Firms located within the State, registered with Tamil Nadu Small Industries Development Corporation or the National Small Industries Corporation or holding permanent Registration Certificate from the District Industries Centers of Directorate of Industries and Commerce will be granted exemption from payment of Earnest Money Deposit, in respect of those **items manufactured by them** for which the Registration Certificate has been obtained and tenders called for. In respect of SSI Units located outside the State, such units registered with NSIC in respect of **items manufactured by them** for which tenders have been invited.
7. The Earnest Money Deposit shall be returned after payment of security deposit and execution of agreement by the successful tenderer.
8. In the case of successful tenderers, the Earnest Money Deposit shall be returned after payment of security deposit and execution of agreement or at the discretion of Chief Executive Officer, Tamil Nadu Livestock Development Agency, Chennai adjusted towards the Security Deposit payable by him.

SECURITY DEPOSIT

9. **The Successful tenderer shall be required to remit a security deposit @ 5% the total value of the works for which he is L1, calculated for the tender quantity (*Security Deposit = L1 Rate X Tender Quantity X 5%*). The Security Deposit should be paid in respect of each contract on or before the due date fixed, in the form of Demand Draft / Irrevocable Bank Guarantee from a Nationalised Bank / Scheduled Bank in favour of “The Chief Executive Officer, Tamil Nadu Livestock Development Agency”, payable at “Chennai”.**
10. The Security Deposit furnished by such tenderer in respect of his tender will be returned to him upon complete fulfillment of the tender period or the extended period, if any, to the satisfaction of the Chief Executive Officer, Tamil Nadu Livestock Development Agency.

EVALUATION

11. The cover 'A' of the tenderers will be opened and the documents will be scrutinized and the Cover 'B' of only those tenderers who have submitted the required documents, and are found to fulfill the eligibility conditions and comply with the tender conditions will be opened.
12. Price negotiations will be held as per the Transparency in Tenders Act and rules with the eligible tenderer who has offered the least price.

AGREEMENT

13. The tenderer whose tender is accepted shall execute an agreement on a non-judicial stamp paper for a value of Rs.100/- (stamp duty to be paid by the tenderer) with the Chief Executive Officer, Tamil Nadu Livestock Development Agency, Chennai, within 10 days from the date of receipt of the intimation by him that his tender has been accepted.

PRICES AND OTHER CONDITIONS

14. The details of items and works required are shown in Annexure-V.
15. A copy of the tender conditions and the Schedules should be signed by the tenderer at the bottom of each page with the office seal duly affixed and returned along with the tender. An index with page number for the certificates, Earnest Money Deposit etc. should be enclosed with the Tender Document.
16. Tenders should be typewritten and every correction in the tender should be attested with full signature by the tenderer with date before submission of the tenders to the authorities concerned, failing which the tender will be ineligible for further consideration. Corrections done with correction fluid should also be duly attested.
17. The tenderers should quote the rates in Annexure VIII for the item and works described as per the specification in Annexure V. Any omission will result in the rejection of the tender.
18. Rates quoted should be inclusive of basic price, packing forwarding, freight and insurance, import duty and GST. The GST suffered shall be shown separately.
19. Each tender must contain not only the rate but also the total value of the item quoted for supply in the respective columns. The aggregate value of the item quoted in the tender shall also be furnished [Annexure VIII].
20. The price quoted by the tenderers shall not in any case, exceed the controlled price, if any, fixed by the Central / State Government and the Maximum Retail Price (MRP). The purchaser at his discretion will in such case exercise, the right to revising the price at any stage so as to conform to the controlled price or MRP as the case may be. This discretion

will be exercised without prejudice to any other action that may be taken against the tenderer.

21. The rates quoted and accepted will be binding on the tenderers for the stipulated period and on no account will any increase in the price be entertained till the completion of this tender period.

NOTE: No tenderer shall be allowed at any time on any ground whatsoever to claim revision of or modification in the rates quoted by him. Clerical error, typographical error etc., committed by the tenderers in the tender forms shall not be considered after opening the tenders. Conditions such as “SUBJECT TO AVAILABILITY” “SUPPLIES WILL BE MADE AS AND WHEN SUPPLIES ARE RECEIVED” etc., will not be considered under any circumstances and the tenders of those who have given such conditions shall be treated as incomplete and for that reason, shall be summarily rejected.

