1. Scope of Bid

The Commissioner, Erode City Municipal Corporation(referred to as Employer in these documents) invites bids for the works (as defined in these documents and referred to as "the works") detailed in the table given in IFB.

The successful bidder will be expected to complete the works by the intended completion date specified in the Contract data.

2. Source of Funds

Under the **General fund** "Formation of Road in Temporary Bus Stand at Solar Pudhur in Ward No.60 of Erode City Municipal Corporation

3. Eligible Bidders

All bidders shall furnish their qualification details in Section 3 based on which eligibility will be decided. Bidders shall not be under a declaration of ineligibility for corrupt and fraudulent practices.

4. Qualification of the Bidders

A. To qualify for award of the contract, each bidder in his Own name Should have in the last five years ie, from 2016-17 to 2020-21,

Sl.No.	Description	Qualification Criteria
1.	The Bidder should be at least a CLASS II contractor, currently registered with any State/ Central Government Departments/ Board/ Government Undertaking/ Quasi Government Boards.	
2.	Should have achieved an annual financial turn over Rs.34.00 Lakhs (equivalent to 100% of the value put in to the tender) in any one of the preceding 5 years from 2016-17 to 2020-21.	Rs. 34.15 Lakhs.
3.	Audited Should have satisfactory completed one civil works of similar nature in his own name as a prime contractor in a single agreement for a value of not less than Rs.17.00 Lakhs (50% of the value put in to the tender) in any one year of the preceding five years from 2016-17 to 2020-21 duly certified by an officer not less than the rank of Executive Engineer/ Municipal Engineer.	Rs. 17.07 Lakhs.
4.	The applicant should have working capital sufficient to finance at least 15% of the value put in to the tender. [Working capital will be calculated by adding the amount available in the bank account of the applicant on the date of submission of application and the unutilized amount of overdraft / credit facility extended to the applicant by the Nationalized / Scheduled banks]	Rs. 5.12 Lakhs.

5.	The bidder in his own name as a prime contractor in a single agreement should have satisfactorily the following quantities of work in any one year of the preceding five years from 2016-17 to 2020-21 contractor duly certified by not less than the rank of Executive Engineer / Municipal Engineer.	
----	--	--

The bids of the contractors, whose previous performance and financial turnover is found to be poor / not meeting the requirements as specified above in 4.5A will be summarily rejected and will not be taken up for evaluation.

Financial turnover and cost of completed works of previous years shall be given weight age of 5% per Year based on rupee value to bring them to 2021-2022 price level and that will be considered for the qualifying criteria.

B. Each bidder should further demonstrate:

(a) Minimum Availability (either owned or leased or by procurement against mobilization advances) of the following key and critical equipment for this work:

Mini Earth mover (JCB for other make)	1 No.
Tipper Lorries	2 Nos. (10MT)
Earth Vibratory Roller (8 to 10 tonne static capacity)	1 No.
Tandem vibratory roller (8 to 10 tonne static capacity)	1 No.
Pneumatic roller (mini static weight 12 to 15 tonnes)	1 No.
Concrete Mixers	1 Nos. (0.3 cum)
Mechanical Vibrators	2 Nos. (40 mm Needle)
Tripod	2 Nos.
Leveling Instrument	1 No.
Dewatering Pump sets	1 Nos. (5 HP)

NOTE:

Based on the studies, carried out by the Engineer the minimum suggested major equipment to attain the completion of works in accordance with the prescribed construction schedule are shown in the above list. The bidders should, however, undertake their own studies and furnish with their bid, a detailed construction planning and methodology supported with layout and necessary drawings and calculations (detailed) as stated in clause 4.3 (k) above to allow the employer to review their proposals. The numbers, types and capacities of

each plant / equipment shall be shown in the proposals along with the cycle time for each operation for the given production capacity to match the requirements.

Key Personal required for the Project

- 1) 1 Site Engineer BE (Civil) with not less than 3 years Experience in Construction of Civil works/ Road works.
- 2) 2 Site Supervisors Diploma (Civil) with not less than 2 years Experience in Civil Construction works/ Road works.
- 3) Additionally required no. of Engineers and site supervisors engaged as per the site condition and nature of work to be done at the site for the work.

C Deleted.

Consortium – Deleted.

Bidders who meet the minimum eligibility criteria will be qualified only if their available bid capacity is more than the total bid value. The available bid capacity will be calculated as under.

$$\text{Assessed Available Bid Capacity} = (A \cdot N \cdot 1.5 - B)$$

Where,

A = Maximum value of civil engineering works executed in anyone year during the last five years (updated to 2020-21 price level) taking into account the completed as well as works in progress.

N = Number of years prescribed for completion of the works for which bids are invited
i.e 1 year

B = Value of works of existing commitments and on-going works to be completed during the next 2 years.

Note:

The statements showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works listed should be counter signed by the Engineer-in-charge, not below the rank of an Executive Engineer concern department.

Even though the bidders meet the above qualifying criteria, they are subject to be disqualified if they have:

made misleading or false representations in the forms, statements and attachments submitted in proof of the qualification requirements; and / or record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc.; and / or participated in the previous bidding for the same work and had quoted unreasonably high bid prices and could not furnish rational justification to the employer.

The above Pre Qualification criteria should be scrupulously followed by all concerned and the Tender process should be followed by all concerned and the Tender Process should be followed as per TTT act 1998 / Rules 2000.

- 4.4. All copy of certificates in support of the above should be attested by Notary Public / Chartered Accountant/Officers not below the rank of Executive Engineer of government department**

5 Cost of Bidding

The bidder shall bear all costs associated with the preparation and submission of his Bid, and the Employer will in no case be responsible and liable for those costs.

