However the contractors not registered in Tamil Nadu Public Works Department should get themselves registered in Tamil Nadu Water Resources Department / Public Works Department under class – I of Rs. 75.00 Lakhs and above at the time of opening of **Pre-Qualification Tender**.

2.2. The Applicants in the same name and style should have been in the Civil Engineering Construction field at least for the Past " **Five** " Years. **The tenderer should be well established and reputed Civil Engineering Contractor, Registered as a Legal entity in India for a minimum period of Five (5) years and having experience of minimum of Five (5) years.**

2.3. The Applicants should have completed at least one 'Civil Engineering work of similar nature with value not less than **Rs.1030.00 Lakh (Rupees One Thousand and Thirty Lakh Only)** Including G.S.T under a single agreement as a prime contractor in any one of the preceding " **Five** " Years. [**Norms – 50 % of VPT Including G.S.T**]

2.4. Annual turnover of the Applicant should not be less than **Rs.4118.00 Lakh** including G.S.T amount (**Rupees Four Thousand One Hundred and Eighteen Lakh Only**) per year in any one of the preceding " **Five** " Years. [**Norms – VPT x 12 / POC x 1.50**]

Contractor

**Superintending Engineer, WRD,
Palar Basin Circle, Chennai – 5.**

2.5. The applicant should have executed in any one year, the following minimum quantities of works as noted as a prime contractor in the preceding **five years**

a. Earth work in both excavation [Embankment and filling combined Quantities]
[i.e., 80% Schedule Quantity] - Cu.m

b. PCC / RCC – **[i.e., 80% Schedule Quantity] - Cu.m**

2.6. Other minimum Criteria required are furnished in the Information and Instructions for Pre - Qualification.

3. DESCRIPTION OF THE PROJECT :-

The work of

Main Work :-

Providing Emergency Network of flood carrier channel between Ottiyambakkam Channel and Madurapakkam Drain to Pallikaranai Swamp in Semmenchery and Perumbakkam Area in Tambaram, Vandaloor, Sholinganallur Taluks of Chengalpattu & Chennai District.

Slice – A :- ‘Providing Emergency network of flood carrier Macro Drain from Madurapakkam Odai through DLF Campus road at L.S.0m to L.S.500 m in Vandaloor Taluk of Chengalpattu District

4. SCOPE AND STATUS OF THE WORK UNDER THIS TENDER :-

It is proposed to

Main Work :-

Providing Emergency Network of flood carrier channel between Ottiyambakkam Channel and Madurapakkam Drain to Pallikaranai Swamp in Semmenchery and Perumbakkam Area in Tambaram, Vandaloor, Sholinganallur Taluks of Chengalpattu & Chennai District.

Slice – A :- Providing Emergency network of flood carrier Macro Drain from Madurapakkam Odai through DLF Campus road at L.S.0m to L.S.500 m in Vandaloor Taluk of Chengalpattu District

The present proposal, muted out based on hydrological diagnosis of tank system based on the 2015 observed peak discharge, the topographical features of the residential colonies in the command area and the existing infrastructure of the tank. However, primary work in the proposal is to resection the existing surplus course of Ottiyambakkam Tank providing Cut & Cover and retaining wall along the both side of surplus course.

Contractor

**Superintending Engineer, WRD,
Palar Basin Circle, Chennai – 5.**

The missing links between Madurapakkam Odai, Ottiyambakkam Odai and Swamp Channel is proposed to interconnect with hassle-free Cut & Cover Macro Drain without any compromise in discharging Capacity. The missing hydraulic link between Ottiyambakkam Odai and Swamp Channel is planned to interconnect through Arasankalani Velanthangal Tank which acts as a flood detention storage during peak floods. Hence it is proposed the following work:-

- Providing Emergency Network of flood carrier Macro drain from Madurapakkam Odai through DLF Campus Road at L.S.0m to L.S.500m

5. PERIOD OF COMPLETION :-

The period of completion shall be **9 (Nine) months** (Calendar months), which is inclusive of monsoon period from the date of handing over of the site to the contractor.

6. EARNEST MONEY DEPOSIT :-

6.1. Earnest Money Deposit of **Rs.10,41,000.00 (Rupees Ten Lakh and Forty One Thousand Only)** must accompany the Pre-Qualification tender for this work.

