Including Title capacity in which
application is made (Name in Block letters)

Encl:

- 1) Pre-Qualification Application
- 2)
- 3)

1. TYPE OF CONTRACT : LUMPSUM CONTRACT SYSTEM
(Item wise rate Tender)(Two cover system)
2. NAME OF WORK : Rehabilitation and Modernisation of Lessis
Main Canal and its benifitted 32 tanks in
Sivagangai and Singampunari taluk of
Sivagangai District. (without lining)
3. INVITATION : NIT No. 02/D4/C. 250/2022/Date 05.07.2022

Sealed Pre - Qualification Tenders along with sealed price Tenders are invited for and on behalf of the Governor of Tamil Nadu by the **Superintending Engineer, WRD., Periyar Vaigai Basin Circle, PWD Campus, Tallakulam, Madurai - 625002.**

4. FOR SPECIAL ATTENTION:

(i) The contractors registered with TamilNadu State Water Resources Department / Public Works Department under **Class I (State Level) with monetary limit Rs.75.00 Lakhs and above (Rupees Seventy five Lakhs and above)** and with proven track record of work are eligible.

(ii) The Applicant in the same name and style, should have been in the Civil Engineering Irrigation Construction field atleast for the past FIVE YEARS.

5. The Contractors who fulfill the Pre-qualification criteria are alone eligible to be considered in the Item wise rate system tender.
6. The tender in outer sealed envelope contains pre-qualification tender and item wise price tender in separate inner sealed envelopes will be received by the **Superintending Engineer, WRD., Periyar Vaigai Basin Circle, PWD Campus, Tallakulam, Madurai - 625002 upto 3.00 P.M. on 12.08.2022.**

7. PERIOD OF COMPLETION:

The period of completion shall be **12 (Twelve)** calendar months, which is inclusive of Monsoon period, from the date of handing over of the site to the successful Tenderer.

8. EARNEST MONEY DEPOSIT:

- 8.1 Earnest money deposit of **Rs. 2,28,000/- (Rupees Two Lakhs and Twenty Eight Thousand only)** must accompany with the Pre - Qualification document for this work.
- 8.2 The Earnest money deposit may be produced in the shape of any one of the following forms.
- (i) Demand Draft issued by Nationalised or Scheduled Banks drawn in favour of the **Executive Engineer, W.R.D., Periyar Main Canal Division, Melur**
 - (ii) Small Savings Scripts / Deposits Accounts, Kisan Vikas Patras duly pledged in favour of the **Executive Engineer, W.R.D., Periyar Main Canal Division, Melur**
 - (iii) Bank Guarantee will not be accepted towards Earnest Money Deposit.

8.3 Pre-Qualification tenders not accompanied with the prescribed Earnest Money Deposit and which is not in acceptable shape will be rejected as Non - Responsive tender at the time of opening itself.

9. SECURITY DEPOSIT:-

9.a. Successful tenderer has to furnish security deposit for an amount equal to **2% of the contract value including E.M.D.** which will be converted into security deposit.

9.b. If the tenderer fails to pay the requisite security deposit amount within the specified period of time, the Earnest Money Deposit paid with the tender will be forfeited.

9.c. On evaluation of Tender, if it is found that, over all quoted amount of the Tender is less than **5 to 15%** of the value put to Tender, the contractor has to pay an additional security deposit **at 2%** of the estimated value. If the Tender discount exceeds **15% to 20%** of the value put to tender the contractor has to pay an additional security deposit of **50%** of the difference between the quoted amount and estimated amount.

9(d) If the over all quoted amount of the tender is less than 20% of the value put to tender, then the tender deciding authority will be ascertain the nature of work, the capacity of the tenderer, the competition for this work and feels that this work can be completed by the quoted tenderer with this less value, in such case the contractor has to pay additional Security Deposit of **50%** to the difference between the quoted amount and estimated amount.

If the tender deciding authority feels that the quoted contractor will not able to execute the work, in such case the tender will be rejected.

The Additional Security Deposit Collected for the minus tenders referred above will be returned only along with security deposit as per agreement condition.