6 Site visit

The Bidder, at the Bidder's own responsibility and risk is encouraged to visit and examine the Site of Works and its surroundings and obtain all information that may be necessary for preparing the Bid and entering into a contract for construction of the Works. The cost of visiting the Site shall be at the Bidder's own expense.

B.

Bid Documents

7. Content of Bid Documents

The set of bid documents comprises of the documents listed in the table below and addenda issued in accordance with Clause (if any)

Invitation for Bids		
Section	1	Instructions to Bidders
	2	Forms of Bid and Qualification Information
	3	Conditions of Contract
	4	Contract Data
	5	Bill of Quantities

8. Clarification on Bid Documents

A prospective bidder requiring any clarification of the bidding documents may notify Commissioner in writing or by cable (hereinafter "cable" includes telex and facsimile) at the Employer's address indicated in the invitation to bid. The Commissioner will respond to any request for clarification which he received earlier than 48 hours prior to the opening of the tender.

9. Amendment to Bid Documents

At any time after the issue of the tender documents and before the opening of the tender, the Tender Inviting Authority may make any changes, modifications or amendments to the tender documents. All such changes will also be uploaded in the relevant websites.

Any addendum corrigendum thus issued shall be part of the bidding documents and shall be communicated in writing or by cable to all the purchasers of the bidding documents. Prospective bidders shall acknowledge receipt of each addendum by cable to the Employer.

To give prospective bidders reasonable time in which to take an addendum into account in preparing their bids, the Employer shall extend as necessary the deadline for submission of bids, in accordance with Sub-Clause 19.2 below.

Preparation of Bids

10. Language of the Bid

All documents relating to the bid shall be in the English language.

11. Documents comprising the Bid

The bid submitted by the bidder shall comprise the following documents:

- (a) The Bid (in the formats indicated in Section 3).
- (b) Earnest Money Deposit (EMD)
- (c) Priced Bill of Quantities;
- (d) Qualification Information Form and Documents;

and any other materials required to be completed and submitted by bidders in accordance with these instructions. The documents listed under sub-clause, 4 , 6 and 7.1 of section 1 and section 3 shall be filled in without exception.

12. Bid Prices

The contract shall be for the whole works as described in Sub-Clause 1.1, based on the priced Bill Quantities submitted by the Bidder.

The bidder shall fill in rates and prices and line item total (both in figures and words) for all items of the Works described in the **Bill of Quantities** along with total bid price (both in figures and words). Items for which no rate or price is entered by the bidder will not be paid for by the Employer when executed and shall be deemed covered by the other rates and prices in the Bill of Quantities.

The rates quoted by the Contractor shall be deemed to be Basic Rates only. The applicable central and State Taxes will be followed appropriately.

13. Currencies of Bid and Payment

The unit rates and the prices shall be quoted by the bidder entirely in Indian Rupees.

14. Bid Validity

Bids shall remain valid for a period not less than **ninety days** after the deadline date for bid submission specified in Clause 19. A bid valid for a shorter period shall be rejected as non-responsive.

In exceptional circumstances, prior to expiry of the original time limit, the Employer may request that the bidders to extend the period of validity for a specified additional period. The bidder shall consider the same for a period not exceeding addition **thirty days**.

Bid evaluation will be based on the bid prices without taking into consideration the above correction.

15. Earnest Money Deposit

The Bidder shall furnish, as part of his Bid, Earnest Money Deposit at 1% rounded off to next ten rupees of the Estimate value in the form of Bank Guarantee, Demand Draft Drawn in favour of Commissioner , Erode City Municipal Corporation payable at Erode. EMD remitted in any other form will not be accepted.

Any bid not accompanied by an acceptable EMD and not secured as indicated in Sub-Clauses 15.1 above shall be rejected by the Employer as non-responsive.

The EMD of unsuccessful bidders will be returned within 28 days of the end of the bid validity period specified in Sub-Clause 14.1.

The EMD may be forfeited

- (a) if the Bidder withdraws the Bid after Bid opening during the period of Bid validity;
- (b) if the Bidder does not accept the correction of the Bid Price, pursuant to Clause 27; or
- (c) in the case of a successful Bidder, if the Bidder fails within the specified time limit to enter into an agreement

16. No Alternative Proposals by Bidders

Bidders shall submit offers that comply with the requirements of the bidding documents, including the basic technical design as indicated in the drawing and specifications. No alternatives will be considered.

17. Format and Signing of Bid

The Bid shall be typed or written in indelible ink and shall be signed by a person or persons duly authorized to sign on behalf of the Bidder. All pages of the bid where entries or amendments have been made shall be initialed by the person or persons signing the bid.

The Bid shall contain no alterations or additions, except those to comply with instructions issued by the Employer, or as necessary to correct errors made by the bidder, in which case such corrections shall be initialed by the person or persons signing the bid.

The Bidder shall furnish information as described in the Form of Bid on commissions or gratuities, if any, paid or to be paid to agents relating to this Bid, and to contract execution if the Bidder is awarded the contract.

E-Submission of tender is accepted.

C. Submission of Bids

- 18.**
- (a) The envelopes shall be addressed to the Employer at the following address:
The Commissioner,
Erode City Municipal Corporation,
Erode-1.
 - (b) bear the following identification:

Formation of Road in Temporary Bus Stand at Solar Pudhur in Ward No.60 of Erode City Municipal Corporation.

- **Bid Reference No. E1/3316/2022**
- **DO NOT OPEN BEFORE 03.30 PM on 03.06.2022.**

In addition to the identification required in Sub-Clause 18.2, the inner envelopes shall indicate the name and address of the bidder to enable the bid to be returned unopened in case it is declared late, pursuant to Clause 20.

If the envelope is not sealed and marked as above, the **Tender Inviting Authority** will assume no responsibility for the misplacement or premature opening of the bid.

