Whether the requisite Earnest Money Deposit has been remitted to the required value and in the manner prescribed whether the documents have been properly signed/attested and ascertain whether the bids are generally in order. During the opening of bids, the Executive Engineer will announce the

CONTRACTOR / FIRM

Sd/--
EXECUTIVE ENGINEER / TWAD

names of the bidders, written notification of bid modifications if any, the compliance with reference to the remittance of Earnest Money Deposit and such other details as the Employer may consider appropriate.

18. Clarification of Bids:

For any clarifications in the bid and for negotiations the bidder shall attend the office of the **Executive Engineer, TWAD Board, Project Formulation Division, Trichy** whenever he is called upon to do so.

19. Responsiveness of the Bids:

The bids shall be treated as substantively responsive based on the satisfaction of the required capacity, capability and financial resources. For this purpose, the bid should conform to all terms, conditions and specification of the bidding documents without deviation or reservation. The Executive Engineer reserves the right to determine and evaluate the bids with regard to their response substantively. If a bid in the opinion of the Executive Engineer is found to be substantially not responsive, the Executive Engineer reserves the right to reject that bid and may not subsequently be made responsive by the bidder by carrying out corrections or withdrawal of the non/conforming deviation or reservation. However, the decision of the employer shall be final and binding in all these matters.

20. Evaluation and comparison of Bids:

The Executive Engineer will evaluate and compare only the bids which are determined to be substantively responsive with reference to the requirements and parameters fixed for qualification. The Executive Engineer in addition to the prices offered by the bidders in the price bid, will take into account the arithmetic errors corrected as defined in clause 18 above.

21. Right to accept or reject the Bids:

The Executive Engineer reserves the right to accept or reject any or all the bids without assigning any reasons therefore. Under such circumstances, the Executive Engineer will neither be under any obligation to inform the bidder or the bidders of the grounds for the action of the Executive Engineer nor will be responsible for any liability incurred by the bidder on this account.

22. Notification of Award:

The Engineer will promptly inform the successful bidder of the award of the contract before the expiry of the validity period and in the case of extended periods, before the expiry of the extended periods. The award of contract will be in Writing and in the event of award of contract being informed through cable, the same shall be confirmed through a written

CONTRACTOR / FIRM

Sd/--
EXECUTIVE ENGINEER / TWAD

communication by the Executive Engineer. The award of contract shall be in the form of work order and shall bear the details of prices at which the Executive Engineer has accepted the works to be executed. The notification of the award will constitute the formation of the contract.

However the supplier/contractor shall sublet any portion of the contract only with the written consent of the Engineer in charge it should be clearly understood that any subletting shall in way absolve the supplier/contractor of its/his responsibilities and obligations under this contract .

14. PROGRAMME SCHEDULE/RATE OF PROGRESS/ MILE STONE:

The above criteria should be taken into account and the project completion period component wise and for the project as a whole should be fixed accordingly by the Technical Committee at the regional or head office level as the case may be. At the time of placing the detailed estimate of the project for obtaining on administrative approval it should be accompanied by detailed programme schedule component wise. This programme schedule should be followed at the time of calling tenders and clearly specified in the tender schedule without omission.

15. Penalty for Slow progress

If the contractor fails to maintain the rate of progress of the work as stipulated in Schedule C, the Engineer shall have the power to impose as penalty of such amount as he may deem fit for every day that the work remains uncommenced or unfinished. However total amount of penalty imposed during the stipulated period of completion of the work shall not exceed 5% of the contract value.

CONTRACTOR / FIRM

Sd/--
EXECUTIVE ENGINEER / TWAD

The programme schedule drawn for the project entrusted on turnkey basis should be kept up by the firm / contractor without any slippage. The Executive Engineer concerned shall monitor properly the execution of the work with reference to the programme schedule stipulated. The Executive Engineer, on identification of any defective construction or any slippage on the programme schedule in any of the components, shall issue a show cause notice either by RPAD or through personal service to the firm / Contractor for rectification of the defective construction / slippage in the programme schedule, giving 15 days time for furnishing the reasons there for by the firm / contractor, in cases, where the reasons adduced by the firm/contractor are not convincing, the penalty, contemplated in the agreement conditions shall be invoked.

