Title

Feasibility Study for the creation of a Quality Award on Vocational Excellence

Please note that this is not a call for tenders but a publication announcing the Contracting authority's [intention to publish a future negotiated low or middle value procedure](#).

Description

The objective of the present consultancy assignment is to conceptualise and develop feasibility study on creation of a quality award for Centres of Vocational Excellence (CoVEs). The conceptualisation and the study will be fine-tuned and validated by a group of international experts in the area of VET excellence through a consultation process led and facilitated by the ETF. The process will include the following phases: Phase 1: Review Phase 2: Conceptualisation Phase 3: Development and testing Phase 4: Finalisation