19. Deadline for Submission of the Bids

Bids must be received by the Tender Scrutiny Committee at the address specified above not later than **15.00 hours on 02.06.2022**. In the event of the specified date for the submission of bids is declared a holiday, the Bids will be received upto the appointed time on the next working day.

The **Commissioner** may extend the deadline for submission of bids by issuing an amendment in accordance with Clause 9, in which case all rights and obligations of the Employer and the bidders previously subject to the original deadline will then be subject to the new deadline.

20. Late Bids

Any Bid received by the **Tender Inviting Authority** after the deadline prescribed in Clause 19 will be returned unopened to the bidder.

21. Withdrawal / Modification of Bids

Bidders may modify or withdraw their bids by giving notice in writing before the deadline prescribed in Clause 19.

Each Bidder's withdrawal notice shall be prepared, sealed, marked, and delivered in accordance with Clause 17 & 18, with the envelopes additionally marked "**WITHDRAWAL**".

No bid may be modified after the deadline for submission of bids.

Withdrawal or modification of a Bid between the deadline for submission of bids and the expiration of the original period of bid validity specified in Clause 14.1 above or as extended pursuant to Clause 14.2 may result in the forfeiture of the Bid security pursuant to Clause 15.

D. Bid Opening and Evaluation

22. Bid Opening

The **Tender Inviting Authority** will open all the Bids received (except those received late), including modifications made pursuant to Clause 21, in the presence of the Bidders or their representatives who choose to attend at **03.30 PM** on **03.06.2022** at Erode City Municipal Corporation office. In the event of the specified date of Bid opening being declared a holiday, the Bids will be opened at the appointed time and location on the next working day.

Envelopes marked "**WITHDRAWAL/ MODIFICATION**" shall be opened and read out first. Bids for which an acceptable notice of withdrawal has been submitted pursuant to Clause 21 shall not be opened.

The Bidders' names, the Bid withdrawals/ Modifications, the presence or absence of Bid security, and such other details as the **Tender Inviting Authority** may consider appropriate, will be announced by the **Tender Inviting Authority** at the opening. Bids sent pursuant to Clause 21 that are not opened and read out at bid opening will not be considered for further evaluation regardless of the circumstances. Late and withdrawn bids will be returned un-opened to bidders.

The **Tender Inviting Authority** shall prepare minutes of the Bid opening, including the information disclosed to those present in accordance with Sub-Clause 22.3.

23. Examination of Technical Bids and Determination of Responsiveness

Prior to the detailed evaluation of Technical Bids, the Tender Scrutiny Committee will determine whether each Bid (a) meets the eligibility criteria defined in Clause 22; (b) has been properly signed; (c) is accompanied by the required securities and; (d) is substantially responsive to the requirements of the Bid documents.

A substantially responsive Bid is one which conforms to all the terms, conditions, and specifications of the Bid documents, without material deviation or reservation. A material deviation or reservation is one (a) which affects in any substantial way the scope, quality, or performance of the Works; (b) which limits in any substantial way, inconsistent with the Bidding documents, the Employer's rights or the Bidder's obligations under the Contract; or (c) whose rectification would affect unfairly the competitive position of other Bidders presenting substantially responsive Bids.

If a Bid is not substantially responsive, it will be rejected by the Employer, and may not subsequently be made responsive by correction or withdrawal of the non-conforming deviation or reservation.

24. **Price Bid Opening**

The **Tender Inviting Authority** shall notify those bidders whose technical bids did not meet the minimum qualification criteria or were considered non responsive, indicating that their price bids will be returned un opened after the award of the contract. The Employer shall simultaneously notify the technically qualified bidders indicating the date time and place set for opening of price bids.

The price bids shall be opened by the **Tender Inviting Authority** in the presence of bidders representatives who choose to attend. The name of the bidders, quoted bid prices or modification if any shall be read aloud and the **Tender Inviting Authority** shall prepare minutes of the price bid opening.

25. **Process to be Confidential**

Information relating to the examination, clarification, evaluation, and comparison of Bids and recommendations for the award of a contract shall not be disclosed to Bidders or any other persons not officially concerned with such process until the award to the successful Bidder has been announced. Any effort by a Bidder to influence the **Tender Inviting Authority** processing of Bids or award decisions may result in the rejection of his Bid.

26. **Clarification of Bids**

To assist in the examination, evaluation, and comparison of Bids, bidder may be asked to clarify Bid, including breakdowns of the unit rates. The request for clarification and the response shall be in writing or by cable, but no change in the price or substance of the Bid shall be sought, offered, or permitted except as required to confirm the correction of arithmetic errors discovered by the **Tender Scrutiny Committee** in the evaluation of the Bids in accordance with Clause 27.

Subject to sub-clause 26.1, no Bidder shall contact the **Employer** or his subordinates on any matter relating to its bid from the time of the bid opening to the time the contract is awarded. If the Bidder wishes to bring out additional information, it should be done in writing.

Any effort by the Bidder to influence the **Tender Inviting Authority** or any other person involved in the process of the bid evaluation, bid comparison or contract award decisions may result in the rejection of the Bidders' bid.

27. **Correction of Errors**

Bids determined to be substantially responsive will be checked by the **Tender Inviting Authority** for any arithmetic errors. Errors will be corrected by the Employer **as follows**:

- (a) where there is a discrepancy between the rates in figures and in words, **the rate whichever is less** will govern; and
- (b) where there is a discrepancy between the unit and the line item total, resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern.

The amount stated in the Bid will be adjusted by the **Tender Inviting Authority** in accordance with the above procedure for the correction of errors and, with the concurrence of the Bidder, shall be considered as binding upon the Bidder. If the Bidder does not accept the corrected amount the Bid will be rejected and the Bid security may be forfeited in accordance with Sub-Clause 15.4 (b).