If the delay is due to reasons beyond the control of the Contractor, penalty need not be levied. The penalty levied on the firm / Contractor is however subject to modification at the discretion of the next higher authority for valid reasons which are to be recorded.

16. LEVYING OF PENALTY

The programme schedule drawn for the project entrusted on turnkey basis should be kept up by the supplier/contractor without any slippage. The Executive Engineer concerned shall monitor properly the execution of the work with reference to the programme schedule stipulated. The Executive Engineer on identification of any defective construction or any slippage in the programme schedule in any of the component shall issue a show cause notice either by RPAD or through personal service to the supplier/contractor for rectification of the defective construction /slippage in the programme schedule giving 15 days time for furnishing the reasons by the supplier/contractor. In cases where the reasons adduced by the supplier/contractor are not convincing, the penalty contemplated in the agreement conditions shall be invoked.

17. Liquidated Damages.

If the Contractor fails to complete the work or part there of within the stipulated completion period, he shall be liable to pay liquidated damages at Rs. 500/- per day of delay for each incomplete part till the date of completion and handing over to the department amount of liquidated damages shall however be restricted to a maximum of 5% of the contract value. This is without prejudice to the right of the Engineer to terminate the contract treating time as essence of contract.

CONTRACTOR / FIRM

Sd/--
EXECUTIVE ENGINEER / TWAD

For imposing liquidated damages, detailed show cause notice shall be serviced on the defaulting firm / contractor either by RPAD or through personal service. The first notice shall be served allowing 15 days time to the firm/contractor for furnishing the reply by them. On expiry of 15 days time from the date of first notice, the second notice shall be served allowing 7 days of time to the firm / contractor for furnishing the reply by them. On expiry of 7 days time from the date of second notice, the third notice shall be served allowing 3 days of time to the firm / contractor for furnishing the reply by them. On receipt of the reply, it shall be verified by the Engineer and liquidated damages clause shall be issuing an explicit speaking order to the firm/contractor. Similarly, the non receipt of any reply from the firm/contractor shall attract imposition of the liquidated damages clause automatically and in this case also, the liquidated damages shall be imposed by issuing an explicit speaking order to the firm/contractor.

18. EXECUTION OF WORK BY THE CONTRACTOR

The contractor shall execute the whole and every part of the work in the most substantial and workman like manner & both as regards materials and every other respect in strict accordance with specification. The contractor shall also conform exactly fully and faithfully to the designs, drawing and instructions in writing relating to the work signed by the Engineer (in charge) And completion of the entire work as per the specifications, drawing, terms and conditions of the contract and to the satisfaction of the Engineer (in charge), the contractor shall obtain the completion certificate from the Executive Engineer

19. ALTERATION TO SPECIFICATION AND DESIGN

The Engineer (in charge) shall have the power to make any alteration or additions to the original specification, drawing, design and instruction that may appear to him to be necessary during the progress of work and the Contractor shall bound to carry out the work in accordance with the instruction in this connection which may be given to him in writing signed by the Engineer (in charge) and such alteration shall not invalidate the contract and such works shall be carried out by the contractor on the same condition in all respect on which he agreed to do the main work. The rates for such additional works will be fixed by the Executive Engineer as per rules in force.

20. CONTRACTOR LIABILITY

During the period of 12 months from the date of completion as certified by the Executive Engineer the said work is found to be defective in any manner whatsoever, the contractor shall forthwith on receipt of notice in that behalf from the Executive Engineer duly commence execution and completely carry out at his cost in every respect all the work that may be necessary for rectifying and setting right the defect specified therein strictly in accordance and in the manner prescribed and under the supervision of the Engineering(in charge) In the event of the contractor failing or neglecting to carry out the rectification work within the period prescribed there for, in the said

CONTRACTOR / FIRM

Sd/--
EXECUTIVE ENGINEER / TWAD

notice, the Engineer in charge will get in the same executed and carried out departmentally or by any other agencies at the risk and cost of the contractor. The contractor shall forthwith on demand, pay to the Board the amount of such costs, charges and expenses sustained or incurred by the Board of which the certificate of the Executive Engineer shall be final and binding on the contractor. If the contractor fail to pay the same on demand, the Board shall be entitled to deduct the same from any amount which may then be payable or become payable by the Board to the contractor, either in respect the said work or any other work whatsoever or from the amount of security deposit.

