Title

NL-Petten: Workshop Services at the JRC Petten

Description

The JRC Petten has a continuous need for metal works in support to scientific activities, and currently performed in the JRC Petten internal workshop. This procurement is aimed to award a framework service contract to assign the execution of the JRC Petten workshop tasks to an external service provider, split in two different service needs: A. workshop services to be performed in the JRC Petten workshop by one full-time workshop responsible and operator and one part-time welder; B. workshop services to be performed at the contractor's location (off-site workshop services) and on limited and justified cases.
