Title

Aviation Training Services for EASA

Description

This call for tender aims at obtaining learning solutions for the acquisition and expansion (upskilling and reskilling) of highly technical aviation competencies of EASA's staff. The call focuses on learning services in different aviation domains/areas and target multiple aviation-related technical competencies. The four competency areas are: 1. airworthiness; 2. audit management; 3. aviation risk management, safety management; 4. air operations (OPS).
