring entity deems fit, irrevocable bank guarantee in an approved form in favour of the **Executive Engineer, Special Project Division III at Coimbatore, Tamil Nadu Housing Board, Coimbatore - 641 002, payable at Coimbatore.**
 5. When a tender is to be accepted, the tenderer who is under consideration shall attend the office before the end of the period specified by written intimation to him. If the tenderer fails to attend the office before the end of the period specified, his tender will not be considered. He shall forthwith upon intimation being given to him of acceptance of his tender make a security deposit, it will be in formed to the successful tenderer on acceptance of tender and sign agreement in the proper departmental form for the due fulfillment of the contract. This security deposit together with the earnest money and the amount with held according to Clause 68 of the Standard Preliminary Specification of the Tamil nadu Detailed Standard Specifications shall be retained as Security for the due fulfillment of his contract. Failure to enter into the required agreement or to the make the Security deposit as defined in this paragraph shall entail forfeiture of the earnest money. The written agreement to be entered into between the contractor and the Superintending Engineer shall be foundation of the rights of the both the parties and the contract shall not be deemed to be complete until the agreement has first been signed by the contractor and then by proper officer authorised to enter into contracts on behalf of the Housing Board.
 6. The tenderer shall examine clearly the TNBP and General Condition of and sign the copy of the TNBP and its addenda volume in token of such study before submitting his tender unit rates which shall be for finished work in site. He shall also carefully study the drawings and additional specifications and all the documents which form part of the agreement to be entered into by the accepted tender. The Tamil Nadu Building Practice and other documents connected with the contract such as specifications plans descriptive specifications sheet regarding materials etc., can be seen at any time between 11.00 a.m. and 5.00 p.m. on office of the Superintending Engineer aforementioned.

*A copy of the set of contract documents can also be had on payment of **₹ 15,750/ (including 5%GST (Rupees fifteen Thousand seven hundred and fifty only including + 5% GST)** for each set which will not be refunded on any account. Demand Draft drawn in favour of **the Executive Engineer, Special Project Division III at Coimbatore, TNHB payable at Coimbatore.** The tenderer's attention is directed to the requirement for materials under the clause "Materials and workmanship" in the Preliminary. Materials confirming to the Indian Standards Specifications shall be used on the work and the tenderer shall quote his rates accordingly.
 7. The tenderer's attention is directed to the requirement for materials under the clause "Materials and workmanship" in the Preliminary. Materials confirming to the Indian Standards Specifications shall be used on the work and the tenderer shall quote his rates accordingly.
 8. Every tenderer is expected, before quoting his rates to inspect the site of the proposed work. He should also inspect quarries, and satisfy himself about the quality and availability of materials. In every case the materials must comply with the relevant standard specification. Samples of materials as called for the standard specifications or in this tender notice or as required by the Executive Engineer in any case, shall be submitted for the Executive Engineer's approval before the supply to site of work is begun.

Contractor

No.of. Corrections

Superintending Engineer.

The Tamil Nadu Housing Board will not, however, after acceptance of a contract rate pay any extra charges for load or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the contractor is directed to the “Preliminary Specification” regarding payment of seigniorage tools etc.

9. The Tender’s particular attention is drawn to sections and clause in the Standard “Preliminary Specification” dealing with.

1. Test, Inspection and rejection of defective materials and work.
2. Carriage
3. Construction plant;
4. Water and Lighting
5. Cleaning up during progress and for delivery;
6. Accidents;
7. Delays;
8. Particulars of payment;

* To be struck out if such copies are not be issued for sale.

The contractor should closely peruse all the specification clause which govern the rate which he is tendering.