6.2. The Earnest Money Deposit may be produced in any one of the following forms.

a. Demand Drafts / Bankers Cheque issued by Nationalised or Schedule Banks drawn in favour of the **Executive Engineer, WRD, Lower Palar Basin Division, Kancheepuram.**

b. Small Savings Scripts / Deposits / accounts / Kisan Vikas Patras / National Savings Certificates duly pledged in favour of the **Executive Engineer, WRD, Lower Palar Basin Division, Kancheepuram.**

c. Indira Vikas Patras (Face value).

d. Treasury chalan remitted into the Government **Executive Engineer, WRD, Lower Palar Basin Division, Kancheepuram** under the head of account "0701-80-800-AA-29001" 0701 Major and Medium Irrigation - 80 General - 800 Other Receipts - AA - 29001 Other Receipts to be credited to **The Executive Engineer, WRD, Lower Palar Basin Division, Kancheepuram**, G.S.T has to be remitted under the G.S.T Registration Number of **33CHEE04728D1D3.**

Note :- Bank guarantee will not be accepted towards Earnest Money Deposit at any cost.

6.3. Pre-Qualification Tender not accompanied with earnest money deposit will be rejected as Non – Responsive Tender.

Contractor

**Superintending Engineer, WRD,
Palar Basin Circle, Chennai – 5.**

9. OPENING OF PRE – QUALIFICATION TENDER AND PRICE TENDER :-

The Pre-Qualification Tender application will be opened by the Superintending Engineer, WRD., Palar Basin Circle, Chennai - 5 at **3.30 P.M** on **19.05.2022** in the presence of the tenderers or their authorised representatives who choose to be present. The Pre-Qualification Tender received will be evaluated on a Pass or Fail basis.

The Price Tender of the qualified Tenderers will be opened by the Superintending Engineer, WRD., Palar Basin Circle, Chennai - 5, in his chamber on intimation to the qualified Tenderers. The Price Tenders kept unopened along with the

Contractor

**Superintending Engineer, WRD,
Palar Basin Circle, Chennai – 5.**

Earnest Money Deposit will be returned either by post or in person immediately on its disqualification.

EVALUATION OF PRICE TENDER :-

10. VALIDITY OF PRICE TENDER :- The Tender shall be valid for a period of **90 (Ninety)** days from the date of opening of Tender.

11. NEGOTIATION :- “The Lowest tenderer will be identified who quotes lowest total tender price which including G.S.T. Negotiation of rates will be made only with the lowest tenderer for reducing the quoted rates and the negotiation will be made for the rates quoted to the items in the construction part alone and not for G.S.T amount”.

“After negotiation with lowest tenderer, the G.S.T amount will be recalculated at 12% of the sum of the Negotiated tender value (excluding G.S.T) for construction Cost specified in the BOQ, subject to G.S.T rate applicable from time to time as recommended by the G.S.T Council”.

12. RATES AND PRICES :-

12.1 Tenderer should quote rate and amount for each item of work and for full quantity excluding G.S.T. Grand total of the whole contract should be furnished without fail in the last page of schedule “A” of Price Tender excluding G.S.T and G.S.T amount should be quoted separately in the Tender Schedule – A. The total tender price will be the cumulative of value quoted for construction (Total Basic Value + G.S.T)

12.2. PRICE ADJUSTMENT CLAUSE - As per Go.Ms.No.60 / PW (G2) D / dated - 14.03.2008 & Go.Ms.No.101 / PW (G2) D / Dated - 10.06.2009

The Price Adjustment on the components of Cement, Steel, Bitumen, Petroleum, Oil and Lubricants (POL) shall be applicable to the works with contract period of **12 months and below** with all other conditions remaining the same as per Rule 14(8) of 2000 Tamil Nadu Transparency in Tender Rules.

Contract price (including G.S.T) shall be adjusted for increase or decrease in rates for Cement, Steel, Bitumen and Petroleum, Oil and Lubricants in accordance with the following principles and procedures and as per formula given in General Conditions of Contract and will be operated by the respective Executive Engineers.

