Title

Knowledge Hub for Human development

Description

The Knowledge Hub for Human development will be established to ensure access to international expertise and EU know-how for the effective implementation of EU commitments in a number of thematic areas under the People chapter of the Global Europe instrument, including the human rights based approach. The overall objective of this action is to increase the benefits for the target population, including women, of the human development aspects of our programmes at global, regional and country level. Its specific objective is to increase the effectiveness of the human development aspects of EU programmes at global, regional and country level. This procedure will be divided in 3 lots: Lot 1 - 'Knowledge Hub for expertise on Gender equality, Disability and Human Rights Based Approach (HRBA)'; Lot 2 - 'Knowledge Hub for expertise on Health, Social Protection and Socio-Economic inequalities'; Lot 3: 'Knowledge Hub for expertise on Youth'.
