In the NIC e-portal <https://tntenders.gov.in/nicgep/app>, the bidders can find the following bid sheets (BoQ 1) for quoting the price bid.

**Techno-commercial documents and price schedule (both as Two part tender) for the above work should be submitted through the link <https://tntenders.gov.in/nicgep/app>**

- 1.2 The tender will be processed online through e-tender and e-reverse auction. The bidder shall submit his response through bid submission to the tender one-procurement platform only at NIC's website <https://tntenders.gov.in/nicgep/app> as no other forms of bid submission is accepted. Bidders are requested to quote their price through the online-procurement portal/system only.
- 1.3 The procedures to be followed are explained below:
  - a) Techno-Commercial Bids are to be filled in the given formats & attached. The required and mandatory formats are available in the Tender Document in the e-portal.
  - b) Price Bids are to be filled in the e-portal in the relevant web pages enabled for the bidders. Price bids will be opened before- reverse auction for the works.
- 1.4 Bidders are requested to read these instructions and terms & conditions before submitting their online tenders.
- 1.5 The Bidders are required to submit soft copies of their Bids electronically on the TAMILNADU GOVERNMENT E PROCUREMENT Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the Bidders in registering on the TAMILNADU GOVERNMENT E PROCUREMENT Portal, prepare their Bids in accordance with the requirements and submitting their Bids online on the TAMILNADU GOVERNMENT E PROCUREMENT Portal.
- 1.6 More useful information for submitting online Bids on the TAMILNADU GOVERNMENT E PROCUREMENT Portal may be obtained at: <https://tntenders.gov.in/nicgep/app>)

### 1.7 REGISTRATION AT NIC PORTAL:

Bidders are required to enroll on the e-Procurement module of the Tamil Nadu Government E procurement Portal ( URL: <https://tntenders.gov.in/nicgep/app>)

- 1) By clicking on the link "**Online Bidder Enrolment**" on the TAMILNADU GOVERNMENT E -PROCUREMENT Portal which is free of charge.
- 2) As part of the enrolment process, the Bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the TAMILNADU E PROCUREMENT Portal.
- 4) Upon enrolment, the Bidders will be required to register their valid Digital Signature Certificate (DSC) (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India(e.g.Sify / nCode /e Mudhra, etc.), with their profile.
- 5) Only one valid DSC should be registered by a Bidder. Please note that the Bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC /e-Token.

### 1.8 SEARCHING FOR TENDERDOCUMENTS:

- 1) There are various search options built-in the TAMILNADU GOVERNMENT E PROCUREMENT Portal, to facilitate Bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the Bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the TAMILNADU GOVERNMENT E PROCUREMENT Portal.
- 2) Once the Bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the TAMILNADU GOVERNMENT E PROCUREMENT Portal to intimate the Bidders through SMS / e- mail in case there is any corrigendum issued to the tender document.

- 3) The Bidder should make a note of the unique Tender ID assigned to each tender, incase they want to obtain any clarification/help from the Helpdesk.

#### 1.9 PREPARATION OF BIDS:

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their Bids.
- 2) Please go through the Bid document carefully to understand documents required to be submitted as part of the Bid. Any deviations from these may lead to rejection of the Bid.
- 3) Bidder, in advance, should get ready the Bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with Black and White option which helps in reducing size of the scanned document.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every Bid, a provision of uploading such standard documents (e.g. PAN card copy, Annual Reports, Auditor Certificates etc.) has been made to the Bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a Bid, and need not be uploaded again and again. This will lead to a reduction in the time required for Bid submission process.

#### 1.10 PROCEDURE FOR ELECTRONIC SUBMISSION OF BIDS:

The Bidder shall submit online, the requirements under qualification criteria and techno-commercial documents required and SCHEDULE OF PRICE/BOQ vide ANNEXURE-A. All the documents are required to be signed digitally by the Bidder. After electronic online Bid submission, the system generates a unique Bid reference number which is time stamped. This shall be treated as acknowledgement of Bid submission.

- 1) Bidder should log- in to the site well in advance for Bid submission so that they can upload the Bid in time i.e. on or before the Bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The Bidder has to digitally sign and upload the required Bid documents one by one as indicated in the Bid document.
- 3) Bidder has to select the payment option as "offline" to pay the tender fee/ EMD as applicable and enter details of the instrument.
- 4) Bidder should prepare and submit the EMD as per the instructions specified in the Bid document.