28. **Evaluation and Comparison of Bids**

The **Tender Inviting Authority** will evaluate and compare only the Bids determined to be substantially responsive in accordance with Clause 23.

In evaluating the Bids, the **Tender Scrutiny Committee** will determine for each Bid the evaluated Bid Price by adjusting the Bid Price as follows:

- (a) making any correction for errors pursuant to Clause 27; or
- (b) making an appropriate adjustments for any other acceptable variations, deviations; and
- (c) making appropriate adjustments to reflect discounts or other price modifications offered in accordance with Sub Clause 21.5.

The **Tender Inviting Authority** reserves the right to accept or reject any variation, deviation, or alternative offer. Variations, deviations, and alternative offers and other factors which are in excess of the requirements of the Bidding documents or otherwise result in unsolicited benefits for the Employer shall not be taken into account in Bid evaluation.

- 28.4.** In respect of the successful tenderer, the EMD remitted along with the tender shall be converted as **Security Deposit**. The successful tenderer will be called upon to pay for an amount equivalent to 2% of the Contractor quoted value (which includes 1% Earnest Money Deposit already paid) within 15 days from the receipt of Letter of Acceptance.

E. Award of Contract

29. Award Criteria

Subject to Clause 31, the employer will award the Contract to the Bidder whose Bid has been determined to be **substantially responsive to the Bidding documents and who has offered the lowest evaluated Bid Price**, provided that such Bidder has been determined to be (a) eligible in accordance with the provisions of Clause 3, and (b) qualified in accordance with the provisions of Clause 4.

30. Employer 's Right to Accept any Bid and to Reject any or all Bids

Not with standing Clause 29, The City Municipal Corporation Council reserves the right to accept or reject any Bid, and to cancel the Bidding process and reject all Bids, at any time prior to the award of Contract, without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for the Employer 's action.

Negotiation of rates will be made only with the lowest Bidder for reducing the quoted rates

31. Notification of Award and Signing of Agreement

The Bidder whose Bid has been accepted will be notified of the award prior to expiry of the Bid validity period by cable, telex or facsimile confirmed by registered letter. This letter (hereinafter and in the Conditions of Contract called the "Letter of Acceptance") will state the sum that they will paid to the Contractor in consideration of the execution, completion, and maintenance of the Works by the Contractor as prescribed by the Contract (hereinafter and in the Contract called the "Value put to tender").

The notification of award will constitute the formation of the Contract, subject only to the furnishing of an security deposit in accordance with the provisions of Clause 28.4.

The Agreement will incorporate all terms and conditions to be executed between the Commissioner/City Engineer or in absence the Executive Engineer authorized by employer and successful bidder. It will be signed **7 days** following the notification of award along with the Letter of Acceptance and delivered by successful bidder.

Upon the furnishing by the successful Bidder of the Security Deposit, if any the Commissioner will promptly notify the other Bidders that their Bids have been unsuccessful.

32. Corrupt or Fraudulent Practices

The Employer requires that Bidders observe the highest standard of ethics during the procurement and execution of such contracts. In pursuance of this policy, the Employer :

- (a) defines, for the purposes of this provision, the terms set forth below as follows :
 - (i) "corrupt practice" means the offering, giving, receiving or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution; and
 - (ii) "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Borrower, and includes collusive practice among Bidders (prior to or after bid submission) designed to

establish bid prices at artificial non-competitive levels and to deprive the Borrower of the benefits of free and open competition or furnishing of false and fabricated documents

(b) will reject a proposal for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question:

i. will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a Bank-financed contract. Further, Criminal proceedings will also be initiated against the Bidder/ Contractor.

33. Procedure for e-submission:

1. Bidder should do the registration in the e – tender site using the option available. Then the Digital signature registration has to be done with the e-token, after logging into the site. The e-token may be obtained from one of the authorized Certifying authorities such as SIFY/TCS/n Code etc. The list of address of the DSC vendors can be seen in https://tntenders.gov.in/nicdeap/app?component=%24DirectLink_1&page=DSCInfo&service=direct&session=T&sp=SDSCAddress.pdf
2. Bidder then should login to the site using user id and the corresponding passwords.
3. The e-token that is registered should be used by the bidder and should not be misused by others.
4. After downloading the tender schedules, the Bidder should go through them carefully and then submit the documents as directed, otherwise, the bid will be rejected.
5. If there are any clarifications, this may be obtained online through the e-tender site, or thro' the contact details. Bidder should take into account the corrigendum published before submitting the bids online.
6. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender schedule and they should be in the prescribed format.
7. The bidder should read all the terms & conditions mentioned in the bid document and accept the same to proceed further to submit the bids.
8. The Bidder has to submit the tender document online well in advance before the prescribed time to avoid any delay or problem during the e-submission process.
9. Bidders seeking exemption from payment of EMD, as per existing Government Orders, and choosing e-submission option shall access the relevant option available in the e-submission format and submit scanned copy of related documents without fail.
10. The details of the bid security document should be submitted physically before the opening the tender. The scanned copies furnished at time of e-submission and the original bid security should be the same otherwise the tender will be summarily rejected.
11. The Commissioner, Erode City Municipal Corporation will not be held responsible for any sort of delay or the technical difficulty faced in the submission of tenders online by the bidders.
12. The bidder submit the bid documents by online mode through the site (<https://tntenders.gov.in>)
13. The tendering system will give an ACKNOWLEDGEMENT Message only after successful uploading of all the required bid documents. The ACKNOWLEDGEMENT is the bid summary. With the Bid No., Date & Time of submission of the bid with all other relevant details. The documents submitted by the bidders will be digitally signed with the e-token of the bidder and then submitted.
14. The ACKNOWLEDGEMENT should be printed and to be kept as a token of the submission of the bid. The ACKNOWLEDGMENT will act as a proof of bid submission for a tender floated and will also act as an entry point to participate in the bid opening date.
15. Bidder should log into the site well in advance for bid submission so that he submits the bid in time i.e. on or before the bid submission time. If there is any delay, due to other issues, bidder only is responsible.