10. A Schedule of quantities accompanies this tender notice. It shall be definitely understood that the Superintending Engineer, aforementioned does not accept any responsibility for the correctness or completeness, of this schedule and that this schedule is liable to alterations by omissions, deductions or additions at the discretion of the Executive Engineer, Tamil Nadu Housing Board or as set forth in the conditions of contract. The tenderer will however base his lumpsum tender on this schedule of quantities. He should quote specific rates for each item in the Schedule and the rates should be in Rupees and Paise. The rates should be written both in words and figures and the units in words. The tenderer should also show the totals of each item and the grand total of the whole contract. The schedule “A” accompanying the lumpsum tender shall be written legibly and free from the erasures, overwritings of conversions of figures, corrections, where unavoidable should be made by crossing out, initialling dating and rewriting.

11. Tenders offering a percentage deduction from or increase on the estimate amount and those not submitted in proper form or in due time will be rejected. Rates or lumpsum amounts for items not called for shall not be included in the tender. No alteration which is made by tenderer in the contract from the conditions of contract, the drawings, specification, and quantities accompanying same will be recognized and if any, such alterations are made the tender will be avoided.

12. The tenderer should work out his own rates without reference being made to the Tamil Nadu Housing Board current schedule of rates or to the estimate rates which are not open for inspection by tenderers.

13. The attention of the tenderers is directed to the contract requirements as to time of beginning work, the rate of progress and the dates for the completion of the whole work and its several parts, the following rate of progress and of proportionate value of work done from time to time. As will be indicated by the

Contractor

No.of. Corrections

Superintending Engineer.

Executive Engineer's certificates of the value of work done will be required. Date of commencement of this programme will be the date on which the site (for premises) is handed over to the contractor.

Period after date of commencement (Based on contract lump-sum amount)	Percentage of work completed
--	------------------------------

Period from 01.06.2022 to 31.03.2023 -100% of the works has to be completed.

Note : The period to be entered in Column (1) for the purpose of defining the rate of progress may be fixed by Executive Engineer to suit each case.

14. No parts of the contract shall be subject without written permission of the Superintending Engineer, not shall transfer be made by power of attorney authorised to receive payment on the contractor's behalf.
15. If further necessary information is required, the Superintending Engineer of the Tamil Nadu Housing Board will furnish such but it must be clearly understood that tenders must be received in order, and according to instructions.
16. The Superintending Engineer or other sanctioning authority reserves the right to reject any tenders without assigning any reason therefore.
17. Preference in the selections from among the tenders will be given. Other things equal, to those who are themselves professionally qualified or who undertake to employ qualified men at their cost to look after the work. The tenderers should therefore state in clear terms whether they are professionally qualified or whether they undertake to employ technical staff and if so to give their professional qualifications or of the staff to be employed. In case the selected tenderer is one who has undertaken to employ technical staff under him he should see that one of the staff is always at site of the work during hours personally checking all items of work and paying extra attention to such works as may demand special attention e.g., reinforced concrete works etc.,
18. A tenderer submitting a quotation which the tender accepting authority considers excessive and / or indicate of the insufficient knowledge of current prices or definite attempt at profiteering will tenderer himself liable to be debarred permanently from tendering or for such period as the tender accepting authority may decide.
19. The fact of submitting the tender implies that the tenderers actually inspected the site of works and have examined before tendering the nature and extend of various kinds of soil at various depth and have based their tenders on such examination by them and no future representation in this regard will be consideration.
20. A statement giving brief particulars of equipment and resources that will be put at the disposal of the work under the following classifications should accompany the tender.
 - a) Equipment (Transport for materials viz., lorries and carts, concrete mixers)
 - b) Organization (i) technical and (ii) unskilled.
 - c) Resources in materials like teakwood, steel, etc., and extent to which departmental help is not required for procurement of materials and transport of the same.
 - d) Methods that will be adopted up the work to ensure completion within or less than the time fixed for completion.
21. The Superintending Engineer, reserves to himself the right of allotting the different sub-works to different contractors or to one and the same contractor as he may decide after the receipt of tenders.
22. The Contractors are liable to pay a penalty of not exceeding one percent of the estimated value of work for non employment of the technical staff if the value exceeding Rs. 50,000/-
23. The cost of materials supplied will be recovered from the bills or any other amounts due to the contractor.
