Title

Provision of Safety Support Services at JRC-Geel

Description

In the context of the obligations defined in the Belgian Royal Decree of 20/07/2001 laying down the General Regulation for the protection of the public, workers and the environment against the hazards of ionizing radiation (ARBIS), JRC-Geel wishes to receive radiation protection support services from specialised company. These services will support the legal controls performed by the Health Physics Service of JRC-Geel and are essential for the operation of the nuclear facilities on site.
