Title

Provision of Safety Support Services at JRC Geel

Description

In the context of the obligations defined in the Belgian Royal Decree of 20/07/2001 laying down the General Regulation for the protection of the public, workers and the environment against the hazards of ionising radiation (ARBIS), JRC Geel wishes to receive radiation protection support services from specialised company. These services will support the legal controls performed by the Health Physics Service of JRC Geel and are essential for the operation of the nuclear facilities on site.