Price adjustment will apply only when the fluctuations of rates exceed or decrease by 3 % or more compared to the estimate rates (RBI index price)

Contractor

**Superintending Engineer, WRD,
Palar Basin Circle, Chennai – 5.**

The Price adjustment shall be calculated only on the departmental estimate cost of the work (including G.S.T).

In respect of POL it may be considered on PASS through basis with payment of actual rates / price at the rates charged by IOC

All works for which price Escalation / Variation is contemplated must have milestones fixed in physical terms and have a pre-fixed time-line for use of inputs clearly indicating the nature and quantum of eligible inputs to be used for the work for the relevant period between two milestones. Price Escalation / Variation will be applicable for those quantities 'actually' used by the contractor including additional quantities, if any, used or achieved ahead of the time-line. However, if the contractor does a certain quantity of the work in the third quarter which ought to have been done in the earlier quarter, Price Variation / Escalation will still be applicable on that quantity at the rates as applicable in the relevant quarter as per time-line or period of actual use whichever is less.

The Price adjustment mechanism will cease to operate for value of work executed beyond the agreement period. But agreement period shall include the "actual period" for which the work was "suspended officially" and extension of time permitted for any valid reasons such as, war, natural calamities, like flood, earthquake and other risks arising out of acts of God during the agreement; work delayed due to the land acquisition process; change in design, change in scope of work, etc., which is given in writing by the Tender Calling Officer of the respective work.

Price Variation will be calculated as per the specified formula from the last date of submission of tender upto the end of agreement period provided, If the agreement is signed within the minimum specified time, failing which, the price variation will be applicable from the date of agreement only, based on the wholesale Price indexes of RBI. The quarter would be reckoned with reference to the quarter of the calendar year in which the last date on tender submission is fixed. In case of delayed agreement, the quarter in which the agreement is signed will be reckoned for the purpose of calculation of Price adjustments.

Contractor

**Superintending Engineer, WRD,
Palar Basin Circle, Chennai – 5.**

12.3. BONUS FOR ADVANCE COMPLETION OF WORK

Bonus as an incentive for advance completion of work is considered. If the work is completed in advance by not less than 10 % of agreement period can be considered and bonus for 1 % on the value of actual quantum of works executed (including G.S.T) at tendered date may be paid.

12.4. PENALTY CLAUSE

As per Clause 57, 57.1, 57.2, and 57.3 of General Conditions of Contract in Tamil Nadu Building Practice.

13. REFUND OF EMD TO THE UN SUCCESSFUL TENDERER :-

Communication to the unsuccessful tenderers will be sent in 7 days time from the date of communication sent to the successful tenderers. Refund of Earnest Money Deposit will be made, within 15 days from the date of receipt of refund voucher duly stamped and signed, from the unsuccessful tenderer.

14. FORFEITURE OF EMD :- If the tenderer withdraws his tender after the acceptance of tender or fails to pay the requisite security deposit amount within the specified period of time, the Earnest Money Deposit furnished with the tender will be forfeited.

15. SECURITY DEPOSIT :-

15.1 The successful tenderer shall furnish a security deposit for an amount equivalent to 2 % of the contract value (including G.S.T), which includes the earnest money deposit already paid within 15 days (Fifteen days) from the date of receipt of letter of acceptance. If the successful tenderer fails to execute the contract (sign the agreement) within the aforesaid 15 days time the Earnest Money Deposit furnished with the Pre-qualification tender will be forfeited.

15.2 The security deposit may be in any one form as detailed under Earnest Money Deposit in Pre - Qualification Tender notice. In addition the security deposit in the shape of irrevocable Bank guarantee will also be accepted. The Bank Guarantee in a form and by a Bank acceptable to the Superintending Engineer in amount and currencies as specified in letter of acceptance. The Bank Guarantee shall be valid until 28 days from the date of expiry of shrinkage period [Security deposit + additional security deposit for unbalanced tender]. All Bank Guarantee should be in favour of **Executive Engineer, WRD, Lower Palar Basin Division, Kancheepuram.**

Contractor

**Superintending Engineer, WRD,
Palar Basin Circle, Chennai – 5.**

Note :- Further details on Additional security deposit, Retention money, Shrinkage period, Refunds of security deposit and with held amount are available in the Price Tender schedule. Bank Guarantee will not be accepted towards Additional Security Deposit at any cost.