22. If at any time during the period of contract, the price of tendered items is reduced or brought down by any law or Act of the Central or State Government or by the tenderer himself, the tenderer shall be bound to inform the Chief Executive Officer, Tamil Nadu Livestock Development Agency, Chennai immediately about such reduction in the contracted prices. The Chief Executive Officer, Tamil Nadu Livestock Development Agency, Chennai is empowered to unilaterally effect such reduction, as is necessary, in rates, in case, the tenderer fails to notify or fails to agree for such reduction of rates. Tenderers are requested to indicate the percentage of the GST to be charged for the item quoted **with proof**. In case of any enhancement in GST / reduction in GST due to Statutory Act of the Government after the date of submission of tenders and during the tender period, the clearance of additional GST so levied will be allowed to be charged extra as separate item without any change in price structure for the establishing and commissioning of pig slaughter line of 10 pigs per hour capacity at The Advanced Institute For Integrated Research on Livestock and Animal Sciences, Thalaivasal Koot road, Salem District approved under the tender. For claiming the additional cost on account of the increase in GST, the tenderer should produce a letter from the concerned authorities indicating the increase in GST for the supply made to TNLDA. Similarly, the reduction of GST to be brought to the notice of TNLDA with the letter from GST authorities.
23. The tenderer has to establish and commission a pig slaughter line of 10 pigs per hour capacity at The Advanced Institute For Integrated Research on Livestock and Animal Sciences, Thalaivasal Koot road, Salem District as specified in the tender. In case of any deviation, the tender is liable for rejection.

24. The supplies/works will be deemed to be completed only upon receipt of the quality certificates from the institution(s) who receives the items tendered. Supplies, which do not meet quality requirements and statutory standards, shall render the relevant items to be rejected. The tenderer shall also not be eligible to participate in TNLDA tenders for the establishing and commissioning of chicken slaughter line of 500 birds per hour capacity at The Advanced Institute for Integrated Research on Livestock and Animal Sciences, Thalaivasal Koot road, Salem District during the subsequent year.
25. The decision of the Chief Executive Officer, Tamil Nadu Livestock Development Agency, Chennai, or any Officer authorized by him as to the quality of the tendered item shall be final and binding.

ACCEPTANCE OF TENDER AND SUPPLY CONDITIONS

26. The Chief Executive Officer, Tamil Nadu Livestock Development Agency reserves to himself the right to reject the tenders or to accept the tenders for the supply of the item tendered and execution of the works as in the tender without assigning any reason.
27. The Chief Executive Officer, Tamil Nadu Livestock Development Agency will be at liberty to terminate without assigning any reasons thereof, the contract either wholly or in part, on one month notice. The tenderers will not be entitled for any compensation whatsoever in respect of such termination.
28. The acceptance of the tenders shall be communicated to the tenderers in writing.
29. The Purchase Order shall be placed by Tamil Nadu Livestock Development Agency on execution of the agreement and remittance of the security deposit.
30. The establishing and commissioning of pig slaughter line of 10 pigs per hour capacity at The Advanced Institute for Integrated Research on Livestock and Animal Sciences, Thalaivasal Koot Road, Salem District should be completed within **120 days** from the date of receipt of firm order. If it is not completed within **120 days** from the date of receipt of firm order, penalty shall also be levied on the tenderer as per this tender document. He shall also suffer forfeiture of Security Deposit. However, the Chief Executive Officer, TNLDA at his discretion can accept delayed supply with appropriate liquidated damages, which will be a sum equivalent to 0.5% of the delivered price of the delayed goods for each day of delay until actual delivery, upto a maximum deduction of 10% of the total contract price.
31. If the tenderer fails to execute the project within the stipulated time, TNLDA is empowered to make alternative arrangements and claim the difference in total cost from the tenderer in addition to other penal clauses.

