Title

Publication of vacancy notices

Description

The selected contractor is intended to work as an ‘intermediary’ between ECHA and certain service providers, in order to publish the vacancy notices in the requested media and on the appropriate platforms. The added value of this service is to avoid ECHA to contact each platform/publication individually to negotiate the publication, ensure the proof-reading of the notices, follow-up their timely dissemination and, if necessary, propose to ECHA new/more specialised media or platforms on which publishing some vacancies. The needed services may include: account management (management of the purchase order, invoicing, reporting after publication, etc.), graphic design and copywriting, media planning and buying (in all 27 Member-States). The estimated value of the framework contract is 48 000 Euros for 4 years.
