Title

Knowledge Hub Jobs & Growth (Part I) – Global Gateway Support Mechanism (GGSM)

Description

The overall objective is to facilitate that EU policy on quality infrastructure and connectivity is adequately embedded under a harmonised approach at the country and regional level, providing technical support to identify priority areas of investment with partner countries and other stakeholders. It will focus in particular the transport sector in core topics not covered elsewhere, with an emphasis on the cross-sectoral ones. The implementation modality (service contract) will cover this overall objective and all related activities.