32. The Chief Executive Officer, TNLDA or his authorized representative(s) has the right to inspect the factories of those companies who have quoted for the tender, before, accepting the rate quoted by them or before releasing any order(s) or at any point of time during the continuance of tender and has also the right to reject the tender or terminate / cancel the orders issued or not to re-order based on facts brought out during such inspections.

PAYMENT PROVISIONS

33. No advance payments towards the cost of the establishing and commissioning of pig slaughter line of 10 pigs per hour capacity at The Advanced Institute for Integrated Research on Livestock and Animal Sciences, Thalaivasal Koot Road, Salem District will be made to the tenderer.
34. Payments for the establishing and commissioning of pig slaughter line of 10 pigs per hour capacity at The Advanced Institute For Integrated Research on Livestock and Animal Sciences, Thalaivasal Koot road, Salem District will be considered only on the basis of reports (Certified Stock Entry Invoice) received from the Consignee Officers of the Department of Animal Husbandry / to whom the consignment is addressed, regarding the quantity received and quality of the received goods and works executed against the purchase orders.
35. If the successful tenderer fails to execute the agreement and or deposit the required security within the time specified or withdraw his tender after the intimation of the acceptance of his tender has been sent to him owing to any other reasons, he is unable to undertake the contract, his contract will be cancelled and the Earnest Money deposited by him along with the tender will be forfeited. He will also be liable for all damages sustained by the TNLDA or its participating agencies due to his failure; including the liability to pay any difference between the prices accepted by him and those ultimately paid by the indenting authority for the procurement of the articles concerned. Such damages shall be assessed by the Chief Executive Officer of Tamil Nadu Livestock Development Agency whose decision will be final and the amount so assessed will be recoverable by proceeding under the Tamil Nadu Revenue Recovery Act 1864 (Madras Act. II of 1864 as an arrear of Land Revenue).
36. If any of the articles which the tenderer has failed to supply is not available in the local market or if it is not possible for the Chief Executive Officer, Tamil Nadu Livestock Development Agency to purchase it in time, for the requirements of the institution, it will be open to the CEO, or to any persons authorized by him on his behalf to purchase a

substitute for the said article/item and to recover the difference in cost from the tenderer, if any, between the price or prices of the substituted articles which may be purchased or the money which may have been paid for the same.

37. The opinion of the Chief Executive Officer, Tamil Nadu Livestock Development Agency as to the availability of the articles in the local market and as to whether it is not possible to purchase it in time for institution requirement and as to the nature and quality of the substitute to be purchased is final and binding on the tenderer.
38. No claims shall lie against the Tamil Nadu Livestock Development Agency, Chennai in respect of interest on Earnest Money Deposit or on Security Deposit.

PENALTIES

39. If any of the items supplied by the tenderer which have been put to use are subsequently found to be defective, unsound, and inferior in quality or description or are otherwise faulty or unfit for use, then the contract price or prices of such articles/items or things will be recovered from the tenderer. The tenderer will not be entitled to any payment whatsoever for such article/item.
40. For infringement of the stipulations of the contract or for other justifiable reasons, the contract may be terminated by the Chief Executive Officer, Tamil Nadu Livestock Development Agency and the tenderer shall be liable for all losses sustained by the Tamil Nadu Livestock Development Agency, in consequence to the termination which shall be recovered from the tenderer by way of adjusting the amount from the bills payable to him. In the event of such amounts being insufficient the balance shall be recovered personally from the tenderer as per law.
41. Non-performance of contract provisions such as delayed supplying, non-supplying, supply of substandard goods etc., will result in cancellation of the tender and will lead to disqualification of the firm from participating in the tender during the subsequent year.
42. The decision of the Chief Executive Officer, Tamil Nadu Livestock Development Agency, shall be final and binding.
43. In the event of any dispute arising out of the tender such dispute would be subject to the jurisdiction of the Civil Court within the city of Chennai.

WARRANTY

44. The supplier warrants that the Goods supplied under this contract are new, unused, of the most recent or current models and incorporate all recent improvements in design and materials unless provided otherwise in the Contract. The supplier, further warrants that the

Goods supplied under this contract shall have no defect arising from design, materials or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in conditions prevailing at final destination.