- 5) Bidders are requested to note that they should necessarily submit their price Bids in the format provided and no other format is acceptable. If the price Bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by the Bidder. Bidders are required to download the BOQ file, open it and complete the Blue coloured (unprotected) cells with their respective financial quotes and other details (such as name of the Bidder etc). No other cells should be changed. Once the details have been completed, the Bidder should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the Bidder, the Bid will be rejected.
- 6) The server time (which is displayed on the Bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the Bids by the Bidders, opening of Bids etc. The Bidders should follow this time during Bid submission.
- 7) All the documents being submitted by the Bidders would be encrypted to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of Bid opening. The confidentiality of the Bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any Bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/Bid openers public keys.
- 8) The uploaded Bid documents become readable only after the tender opening by the authorized Bid openers
- 9) Upon the successful and timely submission of Bid (i.e., after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful Bid submission message & a Bid summary will be displayed with the Bid no. and the date & time of submission of the Bid with all other relevant details.
- 10) The Bid summary has to be printed and kept as an acknowledgement of the submission of the Bid. This acknowledgement may be used as an entry pass for any Bid opening meetings.
- 11) In all cases, Bidders should use their own ID and Password along with Digital Signature certificate at the time of submission of their Bid.
- 12) During the entire e-tender process, the Bidders will remain completely anonymous to one another and also to everybody else.
- 13) The e-tender floor shall remain open from the pre-announced date & time till the specified due date & time.

- 14) The electronic Bid submitted during the e-tender process shall be legally binding on the Bidder. Any Bid will be considered as valid only if it is submitted in the prescribed format given in the Bid document.
- 15) It is mandatory that all the Bids are submitted with digital signature certificate otherwise the same will not be accepted by the system.
- 16) TANGEDCO reserves the right to cancel or reject or accept or withdraw or extend the due date for submission of Bid as the case may be without assigning any reason thereof.
- 17) The server time shall be treated as final and binding. Bids recorded in the server before the Bid closing time will only be treated as valid Bid. Bidders are, therefore, advised to submit their Bids well before the closing time of e-tender. If any Bid reaches the server after the Bid closing time as per server time, the same will not be recorded and no complaint in this regard shall be entertained. The **Tender Inviting Authority (TIA)** is not responsible for any sort of delay or the difficulties faced during the submission of Bids online by the Bidders due to local issues.
- 18) Bidders are advised to exercise caution in submitting their Bids in e-tender and e-Reverse Auction, as the case may be, to avoid any mistake. Bids once submitted can't be recalled.
- 19) Any order resulting from this Bidding process shall be governed by the terms and conditions mentioned in the Bid Documents.
- 20) No deviation to the technical and commercial terms & conditions are acceptable.
- 21) Bidders are required to sign in each page of the Bid specification.

#### 1.11 ASSISTANCE TO BIDDERS:

- 1) Any queries relating to the Bid document and the terms and conditions contained therein should be addressed to the Inviting Authority for the Bid or the relevant contact person indicated in the Bid document.
- 2) All queries relating to the process of online Bid submission or queries relating to TAMILNADU GOVERNMENT E-PROCUREMENT Portal in general may be directed to the 24x7 TAMILNADU GOVERNMENT E-PROCUREMENT Portal Helpdesk.

#### 1.12 SYSTEM CONFIGURATIONS:

The Bidder may note that the following configurations will be required to be undertaken in their Internet Explorer browsers for smooth functioning of the website and the e-Bidding portal.

The system requirements are as follows:

- 1) Windows 7 or above Operating System
- 2) IE-7 and above Internet browser.
- 3) Signing type digital signature

- 4) Latest updated JRE 8 (x86 Offline) software to be downloaded and installed in the system.

To enable ALL active X controls and disable 'use pop up blocker' under Tools→Internet Options→ custom level (Please run IE settings once)

#### 1.13 Submission of Hard copies of Documents

1. The Bidders shall also note that online submission of the Bid with supporting documents and submission of the hard copies of the documents shall be allowed only up to 17.00 Hrs on the date of online Bid submission. Bidders in their own interest are advised to complete the entire process well in advance to avoid any last minute hiccup / technical problems. No complaints shall be entertained in this regard at any stage.