21. CONTRACTS TO BE COMPLETED:

It must be clearly understood that only complete tenders for the supply and delivery at site, erection and testing will be considered. Incomplete tenders offering only part of the plants and equipments/spare will not be considered. The entire equipment shall be supplied delivery erected and complete in every aspect with all fittings etc. Inclusive of all minor accessories form part and parcel of equipment/spare through part of this tender documents. The contractor will be considered complete only when the appendices attached thereto are duly filled in and enclose with the tender.

22. INCOME TAX

During the course of the contract period, deduction of income tax shall be made at the prevailing rates from every payment as may be specified by the Income Tax Department.

23. WITHHELD AMOUNT IN RUNNING BILLS

In addition to the initial security, an amount of 5% of the total value of each bill will be recovered as additional security deposit. The security deposit less any amount due to the Board and 2 1/2% out of the withheld amount shall be released in final bill which shall be prepared after the works are completed in all respect and after completion of the maintenance period.

24. PAYMENTS AND RETENTION

(a). In respect of pipe laying works and for work where water tightness and soundness are not watched for more than 6 months, payments will be made to the contractor under the certificates to be issued at reasonably frequent intervals by the Engineer of a sum equal to 95% of the value of the finished work done by the Contractor as so certified and the balance of 5% will be withheld and retained as security for the due fulfillment of the contract. Under the certificate to be issued by the Engineer on the completion of entire work, the contractor will receive the final payment of all the money due or payable to him under or by value of contract except performance security and the retention amount equal to 2 1/2% of the total value of work done provided there is no recovery from or forfeiture by the contractor to be made. The amount withheld from the final bill will be retained under 'Deposits' and paid to the Contractor together with security deposit after six months reckoned from the date of completion of work or as soon after the expiration of such period of six months as

CONTRACTOR / FIRM

Sd/--
EXECUTIVE ENGINEER / TWAD

all defects shall have been made good according to true intent and meaning hereof whichever shall last happen. In the event the final bill remains unpaid even after the period of six months aforesaid the Engineer shall refund the security deposit and also the withheld amount on a separate bill if requested for by the Contractor in writing. No certificate of Engineer shall be considered conclusive evidence as to the sufficiency of any work or materials or correctness of measurements to which it relates nor shall it relieve the Contractor from his liability to make good defects as provided by the contract. The contractor when applying for a certificate shall prepare a sufficient detailed bill based on the original figures of quantities and rates in the contract schedule to the satisfaction of the Engineer to enable the Engineer to check the claims and issue the certificate. The certificate as to such of the claims mentioned in the application as are allowed by the Engineer shall be issued within (14) fourteen days of the application. No application for a certificate shall be made within (14) fourteen days of a previous application. The amount to be withheld in each bill is 5%.

(b) In respect of building works, RCC reservoir and other works where tightness and soundness are to be watched for more than 6 months notwithstanding above clause, the retention amount of 2 1/2% from the final bill in respect of contract for original construction or original building works, Construction of RCC reservoir work etc. will be retained by the Engineer and paid to the Contractor after a period of 24 months of satisfactory performance of entire civil works, or soon after the expiry of such period of 24 months as all defects shall have been made good according to the true intent and meaning hereof whichever shall be later and on production of an indemnity bond for the above amount for a further period of three years beyond the above said two years to insure structural stability.