45. **Warranty shall be as stated in the Annexure V from the date of commissioning of pig slaughter line of 10 pigs per hour capacity and on acceptance by the concerned officers at the final destination indicated in the contract.**
46. The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.
47. Upon receipt of such notice, the supplier shall, with all reasonable speed, repair or replace the defective Goods or parts thereof, without cost to the Purchaser.
48. If the supplier, having been notified, fails to remedy the defect(s) within the period specified /within a reasonable period, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

SPECIAL CONTRACT CONDITIONS

49. Validity of Tender

This rate offered shall be valid for a period of **one year** from the date of opening of price bid.

50. Period

The establishing and commissioning of pig slaughter line of 10 pigs per hour capacity **should be completed in 120 days** and will be deemed to be completed only on receipt and acceptance by the concerned officers at the final destination indicated in the contract.

51. Warranty

Warranty shall be as specified in the specification from the date of commissioning of pig slaughter line of 10 pigs per hour capacity and acceptance by the concerned officers at the final destination indicated in the Contract.

52. Terms of payments

Payment shall be made only after the completion of the establishing and commissioning of pig slaughter line of 10 pigs per hour capacity and on receipt of such satisfactory reports and certified invoices from the officer in-charge of the institution to which the supply has been made.

53. Security Deposit

The Security Deposit will be returned to the successful tenderer after the completion of warranty period.

54. Goods and Services Tax

Tenderers are requested to quote and indicate taxes (GST) suffered.

55. Language of the Tender

The tender and all correspondences and documents related to the tender exchanged by the tenderer and the purchaser shall be written either in English or in Tamil language. Supporting documents and printed literature furnished by the tenderer may be in other language provided they are accompanied by an accurate translation of the relevant passages in either English or Tamil language, in which case, for purpose of interpretation of the tender, the translation shall prevail.

56. General

The tenderer shall meet and would be bound by all the statutory requirements (eg. the labour welfare, and the safety requirements etc.,) for the execution of the works stated as well as not stated in this document , and would be fully responsible for ensuring the adherence and the consequences of any deficiencies.

GST REMITTANCE STATEMENT

(To be filled up by the tenderer)

01. Name or style in which the applicant is assessed or assessable to GST.
02. a. Name and address of all companies, firms or associations or persons in which the applicant is interested in his individual or fiduciary capacity.
b. All Centres of business of the applicant (All Centres of business should be mentioned).
03. The districts, taluks and divisions in which the applicant is assessed to GST (All the Centres of business should be furnished).
04. Total contract amount or value of patronage received in the preceding three years.
2018 - 2019
2019 - 2020
2020 - 2021
05. Particulars of GST for the following three years.

| Year | Total Turn Over assessed Rs. | Total Tax assessed Rs. | Total Tax paid Rs. | Balance due Rs. | Reasons for balance |
|-------------|-------------------------------------|-------------------------------|---------------------------|------------------------|----------------------------|
| 2018 - 2019 | | | | | |
| 2019 - 2020 | | | | | |
| 2020 - 2021 | | | | | |

06. If there has been no assessment in any year, whether returns were submitted any, if there were, the division in which the returns were sent.

07. Whether any penal action or proceeding for the recovery of GST is pending.

08. The name and address of Branches if any:

I have enclosed the copies of the GST returns filed for the above period and I declare that the above information is correct and complete to the best of my knowledge and belief.

SPECIFICATION

ESTABLISHMENT AND COMMISSIONING OF PIG SLAUGHTER LINE, CAPACITY 10 PIGS PER HOUR

Tender for Pig Slaughter line with Automatic Conveyor slaughter line 10 pigs per hour capacity including, processing, Steel Structure, PUF Panels, Refrigeration, Internal Electrical and Plumbing work inside the building Related to Slaughter Machinery except civil work.

Scope

Supply, delivery, installation of the equipment and machinery as per specification, quality and quantity, internal Electrical and Plumbing work inside the building Related to Slaughter Machinery, establishment of facility and commissioning of the plant and demonstration of the unit.

