Title

Learning Offer for Policymakers to Work with Evidence

Description

The JRC is considering a tender with the objective to provide services to cover the conceptualisation, preparation and implementation of a learning offer to improve policymakers' competences in the field of working with evidence, led by, and in close collaboration with, the European Commission. This includes translation of the developed material into several languages and adaptation to specific settings. At the same time, the objective of this Prior Information Notice (PIN) is to collect information from the market on a prospective call for tender. The JRC is asking interested service providers and particularly those with considerable relevant expertise and practical experience in the fields of training policymakers and/or evidence informed policymaking, to respond to the following anonymous survey: <https://ec.europa.eu/eusurvey/runner/e4p> before 10 June 2022. All submitted data will be treated with strict confidentiality. Replies by other means will not be considered.
