Technical Assistance and Support Services Required for the Organisation of the European Youth Event 2023

**Description**

The European Youth Event (EYE) is a biennial event that brings together at the European Parliament in Strasbourg and online thousands of young people from all over the European Union and beyond, to shape and share their ideas on the future of Europe. It is a unique opportunity for 16 to 30 years old people to interact in-person and online, inspire each other and exchange their views with experts, activists, influencers and decision-makers, right in the heart of European democracy. Following the event, the ideas, concerns, and hopes from young people are presented in a report distributed to all Members of the European Parliament (MEPs). Some participants will also be able to further develop the most impactful ideas and present these directly to the MEPs in the parliamentary committees during youth hearings. The EYE has been organised by the European Parliament in 2014, 2016, 2018 and 2021. The next edition is planned for June 2023.
