Title

Developing training materials for judges and justice professionals in the area of intra-EU investment protection law

Please note that this is not a call for tenders but a publication announcing the Contracting authority's [intention to publish a future negotiated low or middle value procedure.](#)

Description

This call for tender will establish a contract to assist the Commission services in the development of specialised training for justice professionals on the EU legal framework in the field of intra-EU investment protection. The general objective of the contract is to train, raise awareness and promote the dissemination among justice professionals on the EU legal framework in the field of cross-border investment protection between EU Member States. The specific objective is that the training programme reaches the largest possible audience of judges throughout the Union. The purpose of the contract is to ensure that any judge confronted with a claim pertaining to intra-EU investment protection would be able to easily identify the applicable legal framework at Union level, as well as the relevant legal acquis and case law of the Court of Justice.