#### 1.14. E – TENDER AND E- REVERSE AUCTION

1. Bidders should quote in "cost per mt" for movement of coal from mines (mcl mines given above) upto loading on to TANGEDCOs chartered vessel at Paradip port considering all inclusive rates. In e-tender, price Bids received from Technically Qualified Bidders only will be opened, electronically. Bid prices including applicable taxes, shall be evaluated on the basis of the lowest evaluated total price in INR which shall be the opening price for E reverse auction. Technically Qualified Bidders only will be allowed to participate in the E- Reverse auction process.
2. After opening of the Price Bid, the Bidders who shall become eligible to participate in the E Reverse Auction as per the conditions stated in this Document, known as the Qualified Bidders, will be intimated about their qualification through notification on the (<https://tntenders.gov.in/nicgep/app>) website within their secured login as well as a system generated email. It shall be the sole responsibility of the Bidder to regularly check the (<https://tntenders.gov.in/nicgep/app>) website and log in to see whether they have qualified or not. TANGEDCO will not be responsible for non-receipt of email by the Bidder and its consequences.
3. E-Bidding is the process of inviting binding final price offers from the Qualified Bidders through internet for the purpose of determination of the lowest Bidder (i.e the Bidder who submits the lowest price Bid in the Reverse Auction). During Reverse Auction process, Bidder can change their quoted price from their initial price by a decrement of at least **INR 10.00** (or its multiples) to reduce its total price further. Such changes can be made any number of times within the e-Reverse Auction period.
4. The Qualified Bidder will remain anonymous to other Qualified Bidders participating in the electronic Bidding process. The Qualified Bidder will be able to see the prevailing lowest price Bid, but the name of the current

L1Bidder at any point of time will not be displayed. The Qualified Bidder shall have to put its price Bid below the displayed current L1 Bid by a decrement as above to become the L1 Bidder. The lowest price obtained after completion of the Reverse Auction Process, shall be the Closing Price and the bidder quoting the same will be considered as the L1 bidder.

5. The electronic Bidding process will have a scheduled start and close time which will be displayed on screen. A Qualified Bidder will be able to put its price Bid after the start of Bid time and till the close time of electronic Bidding. The current server time (IST) will also be displayed on the screen. In the event a Bid is received during the last 10 (ten) minutes before the scheduled close time of electronic Bidding the close time of electronic Bidding will be automatically extended by 10 (ten) minutes from the last received Bid time to give equal opportunity to all other Qualified Bidders. This process of auto extension will continue till there is a period of 10(ten) minutes during which no price Bids are received.

For example, assuming that the initial scheduled close time for a particular electronic Bidding is 1:00 pm and a price Bid is received at 12:55 pm, the scheduled close time shall be revised to 1:03 pm. Again if a price Bid is received at 1:01 pm, the scheduled close time shall be revised to 1:09 pm and so on. In the event that there is no further price Bid is received till 1:09 pm, the electronic Bidding will close at 1:09 pm. The revised close time will be displayed on screen and the Qualified Bidders should keep refreshing its webpage to get the latest information.

The above example is only illustrative and meant for guidance only.

6. During the tender process for electronic Bidding the Bidder shall be required to sign their Bids with their respective digital signature certificate (DSC) which has been used to login. Any digital signature certificate other than the above shall not be acceptable for Bid submission by the system. Bidders in their own interest are advised to get themselves acquainted with the electronic Reverse Auction process of (<https://tntenders.gov.in/nicgep/app>) by getting their Authorized Representative trained beforehand through some demo electronic –Reverse Auction schedule of which will be declared later in the (<https://tntenders.gov.in/nicgep/app>) website.

#### 1.15. ABOUT DIGITAL SIGNATURE CERTIFICATE:

1. A Bidder shall be required to possess a valid Digital Signature Certificate (DSC) of signing type to be able to submit its Bid and to participate in the electronic Reverse Auction on <https://tntenders.gov.in/nicgep/app> website. For this purpose, Bidders shall be required to authorize its Authorized Signatory to procure a Class III DSC of signing type from any Certifying Authority or their authorized agencies in India.

2. The Bidder may note that only one user id will be mapped with a given DSC for the Authorized Representative. DSC once mapped with a particular user id of a Bidder will normally not be changed and therefore Bidders are advised to carefully select the DSC before forwarding the same to NIC for mapping.
3. The Digital Signature Certificate will be used to digitally sign the Bids that the Bidder will submit online.
4. It will be the sole responsibility of the Bidder and its respective Authorized Representative to maintain the secrecy of the password for the Digital Signature Certificate. The Bidder and its contact person shall be solely responsible for any misuse of the DSC and no complain / representation in this regard shall be entertained at any stage by TANGEDCO.