(c) In addition to the withheld amount, 40% of the amount of each bill of the contract shall be deducted and will be retained till the date of receipt of certificate water tightness from the Executive Engineer, TWAD Board. The whole of the above sum together with any recovery from the payments already made to the contractor as may be assessed by the Executive Engineer shall be forfeited to the Executive Engineer if the RCC reservoir develops structural defects or leaks. The above recovery shall be exclusive of the amount deposited towards security deposit. The fact of carrying out water tightness test should be recorded in M.Book. The last part bill should be passed only after above certificate is issued. Further, the certificate of structural soundness is to be issued by the Executive Engineer after 6 months from the date of water tightness certificate for settlement of final bill. However the Contractor shall be permitted to execute an indemnity bond in lieu of the recovery of 40% in each bill in prescribed form in stamp paper for a value of Rs.22.50 towards water tightness and structural stability of the reservoir/water retaining structure. The period of guarantee required by the contract shall be two years from the date of completion and handing over (with filling of water upto maximum water level in the case of service reservoir/OHT). If defects are noticed within the stipulated period of 24 months of satisfactory performance, the defects should be rectified by the Contractor at his own cost and the performance period again shall be reckoned from the date

CONTRACTOR / FIRM

Sd/--
EXECUTIVE ENGINEER / TWAD

of completion of the rectification of defects by the Contractor. In the case of service reservoir/over head tanks and other water retaining structures during this period, structure under full working head of water shall show no sign of leakage. The test for water tightness should be arranged to be carried out and completed within 30 days from the date of intimation by the Engineer. The testing of the service reservoir/OHT and other water retaining structures should be done by the Contractor at his own cost inclusive of all necessary equipment water etc. complete. The tenderer shall be solely responsible for the accuracy of the design and the details of the structure. The test for water tightness of the structure as well as materials of construction used shall be conducted in conformity with the standard specification as per I.S.3370 (Part I) 1965 as amended from time to time and the other specifications as mentioned in the technical specifications schedule.

d) Income tax shall be deducted at two (2) percent of the gross amount of each bill or at the ruling rates fixed by the Government of India from time to time.

e) In the event of the death or insanity or insolvency or imprisonment of the Contractor or where the Contractor being a partnership firm becomes dissolved or being a Corporation goes into liquidation voluntary or otherwise the contractor may at the option of the Engineer be terminated by notice in writing posted at the site of the works and all accepted and acceptable works shall forthwith be measured up and paid for at the rates provided in the contract schedule where such apply or otherwise, by the most recent schedule of rate approved by the competent authority to the person or person entitled to receive and give a discharge for the payment.

25. RECOVERY OF MONEY PAYABLE TO THE TWAD BOARD

All losses, costs, damages and expenses and other money payable to the Engineer (Board) by the Contractor under any stipulation in the contract, may be retained out of any money due or which may subsequently become due from the Board to the contractor under any contract or otherwise howsoever and in case such money then due or to become due to the contractor by the Board shall be insufficient to pay such losses, costs, damages, and other money payable to the TWAD Board by the contractor. It shall be lawful for the Engineer without any further consent on the part of the contractor, to sell or dispose of any or all the Government promissory notes for the securities deposited in the Board by the contractor as aforesaid and with and out of the proceeds of such sale, after payment of all expenses connected therewith or reimburse and pay to the Board all such losses, cost, damages and expenses and other money payable to the contractor, and in case such proceeds of sale of the said Government promissory notes or securities shall be insufficient for such purpose then and in that case it shall be lawful for the Board to recover the residue thereof if necessary by legal proceedings and or by resorting to revenue recovery act against the contractor.

26. FORECLOSURE OF WORKS

After the award of contract, if at any time the Engineer for any reason whatsoever does not require the whole or any part of the works to be carried out, shall give notice to this effect tot

CONTRACTOR / FIRM

Sd/--
EXECUTIVE ENGINEER / TWAD

he contractor. The contractor shall not have any claim towards compensation or whatsoever, on account of any profit or advantage which he might have derived from the execution of such works.

27. RISK INSURANCE

The contractor may take risk insurance at his cost against loss or damages to the construction against unprecedented floods and other acts of God. The contractor will not be eligible for any payment by the Board on this account.