16. All financial commitments in INDIAN RUPEE and Nationalized Bank or Scheduled bank in India only accepted

17. WHOM TO CONTACT :-

iv). An attested photocopy of the Sales Tax verification certificate which is also issued by the competent State / Central government official of the Commercial Tax Department shall be produced for the period upto 30.06.2017.

v). Copy of G.S.T related documents after 01.07.2017 shall be produced.

E). The applicant should also furnish a comprehensive report containing the details of major Irrigation works and other civil works which the applicant undertook on contract basis, executed and completed in the preceding “ **Five** ” years from the date of tender. The report shall, inter alia, contain the details listed below.

1. Name of work
2. Value of work
3. Name of the Employer for whom the works were executed
4. Agreement number
5. Period of completion as stipulated in the agreement
6. Actual period of execution & date of completion
7. Reasons for delay, if any
8. Type and nature of the work
9. Value of work completed

Contractor

**Superintending Engineer, WRD,
Palar Basin Circle, Chennai – 5.**

EVIDENCE TO BE PRODUCED

i). List of major Irrigation works and other Civil Engineering Construction works completed in the past “ **Five** ” years with full and complete details as per schedule **D1 appended**. Necessary certificate issued by the Engineer – in – Charge (Not below the rank of Executive Engineer / equivalent officers) concerned on the satisfactory completion of the work should be furnished in support of the details furnished by the applicant. Details furnished without supporting certificates will not be considered.

F). The applicant shall have satisfactorily completed at least one individual Civil Engineering work of similar nature with value not less than **Rs.1030.00 Lakh (Rupees One Thousand and Thirty Lakh Only)** including G.S.T under a single agreement as a prime contractor in any one of the preceding “ **Five** ” years (@ **2022 - 23 price level**). Cost of completed works on previous years shall be given weightage of 5 % per year based on the Rupee value to bring them to **2022 - 23** price level.

EVIDENCE TO BE PRODUCED :-

i). In support of the statement in this regard, applicant shall produce a Certificate issued by the Engineer-in-Charge (Not below the rank of Executive Engineer / equivalent officers) of the work clearly showing the details as per schedule **D.2 appended** in addition to specific assessment on the quality of execution of work by the applicant.

1. Name of work
2. Location of the work (Town / Taluk / State)
3. Name / Designation of the Employer with full postal address
4. Value of work (As per agreement)
5. Agreement number
6. Stipulated period of contract as per agreement
7. Date of commencement of work
8. Date of actual completion of work
9. Reasons for delay in completing the work, if any
10. Actual value of work as per final payment made
11. Type and nature of work

Note :- The requirements on the type of items and their quantum can be decided according to the works to be entrusted

Contractor

**Superintending Engineer, WRD,
Palar Basin Circle, Chennai – 5.**

G). Annual turnover (**VPT / POC x 12 x 1.50 times of the value of work**) of the applicant shall not be less than **Rs.4118.00 Lakh (Rupees Four Thousand One Hundred and Eighteen Lakh Only)** including G.S.T, per year in any one of the preceding “**Five**” years (**@ 2022 - 23 Price level**) Financial Turnover of previous years shall be given Weightage of 5 % per year, based on the Rupee value to bring them to **2022 - 23** price level.

EVIDENCE TO BE PRODUCED :-

i). The applicant should produce the Audited Balance Sheet, Profit and Loss Account etc. duly certified and authenticated by the Chartered Accountant for the preceding “ **Five** ” years with the condition that the total amount of contract (including G.S.T) received by the applicant from the Employer or Employers should have been reflected in the Income Tax clearance certificate also.

ii). In cases of difference in the depicted contract amount of the balance sheets and the amounts furnished in the Income Tax clearance certificate, the lesser of the two figures would be reckoned with.

H). The applicant should furnish Liquid Assets and or Credit facilities of not less than **Rs.687.00 Lakh (Rupees Six Hundred and Eighty Seven Lakh Only)** (Certificates obtained from Banks to be enclosed) [**VPT / POC x 3**]
