Title

EEA/ADS/22/003 - Lease of professional coffee machines for the refurbished activity-based workplace

Please note that this is not a call for tenders but a publication announcing the Contracting authority's [intention to publish a future negotiated low or middle value procedure](#).

Description

The subject of this negotiated procedure is the enter an agreement with an economic operator who may provide the services for the full installation, including maintenance, and the lease of six collective coffee machines in the premises of the EEA. The coffee machines will be offered in self-service for the Agency's personnel and visitors and the drinks will be for free. The purchase of coffee beans and consumables for the six coffee machines, as well as the daily cleaning of the six coffee machine, are not included in the scope of this negotiated procedure. The future contractor shall provide high quality services with a regular monitoring of the contract notably in terms of maintenance and reparation incidents and the associated environmental impacts. In particular, the future contractor shall ensure the setting and maintenance of the coffee machines in accordance with applicable hygiene standards; provide the necessary assistance in the event of a breakdown or technical problems to ensure the proper functioning of the machines; report regularly on any call out for breakdown or malfunction and any planned maintenance intervention; and consider the Agency's environmental management guidelines in the implementation of the contract, notably those on reduced packaging, water and energy consumption, and waste management.