Site

The Advanced Institute for Integrated Research on Livestock and Animal Sciences, Thalaivasal Koot road, Salem District

Process Flow

Pig Slaughter line, capacity 10 Pigs/hour

Pigs are rested in pens, then animals are weighed and moved to the stunning box through raceway, the animals are stunned by electrical stunner. After stunning, with the help of electric hoist, the stunned animals are suspended upside down and the animals are stuck to bleed and blood is collected in blood tank. Then the bled carcass is moved to scalding tank with the help of electric hoist. The water in the scalding tank maintained around 70°C to 80°C. The scalded carcasses are transferred to de-hairing machine by electric hoist. The hair scraper / rotator in the de-hairing machine remove the hairs from the skin and then the de-haired carcasses is moved to unloading table for singeing by hand held torch. Then carcasses are hung in the dressing conveyor. The carcasses are opened for removal of offal. The offal are placed in the respective place for veterinary inspection. The fit carcasses are moved to the next station for splitting into two halves by electric splitting saw and then the carcasses are washed.

Pig slaughter line control

1. The restrainer/stunning box must have independent pneumatic control to maintain the speed of the line 10 per hour.
2. The killing is a manual operation and run independent from the slaughter line.

3. The bleeding conveyor speed must be controlled by variable frequency drive to make sure the correct speed to attain the speed of the dressing line.
4. The de-hairing machine speed must be controlled by variable frequency drive to attain the speed of 10 animals per hour in the operation
5. The dressing conveyor speed must be controlled by variable frequency drive to make sure the correct speed output to attain the 10 animals per hour speed.
6. All conveyors must be equipped with emergency stop button, which are always in run on mode and stops only when the emergency stop button is pressed

| S.No | Description |
|------|--|
| 1. | Pork Slaughter Line 10 per hour |
| 2. | Chiller Line for 80 Pigs including Suspension structure - inside PUF panel. |
| 3. | Processing Area - 2 Deboning Tables. |
| 4. | Staff Lockers, gum boot stand, foot wash - All items in Stainless Steel |
| 5. | All offal and slaughter gates - non PUF - in Stainless Steel - approx. 500 kg - 10 gates |
| 6. | Two PUF insulated Sliding Doors for chillers and cold store |
| 7. | Lairage inside partitions of pens - approx. 2 tons - 4 feet height in Side and 6 feet on outer side. 60 mm outer dia. of 3mm thickness and 30mm outer dia. of 2mm thickness - facilities to hold one day through put – 8 number of pens |
| 8. | Insulated PUF - for cutting room, cold storage, processing unit covering – All 4 side walls of 50 mm, roof insulation of 50 mm for cutting and processing room, All 4 side walls of 100 mm , roofing of 100 mm and floor of 80 mm for chiller, All 4 side walls of 150 mm, roofing of 150 mm and floor of 100 mm for Cold storage, All wall height 4.5 meter total PUF panel approx. including flushing and installation (40 kg) |
| 9. | Refrigeration plant Unit piping indoors and outdoors' with Ammonia unit - Condensers, Compressors, all indoors, insulation, installing, panel, piping |
| 10. | Blood coagulator with dryer |
| 11. | Electrical Panel with transformer & cabling inside the compound 140 kVA |
| 12. | Electrical wiring and lighting inside the building for slaughter machinery |
| 13. | Plumbing and water fitting for slaughter machinery inside the plant |
| 14. | Generator 200 kVA |
| 15. | Miscellaneous Items |
| 16. | Installation & Erection Charges |

Pig Slaughter Line 10 per hour

| S.No | MACHINERY AND EQUIPMENT | Qty. |
|------|---|------|
| 1. | Live pig weighing scale with stainless steel - larger display to ensure the easy readability - compatibility with computer integration | 1 |

