SECTION IV

Conditions of Contract- General Conditions

4.1 Scope of Procurement

- 4.1.1 The quantity of procurement as provided in the tender documents is of indicative nature. The actual quantity will be as drawn by the Department through call ups and the same will be within the overall quantity of the Purchase order to be issued by this office and also in tune with such relevant clauses of Transparency in Tender act.
- 4.1.2 The Employer reserves the right to reallocate the quantities between the locations within the Purchase order quantity in case the order placed is for multiple locations.
- 4.1.3 The Employer also reserves the right to short close the order at any time during the currency of the contract / validity of the Purchase order before drawing the full quantity.

4.2 Packing

- 4.2.1 The equipment should be delivered at specified offices in perfect condition and no damage or repair in transit shall be accepted. Necessary packing, if any, shall be provided by the supplier/tenderer on his own cost.
- 4.2.2 In case the supply is to be made in bulk, the successful tenderer will be required to ensure that the Bulk supply through which the material is supplied is well equipped to facilitate smooth unloading at our locations.
- 4.2.3 In case the supplies are to be made in packed form, the details required in Special Conditions need to be furnished on the containers.

4.3 Price

- 4.3.1 The rate / price offered by the tenderer should be open for acceptance for a minimum period as mentioned in Section VI - Contract data, from the date of opening of the E-tender. No upward revision in the price will be allowed during the above period and after communication of the acceptance of the tender during the validity period.
- 4.3.2 **The tenderers are requested to quote the Unit rate including all taxes in BOQ format only**, They should also specifically include Excise Duty, Education Cess, GST as per norms, **Entry tax**, Octroi and any other levies, if and where applicable. **The quote should include all taxes, levies, GST as specified by Government of Tamilnadu.**
- 4.3.3 If a particular tenderer is not registered under GST, the price quoted by him will be treated as net and inclusive of GST and any further claim made by him for reimbursement of the same on account of retrospective registration under the GST will not be entertained by the Corporation. Any such liability for payment of GST will be wholly and exclusively that of the tenderer quoting against our tender.
- 4.3.4 The price should be firm and irrevocable and not subject to any upward revision due to increase in cost of raw material, components and labour cost till the completion of the order. However, any increase / decrease in statutory levies on finished materials during the scheduled delivery period will be on Employer's account on production of documentary evidence.
- 4.3.5 All the rates given in the tender schedule should be expressed both in words and in figures and where there is difference between the two, the lower rate will be taken into consideration.
- 4.3.6 The tenderers should indicate their price inclusive of packing, stenciling, handling cost, loading, Transporting and unloading at Employer's locations.
- 4.3.7 The rate quoted should include Entry tax, if any. There will be no liability on the part of **KEEZHKULAM TOWNPANCHAYAT** in any event of demand for Entry tax during or after supply. It is the sole responsibility of the tenderer to ensure that Entry tax, if needed shall be paid by them. The quote should include all taxes, levies, specified by Government of Tamil Nadu.

4.4 Quality of the Product

- 4.4.1 The product supplied should fully conform to the purchase specification agreed while participating in the tender. Such conformity of the material to the specifications shall be determined by testing the product/material as specified in the Special Conditions. The Test Report issued by the Employer alone will be considered as final and binding on the tenderer.
- 4.4.2 The tenderer shall be responsible for the quality of the material delivered until the same is tested and accepted by the Employer.
- 4.4.3 In the event the material delivered against the E-tender is found to be not in accordance with the specifications, the entire quantity/consignment will be rejected and the tenderer will be responsible for replacement of the rejected material free of cost and / or reimbursing the Employer for resultant losses sustained on this account. Such materials will be lying at the Employer's site/ location at the risk and cost of the supplier for a period not exceeding 15 days.
- 4.4.4 The tenderer will be obliged to collect the rejected material from the Employer's premises/ locations at his own cost, within 15 days of such notification to him in writing, failing which, the Corporation will be free to dispose of such material as it deems fit without any obligation whatsoever to the tenderer.