#### **4.0 SUBMISSION OF BIDS UNDER E-TENDER WITH REVERSE AUCTION SYSTEM**

The entire bidding process is divided into two stages, ie. Stage I and Stage II. Stage I bidding will be through e-tender and Stage II bidding will be through e-reverse auction.

4.1 The evaluation/e-bidding process will be conducted for "cost per MT" for all the works involved in Movement of 6.4LT +/- 10% Coal From MCL Mines Namely HINGULA, ANANTA, BALRAM, BHARATHPUR, JAGANNATH, GARJANBAHAL, LAKHANPUR AND KULDA under RCR Mode in coordination with Coal Companies, Railways And Port Authorities for supervision of coal loading at Mines, transportation of coal by Road to nearby Railway/Good Shed Sidings, Stacking at Railway/Good Shed Sidings, Transportation, Stacking and handling of coal at the Paradip port upto loading of coal onto TANGEDCOs Chartered Vessel.

However the Bidder should quote for all the works mentioned in the BOQ separately. Bidders not filling up all the required PRICE entries in the BoQ bid sheets are liable for rejection. Bid prices including applicable duties, shall be evaluated on the basis of the lowest evaluated total price in INR which shall be the opening price for E reverse auction. The lowest price obtained after completion of the E - Reverse Auction Process, shall be the Closing Price and the bidder quoting the same will be considered as the L1 bidder. Refer Annexure A for Price Bid format. This Annexure A is for reference purpose only. Price entries should be filled up in the BOQ sheets online, provided in the e bidding portal of NIC.

#### **4.2 TWO PART TENDER STAGE:**

Tenderers must submit their Techno-commercial documents and Price schedule in E-procurement portal **on or before 1530 Hrs on July 2022**. Techno-commercial documents are to be submitted separately in specified formats as stipulated in Section II. Techno-commercial documents should contain the Qualifying data, Techno Commercial terms & conditions, Financial Statements strictly as per this tender document. Documents evidencing Bid Qualification Requirements mentioned **in (6)** of Section I and other documents as listed in

Section II of the tender specification COAL– DT. 07.2022 . should be scanned & attached in the e-portal. Price schedule should be submitted in the BoQ sheets in the NIC e-portal as per Annexure A. **The techno-commercial bid documents will be opened on the scheduled date of tender opening. The Techno-Commercial documents will be scrutinized and those bidders who qualify in the EMD and Techno-commercial evaluation, satisfying the BQR conditions and all the tender conditions, will only be taken for price evaluation and called for e reverse auction. Bids which do not comply with the conditions with documentary proof (wherever required) will not be considered for evaluation of lowest price and will not be called for e reverse auction.** The tenderers, on their own interest, should ensure that all the documents required are uploaded in the e-portal. Tenders received without the relevant documents would summarily be rejected.

**The price bids of the qualified bidders will be opened on a separate date on due intimation to the qualified bidders and E – reverse auction will be conducted**

#### **4.3 PRICE BID:**

At the price bid stage, TANGEDCO would adopt the following procedure to evaluate the tender.

- a) The date and time of opening of price bids will be informed to the qualified bidders.
- b) Bid prices including applicable duties, shall be evaluated on the basis of the lowest evaluated total price in INR which shall be the opening price for E reverse auction.
- c) E-reverse auction would be conducted on date and time intimated to all the eligible bidders.
- d) The Total Price in INR/MT is to be filled in the relevant fields of the forms on the live auction floor of the e-portal.

#### **4.3 TRANSPORTATION & HANDLING CHARGES:**

- i) The charges should be quoted in INR for the works of Movement of 6.4LT +/- 10% Coal From MCL Mines Namely HINGULA, ANANTA, BALRAM, BHARATHPUR, JAGANNATH, GARJANBAHAL, LAKHANPUR AND KULDA under RCR Mode in coordination with Coal Companies, Railways And Port Authorities for supervision of coal loading at Mines, transportation of coal by Road to nearby Railway/Good Shed Sidings, Stacking at Railway/Good Shed Sidings, Transportation, Stacking and handling of coal at the Paradip port upto loading of coal onto TANGEDCOs Chartered Vessel by ensuring minimization of transit loss in

the e-portal as per the Price Schedules (BOQ) enabled in the e-portal. The Payment of Railway freight and cargo related charges at port for TANGEDCO is also under the scope of the bidder. The details in the Bid sheet will be as found in Annexure – (A ) of this tender specification, which is for sample only and should not be filled up & uploaded in the e-tender. Price schedule to be quoted online only.

- ii) The taxes, duties and levies like GST, as applicable, if any, should be quoted separately with the percentage of such taxes, duties and levies online at the time of submission of the e-bid.