16. Each document to be uploaded thro' online for the tenders should be less then 2 MB, If any document is more than 2 MB, it can be reduced through zip format and the same can be uploaded. It may be however noted that. If the file size is less than 1MB the transaction uploading time will be very fast.
17. The time setting fixed in the server side & displayed at the top of the tender site, will be valid for all actions of requesting, bid submission, bid opening etc., in the e-tender system. The bidders should follow this time only, during bid submission.
18. All the data being entered by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered will not viewable by unauthorized persons during bid submission & not be viewable by anyone until the time of bid opening. Overall, the submitted tender documents become readable only after the tender opening by the authorized individual.
19. The Confidentiality of the bids is maintained since the secured Socket layer 128 bit encryption technology is used. Data storage encryption of sensitive fields is done.
20. The bidders are requested to upload all related documents through e-tendering on line system to the tender inviting authority **well before 15.00 hours**(as per Server System Clock) on **02.06.2022**.
21. Tenders will be opened by the Tender inviting authority or his authorized officer(s) **at 3.30 P.M. on 03.06.2022** in the presence of tenderers or their authorized representatives if any & members of Tender Scrutiny Committee.

SECTION 2

Additional Conditions of Contract

A. General

1. Definitions

Terms which are defined in the Contract Data are not also defined in the Conditions of Contract but keep their defined meanings. Capital initials are used to identify defined terms.

Bill of Quantities means the priced and completed **Bill of Quantities** forming part of the Bid.

The **Completion Date** is the date of completion of the Works as certified by the Engineer in accordance with Sub Clause.34.1 of section 2.

The **Contract** is the contract between the Employer or his representative and the Contractor to execute, complete and maintain the Works. It consists of the documents listed in Clause 2.3 below.

The **Contractor** is a person or corporate body whose Bid to carry out the Works has been accepted by the Employer.

The **Contractor's Bid** is the completed Bidding document submitted by the Contractor to the Employer.

The **Contract Price** is the price stated in the Letter of Acceptance and thereafter as adjusted in accordance with the provisions of the Contract.

Days are calendar days; **months** are calendar months.

A **Defect** is any part of the Works not completed in accordance with the Contract.

The **Defects Liability Period** is the period of 1 year for BT roads and 2 years for CC roads from the completion of whole of the work.

Employer is Commissioner, Erode City Municipal Corporation

The Commissioner Erode City Municipal Corporation or in his absence, City/Executive Engineer authorized by Employer is responsible for inviting tender, handling process, clarify issued related to tenders, signing of agreement and supervising the execution of the works and administering the Contract.

The **Tender Inviting Authority** is Commissioner, Erode City Municipal Corporation

The **Tender Scrutiny Committee** is the committee of officers which will open, scrutinize and evaluates the bids.

Equipment is the Contractor's machinery and vehicles brought temporarily to the Site to construct the Works.

The **Intended Completion Date** is the date on which it is intended that the Contractor shall complete the Works. The Intended Completion Date is specified in the Contract Data. The Intended Completion Date may be revised only by the **Commissioner** by issuing an extension of time.

Materials are all supplies, including consumables, used by the contractor for in Corporation in the Works.

Plant is any integral part of the Works which is to have a mechanical, electrical, electronic or chemical or biological function.

The **Site** is the area defined as the road specified in the bid document. The date of handing over of the site is the date on which the work order is issued.

Site Investigation Reports are those which were included in the Bidding documents and are factual interpretative reports about the surface and sub-surface conditions at the site.

Specification means the Specification of the Works included in the Contract and any modification or addition made or approved by the Engineer.

Temporary Works are works designed, constructed, installed, and removed by the Contractor which are needed for construction or installation of the Works.

A **Variation** is an instruction given by the Engineer which varies the Works.

The **Works** are what the Contract requires the Contractor to construct, install, and turn over to the **Tender Inviting Authority**.

2. Interpretation

In interpreting these Conditions of Contract, singular also means plural, male also means female or neuter, and the other way around. Headings have no significance. Words have their normal meaning under the language of the Contract unless specifically defined. **The Commissioner** will provide instructions clarifying queries about the Conditions of Contract.

If sectional completion is specified in the Contract Data, references in the Conditions of Contract to the Works, the Completion Date, and the Intended Completion Date apply to any Section of the Works (other than references to the Completion Date and Intended Completion date for the whole of the Works).

The documents forming the Contract shall be interpreted in the following order of priority:

- (1) Agreement
- (2) Letter of Acceptance, notice to proceed with the works
- (3) Contractor's Bid
- (4) Conditions of Contract including Special Conditions of Contract
- (5) Specifications
- (6) Drawings
- (7) Bill of Quantities and
- (8) any other document listed in the Contract Data as forming part of the Contract.

3. Language and Law

3.1 The language of the Contract and the law governing the Contract are stated in the "English" only.

4. Engineer's Decisions

4.1 Except where otherwise specifically stated, the **City/Executive Engineer** will decide contractual matters between the **Employer** and the Contractor representing the **Employer**.

5. Delegation

5.1 The **Employer** may delegate any of his duties and responsibilities to other people except to the Adjudicator after notifying the Contractor and may cancel any delegation after notifying the Contractor.

6. Communications

6.1 Communications between parties which are referred to in the conditions are effective only when in writing. A notice shall be effective only when it is delivered (in terms of Indian Contract Act).