9. e.Failure to furnish the additional security deposit within 15 days from the date of receipt of acceptance order and execute the agreement shall entail cancellation of award of contract and forfeiture of E.M.D. furnished.

9.f. The Security Deposit in the shape of irrevocable Bank Guarantee will also be accepted. The Security Deposit should have a validity period of **25 (Twenty Five)** Months from the date of signing of agreement.

9.g. In addition to the aforesaid security deposit, the Executive Engineer shall deduct from the running account bills, an amount equivalent to **5% (Five percent)** of the total value of each bill as retention money.

9.h. The Security Deposit shall be released only after **12 Months** reckoned from the date of completion of work certified by the Engineer.

9.i. **2 ½ % (Two and a Half Percent)** of the total value of the work, will be retained in the final bill of the work for a period of one year, reckoned from the date of completion of the work or as soon as after the expiration of such period of **12 Months**, as all defects shall have been made good according to the true intent and meaning here of, whichever shall last happen.

9.j. The Retention money of **2 ½ (Two and a Half Percent)** of the total value of contract after deducting any amount due to the department, shall be refunded to the contractor, after the defects liabilities attached to the contract is over (as per para 9(i) above) subject to the following conditions.

- (i) The Executive Engineer, concerned should certify that no liability is due from the contractor.

10. LANGUAGE OF PRE - QUALIFICATION AND PRICE TENDER :

Tenders shall be offered only in the prescribed forms in "ENGLISH " only.

11. VALIDITY OF PRICE TENDER:

The Price tender shall be valid for a period of **90 days (Ninety days)** from the date, notified for opening of price tender.

12. SUBMISSION OF PRICE TENDER:

12.1 The Price tender under Item wise rate tender System may be submitted as per the instructions given in the price tender Schedule booklet. Tenderer should quote their rates both in figures and words in the Price tender schedule.

12.2. Pre - Qualification tender and Price tender must be submitted separately in a wax sealed envelopes. These envelopes (called as inner envelopes) shall then be put inside, in one outer envelope. The inner and outer envelopes shall be

addressed as : **"The Superintending Engineer, WRD., Periyar Vaigai Basin Circle, PWD Campus, Tallakulam, Madurai - 625002"**.

The outer cover and inner covers containing the Pre - Qualification tender and Price tender must be super scribed as mentioned below:

Outer Cover:

- a) PRE - QUALIFICATION TENDER AND PRICE TENDER
- b) NAME OF WORK
- c) TENDER NOTICE NO.
- d) DUE DATE FOR OPENING OF PRE - QUALIFICATION TENDER

Project Manager : 1 No. (One Number) B.E., in Civil Engineering with minimum Ten years experience in projects.

Site Engineer : 2 Nos. (Two Numbers) B.E., in Civil Engineering with minimum Five years Experience.

: 2 Nos. (Two numbers) Diploma in Civil Engineering with minimum three years experience.

DOCUMENTS TO BE PRODUCED : for 11

(i) List of Technically Qualified personnel under Permanent / Regular employment available with the applicant with details such as (a) Name (b) Qualification (c) Total Experience (d) Under Regular Employment with the applicant since... (e) Emoluments paid etc.

(ii) List of Technical Personnel to be deployed for this work along with their willingness, attested Xerox copy of the testimonials in support of the Technical Qualification of the personnel to be deployed.

(iii) If required number of Technical Personnel are not available under Permanent regular employment of the applicant, the Names, Qualification, Total Experience etc., of the Technical Personnel proposed to be employed for this work, along with their willingness and attested Xerox copy of the testimonials in support of the qualifications of the Technical Personnel proposed to be employed exclusively for this work, should be furnished.

12. TOOLS AND PLANTS

The applicant should have the minimum prescribed construction equipment, tools and plants exclusively for executing the work, as required in the pre-qualification application. The following evidence to be produced as prescribed in the pre-qualification condition for tools and plants should be furnished by the applicant at the time of submission of pre-qualification tender proposal itself.