28. FORFEITURE OF BID SECURITY (EMD)

The Bid Security shall be forfeited on the following grounds :

- ❖ In the case of bidder withdrawing or modifying his bid during the period of validity.
- ❖ in the case of a successful bidder failing to furnish the prescribed security deposit within the stipulated time
- ❖ In the case of a successful bidder failing to enter into agreement within the stipulated time
- ❖ In the case of the bidder severing the conditions after intimation of the acceptance of the bid.

29. RESERVATION OF RIGHT

The Employer reserves the right to accept or reject any or all the bids and to annul the entire process of bidding at any time. Under such circumstances, the Employer will neither be under any obligation to inform the bidders of the grounds for the action of the Employer nor will the Employer be responsible for any liability incurred by the bidder on this account.

30. PERFORMANCE GUARANTEE

The period of guarantee for the entire works will be from the date of completion and commissioning of the project to the satisfaction of the Engineer in charge of the Employer. This will include the maintenance of the entire project by the firm/contractor for a period of All the water retaining structure tight and defect shall be structurally should water tight and any defect shall be made good by the firm/contractor within 30 days of such intimation. If the contractor/firm fails to carry out rectification within the stipulated time, the rectification works shall be carried out by the Employer at the risk and cost of the contractor/firm and firm will become ineligible for the payment of the withheld amount for the said .

31. FORFEITURE OF PERFORMANCE SECURITY (SECURITY DEPOSIT)

In the case of the contractor after award of work, failing to carry out the work in accordance with the specifications, terms and conditions of the contract leading to termination of contract, the performance security deposit will be forfeited to the Board

CONTRACTOR / FIRM

Sd/--
EXECUTIVE ENGINEER / TWAD

32. JURISDICTION OF COURT

In the event of any dispute arising between parties hereto in respect of any of the matter comprised in this contract, the same shall be settled by a competent court having jurisdiction over the place where contract is awarded and agreement is concluded and by no other court.

33. GST – GOODS AND SERVICE TAXES

Based on that, the GST provision has not been provided by the TWAD Board to the pure service of maintenance of water supply and drainage works. Further Notification No. 12/2017 CT (R) was amended by notification No. 02/2018 CT(R) dated 25.01.2018 wherein a new entry S.No. AS was introduced exempting composite supply of Goods and Services to which the value of supply of goods constitutes not more than 25 percent of the value of the said composite supply provided to the Central Government , State Government or Union territory or social authority or a Government authority of a Government Entity by way or any activity in relation to any function entrusted to a Municipality under article 243W of the constitution. In effect from 25.01.2018 for composite contract , if the value of supply goods is not more than 25% exemption can be claimed: otherwise GST has to be discharged at the rate of 12%.

GST is not necessary for the works related only Labour charges and materials value is below 255 of Tender value and Estimate value.

Deduction of 2% TDS for the pure service provided for maintenance of water supply drainage works need or not. Constitution is exempt from payment of tax under the Tamil Nadu Goods and Services Tax Act, 2018. The Government of India in C.No. IV/16/90/2018-CCG. GST I, dated 13.02.2018, has also clarified that pure services provided by the contractors to TWAD Board for maintenance or water supply / drainage works is exempted.

34. FUND CONTRIBUTION FOR MANUAL WORKERS

Towards contribution of fund for the benefit of manual workers employed in the construction works an amount equivalent to one percent of total estimated cost of the construction work proposed will be paid by the employer direct to the respective Welfare Board as per G.O.Ms.No. 295/Labour and Employment (12) Dept./dt. 17.12.2013 subject to issue of amendments from time to time by the respective department of Government of Tamilnadu.

35. Boy employee should not allowed for mankind of works

36. EXEMPTION OF EXCISE DUTY

The concession availed by the contractor from payment of Excise duty exemption for materials pipes, machineries etc., should be passed on to TWAD Board.

37. CONTRACT WORKERS WELFARE FUND

As per G.O.Ms.No.80/Labour and Employment Department dated 5.6.1997 and G.O. Ms.No.95/dated 2.7.1997 an amount of 1.00% of contract value will be recovered for the works contract concluded and remitted directly to the Secretary, Tamilnadu Construction Welfare Board, Chennai.