7. Other Contractors

7.1 The Contractor shall cooperate and share the Site with other contractors, public authorities, utilities, and the **Employer** between the dates given in the Schedule of Other Contractors. The

Contractor shall as referred to in the Contract Data, also provide facilities and services for them as described in the Schedule. The **Employer** may modify the schedule of other contractors and shall notify the contractor of any such modification.

8. Personnel

The Contractor shall employ the key personnel named in the Schedule of Key Personnel as referred to in the Contract Data to carry out the functions stated in the Schedule or other personnel approved by the **Commissioner**. The **Commissioner** will approve any proposed replacement of key personnel only if their qualifications, abilities, and relevant experience are substantially equal to or better than those of the personnel listed in the Schedule.

If the **Commissioner** asks the Contractor to remove a person who is a member of the Contractor's staff or his work force stating the reasons the Contractor shall ensure that the person leaves the Site within seven days and has no further connection with the work in the Contract.

9. Employer's and Contractor's Risks

9.1 The **Employer** carries the risks which this Contract states are **Employer's** risks, and the Contractor carries the risks which this Contract states are Contractor's risks.

10. Employer's Risks

10.1 The **Employer** is responsible for the excepted risks which are (a) in so far as they directly affect the execution of the Works in the risks of war, hostilities, invasion, act of foreign enemies, rebellion, revolution, insurrection or military or usurped power, civil war, riot commotion or disorder (unless restricted to the Contractor's employees), and contamination from any nuclear fuel or nuclear waste or radioactive toxic explosive, or (b) a cause due solely to the design of the Works, other than the Contractor's design.

11. Contractor's Risks

11.1 All risks of loss of or damage to physical property and of personal injury and death which arise during and in consequence of the performance of the Contract other than the excepted risks are the responsibility of the Contractor.

12. Contractor to Construct the Works

12.1 The Contractor shall construct and install the Works in accordance with the Specification and Drawings, and as per instructions of **City/Executive Engineer**.

13. The works to be Completed by the Intended Completion Date

The Contractor may commence execution of the Works on the Start Date and shall carry out the Works in accordance with the program and complete the work as follows.

In case of Black Topping (BT) as well as Cement Concrete (CC) Roads, the following milestones have to be met

- a. Minimum one third of the value of work should be completed by the end of the 2 Months, and
- b. Work should be completed in all respects by the end of the 4th month.

If there is default in meeting either or both these deadlines, Liquidated damages @ 0.1% of the unfinished value of work (in relation to the two milestones) will be levied per day till their completion.

The period of completion shall be 4 months from the date of issue of Work Order to the successful contractor.

14. Approval by the City/Executive Engineer

The Contractor shall submit Specifications and Drawings showing the proposed Temporary Works to the **City/Executive Engineer**, who is to approve them if they comply with the Specifications and Drawings.

The Contractor shall be responsible for design of Temporary Works.

The **City/Executive Engineer's** approval shall not alter the Contractor's responsibility for design of the Temporary Works.

All Drawings prepared by the Contractor for the execution of the temporary or permanent Works, are subject to prior approval by the **City/Executive Engineer**, before their use.

15. Safety

15.1 The Contractor shall be responsible for the safety of all activities on the Site.

16. Discoveries

16.1 Anything of historical or other interest or of significant value unexpectedly discovered on the Site is the property of the Employer. The Contractor is to notify the **Commissioner** of such discoveries and carry out the **Commissioner** instructions for dealing with them.

17. Access to the Site

17.1 The Contractor shall allow the **Commissioner** and any person authorized by the City/Executive Engineer access to the Site, to any place where work in connection with the Contract is being carried out or is intended to be carried out and to any place where materials or plant are being manufactured / fabricated / assembled for the works.

18. Instructions

18.1 The Contractor shall carry out all instructions of the **Commissioner**, which comply with the applicable laws where the Site is located.

B. Time Control

19. Program

Within the time stated in the Contract Data the Contractor shall submit to the Engineer for approval a Program showing the general methods, arrangements, order, and timing for all the activities in the Works along with monthly cash flow forecast.

An update of the Program shall be a program showing the actual progress achieved on each activity and the effect of the progress achieved on the timing of the remaining work including any changes to the sequence of the activities.

The Contractor shall submit to the **Commissioner**, for approval, an updated Program at intervals no longer than the period stated in the Contract Data. If the Contractor does not submit an updated Program within this period, the **Commissioner** may withhold the amount stated in the Contract Data from the next payment certificate and continue to withhold this amount until the next payment after the date on which the overdue Program has been submitted.

The **Commissioner** approval of the Program shall not alter the Contractor's obligations. The Contractor may revise the Program and submit it to the Engineer again at any time. A revised Program is to show the effect of Variations and Compensation Events.

20. Delays Ordered by Corporation Commissioner

20.1 The **Commissioner** may instruct the Contractor to delay the start or progress of any activity within the Works.

21. Management Meetings

Either the **Commissioner** or the Contractor may require the other to attend a management meeting. The business of a management meeting shall be to review the plans for remaining work and to deal with matters raised in accordance with the early warning procedure.

The **Commissioner** shall record the business of management meetings and is to provide copies of his record to those attending the meeting and to the Employer. The responsibility of the parties for actions to be taken is to be decided by the **Commissioner** either at the management meeting or after the management meeting and stated in writing to all who attended the meeting.

22. Early Warning

The Contractor is to warn the **Commissioner** at the earliest opportunity of specific likely future events or circumstances that may adversely affect the quality of the work, increase the Contract Price or delay the execution of works.

The Contractor shall cooperate with the **Commissioner** in making and considering proposals for how the effect of such an event or circumstance can be avoided or reduced by anyone involved in the work and in carrying out any resulting instruction of the Engineer.

