3	<i>Crane 15 T</i>	:	<i>2nos(Two numbers)</i>
4	<i>Chain pulley block</i>	:	<i>2nos(Two numbers)</i>
5	<i>Gas cutting equipment</i>	:	<i>3 nos (Three numbers)</i>
6	<i>Mig welding equipment</i>	:	<i>3 nos (Three numbers)</i>
7	<i>Arc welding equipment</i>	:	<i>2nos(Two numbers)</i>
8	<i>Submerged arc welding Machine</i>	:	<i>2nos(Two numbers)</i>
9	<i>AG7 Grinding machine</i>	:	<i>2nos(Two numbers))</i>
10	<i>AG5 Grinding machine</i>	:	<i>2nos(Two numbers))</i>
11	<i>Magnetic drilling machine</i>	:	<i>2nos (Three numbers)</i>
12	<i>Screw compressor 300cfm capacity</i>	:	<i>1nos (one numbers)</i>
13	<i>Airless spray painting machine</i>	:	<i>2nos(Two numbers))</i>
14.	<i>Metalizing gun</i>	:	<i>2nos(Two numbers)</i>
15.	<i>Generator 40KVA</i>	:	<i>1nos(one numbers)</i>
16.	<i>Instruments required to caliber the profile, thickness, adhesion and flaw detection</i>	:	<i>1 Set (One Set)</i>

Documents to be produced for Criteria -14

- (i) Attested Xerox copy of the R.C. Books for the Machineries / Vehicles owned by the applicant.
- (ii) Sworn in Affidavit and Chartered Accountant 's Certificate Stating the details of equipment, Tools & Plants available with the applicant.
- (iii) If the Tools and Plants are proposed to be taken on lease The copy of Lease agreement with details of tools and plants should be produced.

Criteria -15 Bid capacity.

Tenderers who meet the above requirement will be qualified if this available bid capacity is more than the total value of this tender.

The available bid capacity will be calculated as under.

Assessed available bid capacity of applicant = $(A \times 1.5 \times N) - B$

Where

- A - Maximum value of work executed in any one year during the past five years
- N - Number of years fixed for completion of the work for which the bid invited
- B - Value of existing commitments and ongoing works to be completed during the contract period of the work for which bid is invited

DEFINITION :

"Existing commitments" the total value of each project under execution minus the value of works completed as on the date of submission of pre-qualification application and value of work awarded to the tenderer and value of work to be awarded to the tenderer i.e., tenders under consideration.

Documents to be produced for Criteria -15

List of works already committed by the applicant and are in progress.

- a) Certificate (for each of the committed works) issued by the Engineer in Charge (Not below the Rank of Executive Engineer / Project Engineer) of the work, being executed by the applicant with the following details.
 - 1. Name of work with location.
 - 2. Name / Designation of the Owner / Employer.
 - 3. Agreement Number.
 - 4. Total value of work.
 - 5. Period of completion stipulated in the agreement.
 - 6. Date of commencement of the work.
 - 7. Balance period available for completing the work.
 - 8. Value of work so far completed.
 - 9. Value of Balance items of work to be completed.
 - 10. Physical Progress or stage of work
 - 11. Remarks.

I. Note:

1. If any of the information furnished by the applicant is found to be concealed or false, at a later date, the contract will be terminated forthwith, without prejudice to the rights thereon, consequent on termination, the contractor will be banned from business dealings.
2. All the documentary evidences should be stitched (Spiral binding should be avoided) neatly and the pages should be serial numbered. Index of the Index documents produced, should be prepared, and Reference to page number of the documents produced should be furnished in the Index.
3. The Pre – qualification evaluation shall be done on a **PASS or FAIL basis against each of the above Criteria.**
4. The evaluation will be done only based on the information, evidence, documents, records, particulars furnished by the applicant and hence the applicants are advised to furnish adequate and relevant information along with requisite documentary evidences without omission.
