Title

Technical support and assistance to the Euroclima LAC and the Caribbean Green Deal programs

Description

The service contract aims to provide technical support, assistance, program coordination, (through seminars and events, promoting dialogue and consultation among stakeholders, etc.), sharing activities (including website management) to the Latin America and Caribbean Green Transition Initiative program (Euroclima LAC), and to the its complementary program, the Partnership for a Caribbean Green Deal (Caribbean Green Deal). The Euroclima LAC program's overall objective is to contribute to the LAC region's Green Transition, through climate mitigation and adaptation efforts and through the protection and conservation of biological diversity, towards achieving SDGs 3, 6-12, 13, 14, 15 and 17. The Caribbean Green Deal's overall objective is to increase sustainability and resilience of Caribbean societies and ecosystems by enabling frameworks and available opportunities for a transition to a fully risk informed, sustainable, carbon-neutral, circular economies in the area.