4.5 If necessary, The tenderer should make his own arrangement to get the Vehicle registered permanently and getting F.C. from RTO Chennai for the vehicles supplied with relevant Government Certification like ICAT or Equivalent. The actual expenditure incurred towards registration can be claimed separately.

4.6 Delivery

- 4.6.1 The delivery period indicated in the tender, or in our order, or separately in the form of a letter, from time to time, is to be strictly adhered to. In case of delay in supplying, the Employer reserves the right to ask for compensation for such late deliveries at its sole discretion. Such compensation will be payable on demand or shall be recovered from the EMD or Security Deposit or from any other payment due to the tenderers from the Employer.
- 4.6.2 The Employer at its sole discretion also reserves the right to purchase the goods from other sources at the cost and risk of the tenderer in case of failure to effect supplies within the stipulated delivery period.
- 4.6.3 No exemption under any circumstances shall be given for waiver of Security Deposit.
- 4.6.4 The tenderer shall complete the registration and R.T.O formalities (F.C) within 15 days after the delivery. Delivery of the BOV prior to registration shall be considered as delivery time. However, the BOV shall be registered within 15 days of delivery. Delivery of the BOV at GCC specified locations construes delivery as specified in the document.
- 4.6.5 Delivery period: One vehicle to be made ready (as per the specification quoted in the tender) within 10 days after the receipt of work order and to be produced before officials of GCC and the same will be tested by a GCC Officials and third party agency and after obtaining the clearance certificate for approval of the vehicle from GCC, the balance quantity to be supplied and delivered. The delivery time comments from the date of receipt of Clearance Certificate from GCC. Third Party inspection charges will initially borne by the GCC and the above expenditure will be deducted from the bills submitted by supplier for payment.
Balance 228 nos of Battery Operated vehicles for conservancy shall be supplied within 60 days from the receipt of Clearance Certificate from GCC. (I.e. The entire ordered quantity should be supplied within 60 days).Delivery of the Battery Operated Vehicles at GCC specified locations construes delivery as specified in the document.

Delivery place: 8 nos. of Battery Operated vehicles should be delivered at
Inspection Vehicles Depot,

4.7 Consignee and Security of Material

Security of all material in the section where the work is in progress shall be the contractor's responsibility and he shall arrange to guard the same from theft/pilferage/vandalism. The cost of providing such security shall be deemed included in the offer, whether or not explicitly mentioned so. In the event of any loss the contractor shall be responsible for the same. The contractor shall insure the materials. Any stores lost, prior to formally taking over by the Purchaser, shall be made good by the contractor at no cost to the Purchaser.

4.8. Warranty

The goods supplied should be covered under warranty for a period of not less than 12 months both for the Vehicles and Batteries, from the date of handing over /supply of equipment whichever is earlier for manufacturing process or assembly or material defect on a combination of any or all of the above

4.9 Payment

4.9.1 The following payments shall be released:-

1. 90 % payment of **8 nos** of Battery Operated vehicles for conservancy will be released after delivery of complete supply of vehicles in the name of Commissioner, Greater Chennai Corporation and after obtaining the performance certificate from the user concerned for minimum operation of 30 days and third party inspection certificate.
2. Remaining 10 % payment of Battery Operated vehicles for conservancy will be released after 60 days of satisfactory performance.
3. The Expenditure on permanent registration, Fitness Certificate, Road Tax and Insurance shall be reimbursed on submission of actual Challan.

All the performance parameters mentioned above shall be certified by competent authorities appointed by GCC.

4.7 Penalty

Time is the essence of this contract. Hence, subject to Force Majeure, if the supplier fails to deliver any or all of the goods or perform the services within the time period(s) specified in the contract, the department shall deduct from the contract price a sum equivalent to **0.1% per each week of the delayed goods and up to a maximum deduction of 5% of the delayed supply or services**. Once the maximum is reached the department may consider termination of contract.