#### **4.4 EVALUATION AND NEGOTIATION:**

For the purpose of evaluation of tender offers, the following factors will be taken into account for arriving at the evaluated price:

- i) The evaluation/e-bidding process will be conducted for “cost per MT” for all the works involved in Movement of 6.4LT +/- 10% Coal From MCL Mines Namely HINGULA, ANANTA, BALRAM, BHARATHPUR, JAGANNATH, GARJANBAHAL, LAKHANPUR AND KULDA under RCR Mode in coordination with Coal Companies, Railways And Port Authorities for supervision of coal loading at Mines, transportation of coal by Road to nearby Railway/Good Shed Sidings, Stacking at Railway/Good Shed Sidings, Transportation, Stacking and handling of coal at the Paradip port upto loading of coal onto TANGEDCOs Chartered Vessel. However the Bidder should quote for all the works mentioned in the BOQ separately. Bidders not filling up all the required PRICE entries in the BoQ bid sheets are liable for rejection. The tenderer whose evaluated lowest price in the e-reverse auction shall be treated as the L1 bidder.
- ii) The quoted price will be corrected for arithmetical errors to the advantage of the TANGEDCO.
- iii) If the Bidder does not accept the correction of the errors as above, his bid will be rejected and the amount of EMD / BG forfeited.
- iv) If there is a discrepancy between words and figures, the amount in words will prevail.

4.5 TANGEDCO reserves the right to reject any or all tenders at it's own discretion without assigning any reason whatsoever and TANGEDCO is not responsible for any delay in submission of EMD/bid on due date and in time.

4.6 However, in order to secure the best possible procurement price, TANGEDCO reserves the right to conduct negotiations with the L1 tenderer/tenderers as per Section 29 (3) of Chapter VI Tender Evaluation

of the TAMIL NADU TRANSPARENCY IN TENDERS RULES, 2000 and as per provisions under Subsection (3) of Section 10 of the Tamil Nadu Transparency in Tenders Act 1998. Under the same provisions of the Rules and Act, TANGEDCO reserves the right to negotiate with the L1 bidder based on the existing market rates and based on L1 of all the sidings.

## **5.0 CLARIFICATION OF DOCUMENTS AND SPECIFICATION:**

- 5.1** The tenderer is required to carefully examine the specification and the required documents and be fully aware of all the conditions which may in any way affect the service or the cost thereof. If any tenderer finds omissions in the specifications and documents or is in doubt as to the true meaning of any part, the bidder shall at once request by e-mail for an interpretation/clarification to the Chief Engineer/Mech/Coal, TANGEDCO Ltd., Chennai. Such a request for clarifications shall reach the above officer 72 hours before the due date and time of bid submission through email to [cemechcoal@tnebnet.org](mailto:cemechcoal@tnebnet.org) clearly indicating **"PREBID QUERY- TENDER SPECIFICATION NO. COAL- DT. 07.2022"** in the subject of the email. The Chief Engineer/Mech/Coal, TANGEDCO Limited, Chennai will upload reply(ies) containing interpretations and clarifications for such written requests for clarifications. The consolidated reply to the queries will be made available as Corrigendum to the relevant Notice Inviting Tender (NIT) 48 Hrs before end of online bid submission of the tender. After receipt of such interpretations and clarifications, the tenderer may submit his offer but within the due date and time as specified. All such interpretation and clarification shall form a part of the tender specification.
- 5.2** Verbal clarifications and information obtained by the tenderer shall not in any way be binding on the TANGEDCO.
- 5.3** It will be the responsibility of such tenderer to be fully aware of all local conditions and other factors which may have any effect on the execution of supply of coal covered under this specification and documents.
- 5.4** It must be understood and agreed that all such factors are properly investigated and considered before submitting the offer. No claim for financial adjustment to any contract awarded under these specification and documents will be permitted by the TANGEDCO. Neither any change in the time schedule of the contract nor any financial adjustment arising thereof shall be permitted by the TANGEDCO, which are based on the

lack of such clear information or its effect on the execution of service to the tenderer.

- 5.5** The opening date and time for the e-reverse auction will be intimated to the eligible tenderers after scrutiny of the Techno Commercial Bid and the Price bid. No changes, amendments which materially alter the tendered prices shall be permitted after the opening of the tender.
- 5.6** The Tenderer shall furnish along with their offer all the details required. The tender offers accepting all commercial terms of the specification will be treated as most responsive offer.