1	Hydraulic excavators ($\pm 0.90 \text{ m}^3$)	5 Nos.
2	Hydraulic Excavator ($\pm 0.3 \text{ m}^3$)	3 Nos.
3	Tippers (8-10T) / Lorries	10 Nos.
4	Water tankers	10 Nos.
5	Concrete mixers (7/5 cft)	5 Nos.
6	Vibrators with needle thickness of 20 mm & 40 mm	6 Nos.
7	Generator 10 KVA	3 Nos.
8	Transit mixers (Ajax)	3 Nos.
9	Power Roller	1 No.

DOCUMENTS TO BE PRODUCED : FOR 12

- (i) Attested Xerox copy of the R.C. Books for the Machineries / Vehicles owned by the applicant.
- (ii) Sworn in Affidavit and Chartered Accountant 's Certificate Stating the details of equipment, Tools & Plants available with the applicant with make, year of purchase, capacity, present working condition of the equipment etc.,

- (iii) If the Tools and Plants are proposed to be taken on lease or already on lease with the applicant, the source, from which the Tools and Plants have been taken on lease with proof, should be furnished in addition to the particulars in items. (ii) as said above.

13) Bid capacity.

Tenderers who meet the above requirement will be qualified if this available bid capacity is more than the total value of this tender.

The available bid capacity will be calculated as under.

Assessed available bid capacity = $A \times N \times 1.5 - B$.

Where

A – Maximum value of Civil Engineering works executed in any one year during the last five years taking into account the completed as well as the work in progress.

N – Number of years prescribed for completion of the work for which tender is invited (i.e.,) **12 months (12/12 = 1 year)**

B - Value at **2022 - 2023** price level of existing Commitments and on going works to be completed during the **next 12 months**.

DEFINITION :

" **Existing commitments** " the total value of each project under execution minus the value of works completed as on the date of submission of pre-qualification application and value of work awarded to the tenderer and value of work to be awarded to the tenderer i.e., tenders under consideration.

EVIDENCE TO BE PRODUCED FOR 13

- a) List of works already committed by the applicant and are in progress.
- b) Certificate (for each of the committed works) issued by the Engineer in Charge (Not below the Rank of Executive Engineer / Project Engineer) of the work, being executed by the applicant with the following details.
 - 1. Name of work with location.
 - 2. Name / Designation of the Owner / Employer.

3. Agreement Number.
4. Total value of work.
5. Period of completion stipulated in the agreement.
6. Date of commencement of the work.
7. Balance period available for completing the work.
8. Value of work so far completed.
9. Value of Balance items of work to be completed.
10. Physical Progress or stage of work
11. Remarks.

Note :

1. If any of the information furnished by the applicant is found to be concealed or false, at a later date, the contract will be terminated forthwith, without prejudice to the rights thereon, consequent on termination, the contractor will be banned from business dealings.

2. All the documentary evidences should be stitched (Spiral binding should be avoided) neatly and the pages should be serial numbered. Index of the Index documents produced, should be prepared, and Reference to page number of the documents produced should be furnished in the Index.

3. The Pre – qualification evaluation shall be done on a **PASS or FAIL basis against each of the above 13 (THIRTEEN) Criteria.**

4. The evaluation will be done only based on the information, evidence, documents, records, particulars furnished by the applicant and hence the applicants are advised to furnish adequate and relevant information along with requisite documentary evidences without omission.

5. As far as possible, details shall be furnished in the schedules appended to this application. If the space left is found insufficient additional sheets may be attached to the schedules.

6. Photographs of the Civil Construction works completed by the applicants may be pasted in thick white paper and produced along with the documents.

7. Brochures, Pamphlets, etc., shall also be stitched along with the documents value.

8. The applicants are cautioned that the Pre – Qualification Application containing any deviation from the contractual terms and conditions, specification or other requirements will be rejected as non – responsive and low performance reliability.

III METHOD OF TENDERING:

(i) If the Pre – Qualification tender is made by an individual, it should be signed by the individual with his full name in capitals and his current address.
