Title

Technical Secretariat for the Notified Bodies Group under the Toy Safety Directive
2009/48/EC

Please note that this is not a call for tenders but a publication announcing the Contracting authority's [intention to publish a future negotiated low or middle value procedure.](#)

Description

The purpose of this call for tender is to find an appropriate “Technical Secretariat”, able to organise the technical aspects of Notified Bodies’ coordination and cooperation meetings. This includes the identification and circulation of relevant technical documents, and the drafting of Notified Bodies’ Protocols and Recommendations. The administrative part of the meetings, such as finding an appropriate meeting venue, is taken over by the so-called “Administrative Secretariat”.