| S.No | MACHINERY AND EQUIPMENT | Qty. |
|------|---|------|
| | <ul style="list-style-type: none"> Platform in hot dip galvanized steel, non-slippery and display in stainless steel 304. The platform top - stainless steel 304 with dimples every inch providing grip to pig, ensuring it is non-slippery, compliant with the humane practice of slaughtering guidelines. 1 SS water resistant load cell with moisture protection - 2 inch size display. The platform should be big enough to make sure one pig can stand comfortably. | |
| 2. | <p>Race way made with 304 stainless steel Non slippery floor for both animal and man.</p> <ul style="list-style-type: none"> The race way - galvanised steel with base of pipe size 50mm x 50mm x 3mm and covered with 6 mm MS galvanised chequered plate and the angles welded on the top in compliance with the humane practice of slaughtering guidelines. Side supports - MS galvanised pipe of 32 mm round pipe X 3mm thickness frame with 25 mm round pipe of 2 mm parallel pipes of 6 inch gap between each pipe. The raceway with no sharp corners or edges, made with 304 stainless steel Pipe structure with sufficient space for pig to move forward in one line and also a separate space to move a man along with them or stand to move forward the Pig entering. | 1 |
| 3. | <p>Restrainer stunning box with electric stunner 3 foot long to ensure that 1 Pig can be fitted in line to enter the slaughter hall for stunning purpose Stunning box with two sides capable of squeezing the pig, with force applied by manually operated pneumatic cylinders. Low voltage electrical stunner (less than 150 volts optimally 90 volts, 1.0A) Technical data</p> <ul style="list-style-type: none"> Pneumatic cylinders : 3 inch diameter 12 inch stroke (4 pieces) <p>Stunning box dimensions:</p> <ul style="list-style-type: none"> Length - 1100 mm, Width - 800 mm, Height -1200 mm Body, Floor and Support : Stainless Steel 304 | 1 |

Items Manufacturing Principle:

- All items of the machine part must be in stainless steel 304.
- All Machine suspension Items must be of Galvanize Steel.
- All Nut Bolts used in Machines must be of Stainless Steel 304.
- All Nut Bolts fasteners used in hanging and supporting system must be of coated MS.
- Water over flow protection water spill protection, guards, safety for human protection items, temperature gauges, valves, hose pipes, must be of reputed brands.
- All motors must be of brands such as ABB, Crompton Greaves, Siemens, Toshiba, Nidec, Rockwell, AMETEK, Regal Beloit, Johnson Electric
- All gear boxes must be of brands such as Bauer, SEW, Flender, Nord, Rexroth, Zollern, Rossi, Bonfiglioli, Sumitomo, Rotork, Curtis Machine SIPCO-MLS, Danko Arlington, Logan Clutch Corporation, Multi Products Company, Excel Gear, Torque Transmission, Astro Flight, Houston Gear
- All electrical controls must of brands such as L&T, Havells, ABB, Siemens, GE.
- Equipment must comply with the standards and guidelines prescribed by International and National quality and safety bodies viz ISO, APEDA, SPS, Codex Alimentarius, BIS, FSS

Guarantee and Warrantees:

1. Guarantee of 2 years for all the metal moving parts / products manufactured against any manufacturing defect.
2. Guarantee of 5 years for all the Static parts / products manufactured, if parts get the welding damages if any must be repaired onsite without any extra charge.
3. All electrical parts / products, must have the standard guarantee given by the manufactures like electric motors, gear boxes, plastic parts, etc.,

Manufacturer's Authorization letter for attending the tender and etc.

No. _____ Dated. _____

To

Dear Sir,

Tender Ref. No. 84/E/AIIRLIVAS/TNLDA/2022

We _____ who are established and reputable manufacturers of _____ having factories at _____/providing.....services with Registered office at _____ possessing License No. _____, dated _____, Valid Upto _____ (Copy enclosed) do hereby authorize M/s. _____ (Name and Address of Representative) to submit a tender, and subsequently negotiate and sign the contract with you against the above mentioned tender.

No company or Firm or individual other than M/s. _____ are authorized to tender, negotiate and conclude the contract in regard to this business against this specific tender.

We hereby extend our full warranty for a period as per specification (Annexure V) from the date of supply delivery, installation, establishing and commissioning of pig slaughter line of 10 pigs per hour capacity and on acceptance by the concerned officers at the final destination indicated in the Contract as per the tender conditions for the goods and services offered against this invitation for tender by the above Firm

Yours faithfully,

(Name)

for and on behalf of M/s. _____

(Name of Manufacturers)

Note: This letter of authority should be on the letterhead of the manufacturing concern and should be signed by a person competent and having the power of attorney to bind the manufacturer.