C. Quality Control

23. Identifying Defects

The **City/Executive Engineer** shall check the Contractor's work and notify the Contractor of any Defects that are found. Such checking shall not affect the Contractor's responsibilities. The **City/Executive Engineer** may instruct the Contractor to search for a Defect and to uncover and test any work that the **City/Executive Engineer** considers may have a Defect.

The contractor shall permit the Employer's Technical auditor to check the contractor's work and notify the **City/Executive Engineer** and Contractor of any defects that are found. Such a check shall not affect the Contractor's or the Engineer's responsibility as defined in the Contract Agreement.

The contractor shall permit the State Quality monitoring Agency to check the contractor's work and notify the **City/Executive Engineer** and Contractor of any defects that are found. Such a check shall not affect the Contractor's or the Engineer's responsibility as defined in the Contract Agreement

24. Tests

- 24.1 If the **City/Executive Engineer** instructs the Contractor to carry out a test not specified in the Specification to check whether any work has a Defect and the test shows that it does, the Contractor shall pay for the test and any samples. If there is no Defect the test shall be a Compensation Event.

25. Correction of Defects

The **Commissioner** shall give notice to the Contractor of any Defects before the end of the Defects Liability Period, which begins at Completion and is defined in the Contract Data. The Defects Liability Period shall be extended for as long as Defects remain to be corrected.

Every time notice of a Defect is given, the Contractor shall correct the notified Defect within the length of time specified by the **Commissioner** notice.

26. Uncorrected Defects

- 26.1 If the Contractor has not corrected a Defect within the time specified in the **Commissioner** notice, the **City/Executive Engineer** will assess the cost of having the Defect corrected, and the Contractor will pay this amount.

Note:- Where in certain cases, the technical specifications provide for acceptance of works within specified tolerance limits at reduced rates, Engineer will certify payments to Contractor accordingly.

D. Cost Control

27. Bill of Quantities

The Bill of Quantities shall contain items for the construction, installation, testing, and commissioning work to be done by the contractor.

The Bill of Quantities is used to calculate the Contract Price. The Contractor is paid for the quantity of the work done at the rate in the Bill of Quantities for each item.

28. Payments

Part or complete Payment will be made EVERY MONTH by the Corporation Commissioner based on the OUTTURN of satisfactory completion of work in the PREVIOUS MONTH and value of work executed shall be determined, based on the measurements and check measurements by the Engineer in the M.Book.

Items of the Works for which no rate or price has been entered in will not be paid for by the Employer and shall be deemed covered by other rates and prices in the Contract.

29. Tax

29.1 The rates quoted by the Contractor shall be deemed to be Basic Rates only. The applicable central and State Taxes will be followed appropriately

30. Currencies

30.1 All payments shall be made in Indian Rupees.

31. Retention

The Employer shall retain a sum equivalent to 5% of the value of the each bill as retention money from each payment due to the Contractor.

Out of the 5% of the retention amount, on issue of completion certificate for the work 2.5% will be released to the Contractor while the balance 2.5% will be retained during defect liability period (1 year for BT Roads and 2 years for CC Roads). The retained 2.5% will be released by the Commissioner after ensuring no liability in connection with work executed.

32. Liquidated Damages

The Contractor shall full fill two milestones viz.,

In case of Black Topping (BT) as well as Cement Concrete (CC) Roads, the following milestones have to be met

a. Minimum one third of the value of work should be completed by the end of the 2 Months, and

b. Work should be completed in all respects by the end of the 4th month.

If there is default in meeting either or both these deadlines, Liquidated damages @ 0.1% of the unfinished value of work (in relation to the two milestones) will be levied per day till their completion.

If the work is not completed even 45 days after the 4 months period, the contract is liable for summary cancellation, Security deposit forfeited and contractor black listed.

However, as earlier mentioned, the employer can cancel the contract if the work is not executed as per the contract in the intermediate period also.

33. Cost of Repairs

33.1 Loss or damage to the Works or Materials to be incorporated in the Works between the Start Date and the end of the Defects Liability periods shall be remedied by the Contractor at the Contractor's cost if the loss or damage arises from the Contractor's acts or omissions.

E. Finishing the Contract

34. Completion

34.1 The Contractor shall request the Engineer to issue a Certificate of Completion of the Works and the **Commissioner** will do so upon deciding that the Work is completed.

35. Taking Over

35.1 The Employer shall take over the Site and the Works within seven days of the **City/Executive Engineer** issuing a certificate of Completion.

36. Termination

The Employer or the Contractor may terminate the Contract if the other party causes a fundamental breach of the Contract.

Fundamental breaches of Contract include, but shall not be limited to the following:

- a) the **Commissioner** gives Notice that failure to correct a particular Defect is a fundamental breach of Contract and the Contractor fails to correct it within a reasonable period of time determined by the **City/Executive Engineer**
- b) The Contractor does not maintain a security which is required;
- c) the Contractor has not completed even 45 days after the contract period
- d) if the Contractor, in the judgment of the Employer has engaged in corrupt or fraudulent practices in competing for or in the executing the Contract.

If the Contract is terminated the Contractor shall stop work immediately, make the Site safe and secure and leave the Site as soon as reasonably possible.

37. Payment upon Termination

37.1 If the Contract is terminated because of a fundamental breach of Contract by the Contractor, the **City/Executive Engineer** shall issue a certificate for the value of the work done up to the date of the issue of the certificate, less other recoveries due in terms of the contract, less taxes due to be deducted at source as per applicable law and less the percentage to apply to the work not completed as indicated in the Contract Data. If the total amount due to the Employer exceeds any payment due to the Contractor the difference shall be a debt payable to the Employer.

