Title

Setting up and maintenance of an environmental legal register and compliance assessment for the European Commission's Representation / House of Europe in Budapest for the period 2022 – 2025

Please note that this is not a call for tenders but a publication announcing the Contracting authority's [intention to publish a future negotiated low or middle value procedure](#).

Description

The Commission is implementing the Eco-Management and Audit Scheme (EMAS) Regulation to pursue its objective to include the Representations' activities in the EMAS registration. In order to comply with this requirement, the Representation needs to assess the environmental legal compliance of the House of Europe in Budapest, set up and maintain an Environmental Legal Register, and to create a Compliance Assessment Tool.