**6.0 INFORMATION REQUIRED AND CLARIFICATIONS:**

- 6.1** To assist in the examination, evaluation and comparison of tender offers, TANGEDCO may, at its discretion ask the tenderer for clarification of his offers/documents. All response to requests for clarification shall be sent by e-mail and to the point only.
- 6.2** TANGEDCO will examine the tender offers to determine whether they are complete, and any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the offers are generally in order.
- 6.3** Prior to the detailed evaluation, TANGEDCO will determine the substantial responsiveness of each offer to the bidding documents. A substantially responsive offer is one which conforms to all the terms and conditions of the specification without any deviation.

**7.0 REJECTION:**

- 7.1** Tender is liable to be rejected if it is:

The L1 bidder should furnish GST Input Tax Credit (ITC) benefit declaration as per Schedule -B.

### **10.0 GST**

The GST as applicable from time to time will be paid by TANGEDCO. The GST will be paid to the contractor on producing GST Registration no., GST code, the GST Account No. in the invoice. The proof of having remitted the GST, by the contractor, shall be submitted to TANGEDCO. GSTR 2A return to be submitted by the contractor monthly.

### **11.0 QUALITY OF COAL:**

1. The quality of coal as analyzed at loading end (mine) must be received at unloading end (discharge port).

Coal sampling at mine end during loading in tippers/dumpers and during coal unloading at Discharge port shall be done by a reputed third party like CIMFR. Agency has to coordinate in collection of samples by the Third Party like CIMFR. Appointment and payment to the sampling party and testing charges at mine end and at discharge port end shall be done by TANGEDCO. Coal sampling at railway siding /Load port shall be done by a reputed third party NABL accredited agencies as per reputed standards and will be of the contractors Scope. Payment to the sampling party and testing charges at Siding/Load port shall be done by Contractor.

2. Regarding the process and the time taken for coal sampling, the contractor or any of his personnel shall not have any objection and shall fully cooperate with the sampling agency.

3. Agency has to depute their person, duly authorized by TANGEDCO, to witness coal sampling at MCL mine end. TANGEDCO part sample at the mine end may be collected and dispatched to TANGEDCO within 5 days of collection, for analysis at TANGEDCO laboratory.

#### **12.0 INSPECTION BY TANGEDCO:**

TANGEDCO officials shall have access to the load port operations at any time for the purpose of inspection of the work. The agency shall make necessary arrangements for inspection.

The agency shall maintain document/stock register in English only at mine/ load port on daily basis. TANGEDCO officials can verify or copy the registers as and when required. Agency shall place the updated registers in front of TANGEDCO officials when asked. Hence the agency has to keep these registers updated all the time.

#### **13.0 QUALITY RECONCILIATION:**

Grade reconciliation shall be done on Overall basis (executed quantity) based on difference in Coal grade (between Grade corresponding to weighted average GCV at mine end and weighted average GCV as received at discharge port under this contract). In case there is difference in Coal grade, the differential amount (difference of MCL notified rate for TANGEDCO prevailing for each truck/rake against respective grades plus taxes) will be determined and shall be deducted from the respective payment to the contractor.

The agency shall appoint a third party NABL accredited agencies sampling agency if moved by rail/or directly by sea in order to take samples at Loading end as per Joint sampling procedure adopted nationwide and furnish the reports to TANGEDCO.

However, no additional payment shall be made to contractor, if received grade at load port is higher than lifted grade at mine end.

For quality reconciliation, report submitted by CIMFR shall be considered. If any CIMFR report at mine end was protested by either MCL or TANGEDCO, the referee report shall be considered as final grade at mine end.

To determine the grade of coal based on weighted average GCV, sample testing error of max +/-130 KCal/kg is permitted, which may be applied by the agency on weighted average GCV at either mine end or discharge port, but it cannot be applied at both ends simultaneously.

## 14.0 Payment Terms:

- 14.1 95% Payment shall be made against quantity as per Bill of Lading and grade of coal mentioned in the test certificate as given by third party inspection agency at discharge port. **In case of any degradation of coal when compared with declared grade, the difference in coal cost shall be adjusted from the payment to the contractor. However in case of any upgradation of coal when compared with declared grade of coal, no additional payment shall be made to the contractor. Payment shall be paid for the quantity as per Bill of Lading.**
- 14.2 The 95% payment will be released by TANGEDCO within 90 days, against receipt of Final invoice raised based on the Bill of Lading and sampling and analysis at Discharge Port.