4.7.1 Other than Force Majeure, under extra-ordinary circumstances the Corporation if deemed fit may provide for extension of supply period.

4.8 Validity of Purchase Order

4.8.1 The validity of Purchase order which will be placed on the successful tenderer / tenderers shall be valid for 6 months / 1 year in case of annual Tender from the date of the Purchase order or till the time the total quantity is supplied, whichever is earlier, unless otherwise specified in Contract data.

4.11.2. Due to operational requirement in some of the procurements, the validity of Purchase order may be different than the above.

4.9 Force Majeure

Delivery of material is subject to Force Majeure conditions as under:

If at any time, during the currency of the contract, the performance in whole, or part by either party or any obligation under the contract shall be prevented or delayed by reasons of any war, hostility acts of public enemy, civil commotion, sabotage, fires,

floods, explosions, epidemics, quarantine, restrictions, strikes, lock-outs or acts of God, provided notice of the happening of such events is given by either party to other, within 21 days from the date of occurrence thereof, neither party shall by reason of such event be entitled to terminate the contract nor shall either party have any claim for damage against the order in respect of such non-performance or delay in performance and deliveries under the contract shall be resumed as soon as practical, if such event has come to an end or ceased to exist.

4.13. Termination

4.13.1 Termination on expiry of the Contract: The Agreement shall be deemed to have been automatically terminated on the expiry of the Contract period unless the Employer has exercised its option to extend the Contract in accordance with the provisions, if any, of the Contract.

4.13.2 Termination on account of Force Majeure: Either party shall have the right to terminate the Contract on account of Force Majeure, as set forth in clause 4.12

4.13.3 Termination on account of insolvency: In the event the Successful Bidder at any time during the term of the Contract becomes insolvent or makes a voluntary assignment of its assets for the benefit of creditors or is adjudged bankrupt, then the Employer shall, by a notice in writing have the right to terminate the Contract and all the Successful Bidder's rights and privileges hereunder, shall stand terminated forthwith.

4.13.4 Termination breach of contract: A breach by the Successful Bidder of its obligations hereunder and such breach not being rectified by the Successful Bidder within 30 days of receipt of the Employer's notice intimating such breach. Upon termination, the Successful Bidder shall surrender all the data and materials belonging to the Purchaser.

4.13.5 Termination for delay: Successful Bidder shall be required to perform all activities/services as per this conditions and specifications. If the Successful Bidder fails to do so, the Contract may be terminated by the Employer by giving 30 days written notice unless the Employer has extended the period with levy of Liquidated Damages, as per Clause 4.10 of the tender.

In the event of short supply or delay in supply, the balance goods to be supplied shall be procured from the available supplier and amount for the same will be recovered from the successful bidder besides stern action to be taken as per tender conditions.

4.13.6 The employer may at any time terminate the Contract by giving 30 days notice without assigning any reason.

4.13.7 Consequences of termination: In all cases of termination herein set forth, the obligation of the Employer to pay shall be limited to the period up to the date of effective termination. Notwithstanding the termination of the Agreement, the parties shall continue to be bound by the provisions of the Agreement that reasonably require some action or forbearance after such termination.

4.13.8 In case of termination of Contract herein set forth except under 4.13.1 and 4.13.2, the Contractor shall be put on holiday [i.e. neither any enquiry will be issued to the party by the Employer against any type of tender nor their offer will be considered by the Employer against any ongoing tender(s) where contract between the Employer and that particular Contractor (as a bidder) has not been finalized] for two years from the date of termination by the Employer to such Contractor.

4.14 Disputes

Any dispute arising out of this agreement or that which may arise in future, will be resolved by taking recourse to mutual settlement in the instance, failing which the dispute will be subject to Chennai Jurisdiction only.

4.15 The Equipment should be so designed to ensure absolute safety to operating personnel, and general public while in operation.
