Status:

Open

Tender reference number

EISMEA/2021/OP/0020

Title

Innospace Platform

Description

EISMEA wishes to enter into a service contract to purchase access to a software service solution ('Software as a service') providing access to a computer platform, accessible online. This computer platform must provide for an AI-based virtual European Innovation Space (the Innospace) open to all interested stakeholders and parties, and include a specific EIC AI-based sub-platform (the EIC Space) providing for the implementation and management of all EIC instruments and operations. The services that are the subject of this call for tenders, including any minimum requirements, are described in the tender specifications.