38. Property

38.1 All materials on the Site, Plant, Equipment, Temporary Works and Works are deemed to be the property of the Employer, if the Contract is terminated because of a Contractor's default.

39. Force Majeure Event

39.1 No party is eligible to terminate the agreement due to force majeure events.

40. Legal Provisions

Bidder shall abide all statutory legal provisions made in relevant Laws./ Acts / Rules including but not confined to the Child Labour Act, Factories Act, Industrial Disputes Act, etc. The Employer has the right to take action to invoke the Revenue Recovery Act to recover any amount due, wherever necessary.

Risk Insurance

The work executed by the contractor under this contract shall be maintained by the contractor's risk until the work is taken over by the Commissioner. The Government should not be liable to pay for any loss or damages occasioned by (or) arising out of fire, flood, volcanic eruptions, earth quake, other conclusion of nature and all other natural calamities risk arising out of act of God during such period and that the option whether to take insurance coverage (or) not to care such risks is left to the contractor.

41. Caution boards: "CAUTION: WORK IN PROGRESS ROAD CLOSED"

Warning Notice shall be placed at points in the neighborhood of the work where other roads join and cross the road and at such points as may be directed to enable motorists, cyclists, or vehicular traffic to avoid the obstructed road by taking alternative routes, extra cost will not be paid for any incidental items.

42. Tender Transparency Act

The Tamil Nadu Tender Transparency Act will be applicable for this tender.

Agreement Form

Agreement

This agreement, made the _____ day of _____ 20_____,
between _____
_____ [Commissioner] of the
one part and _____
_____ [name and address of contractor] (hereinafter called "the Contractor")
of the other part.

Whereas the Commissioner is desirous that the Contractor execute Formation of Road in Temporary Bus Stand at Solar Pudhur in Ward No.60 of Erode City Municipal Corporation. [File No- E1/3316/2022] (hereinafter called "the Works") and the Commissioner has accepted the Bid by the Contractor for the execution and completion of such Works and the remedying of any defects therein, at a contract price of Rs.....

NOW THIS AGREEMENT WITNESSETH as follows:

1. In this Agreement, words and expression shall have the same meanings as are respectively assigned to them in the Conditions of Contract hereinafter referred to, and they shall be deemed to form and be read and construed as part of this Agreement.
2. In consideration of the payments to be made by the Employer to the Contractor as hereinafter mentioned, the Contractor hereby covenants with the Employer to execute and complete the Works and remedy any defects therein in conformity in all aspects with the provisions of the Contract.
3. The Employer hereby covenants to pay the Contractor in consideration of the execution and completion of the Works and the remedying the defects wherein the Contract Price or such other sum as may become payable under the provisions of the Contract at the times and in the manner prescribed by the Contract.
4. The following documents shall be deemed to form and be read and treated as part and parcel of this Agreement, viz.:
 - i) Tender Document including the Contractor's Bid Documents and all other documents furnished by the bidder and submitted as part of the Bid;
 - ii) Conditions of contract (including Special Conditions of Contract);
 - iii) Specifications;
 - iv) Drawings;
 - v) Bill of Quantities;
 - vi) Letter of Acceptance;
 - vii) Work Order (to be issued)
5. Detailed conditions agreed in the tender document form part of the agreement. The services to be performed, timelines to be met with, penalty clauses for non performance, and the other stipulations will be as furnished herein:

- i. **Contract Period:** The Contract period is for 4 months from the date of issue of work order to the successful contractor.
- ii. **Payment Schedule:** Part or complete Payment will be made every month by the Corporation Commissioner based on the outturn of satisfactory completion of work in the previous month and value of work executed shall be determined, based on the measurements and check measurements by the Engineer in the M.Book.
- iii. **Milestones and Liquidated Damages:** The work will have two milestones

 In case of Black Topping (BT) as well as Cement Concrete (CC) Roads, the following milestones have to be met
 - a. Minimum one third of the value of work should be completed by the end of the 2 Months, and
 - b. Work should be completed in all respects by the end of the 4th month.

If there is default in meeting either or both these deadlines, Liquidated damages @ 0.1% of the unfinished value of work (in relation to the two milestones) will be levied per day till their completion.
- iv. **Machineries:** The bidder should own or lease Paver Machine and tie up with a Hot Mix plant in respect of the BT roads. The Hot Mix shall be delivered at the work site at 120° C. The detailed list of Machineries as detailed in the Tender document shall be made available at the work site.
- v. **Retention Money:** The Corporation shall retain a sum equivalent to 5% of the value of the each bill as retention money from each payment due to the Contractor. Out of the 5% of the retention amount, on issue of completion certificate for the work 2.5% will be released to the Contractor, while the balance 2.5% will be retained during defect liability period (ie., 1 year for the BT Roads and 2 years for the CC Roads). The retained 2.5% will be released by the Commissioner after ensuring no liability in connection with work executed.
- vi. **State Quality Monitors:** In order to ensure quality of the work, Third party checks and inspections by the State Quality Monitors will be taken up. Any defects pointed out by the State Quality monitors shall be attended by the Contractor at his own cost and rectified.
- vii. **Fraudulent Practices :** If it is found any time during the tender process, award of contract, or during the contract period, that the Contractor has furnished false certificate or if the Contractor, in the judgment of the Employer has engaged in corrupt or fraudulent practices in competing for, getting the contract or in the executing the Contract, the Contract will be summarily terminated and Criminal Proceedings will be initiated.
- viii. **Termination of the Contract:** If the work is not completed even 45 days after the contract period (4 months period), the contract is liable for summary cancellation

- ix. **Defect Liability Period:** The defect liability period is 1 year for the BT roads and 2 years for CC roads.

In witness whereof the parties thereto have caused this Agreement to be executed the day and year first before written.
