*Please note that this is not a call for tenders but a publication announcing the Contracting authority's intention to publish a future negotiated low or middle value procedure (read more [here](#)).*

**Description**

The European Scientific Advisory Board on Climate Change is an independent organization and will therefore need to establish its own visual identity. The strategic purpose of the visual identity is to reflect the role of the Advisory Board described in the European Climate Law. This contract comprises the preparation of a visual identity and a design manual that can be used as the basis for a webpage design as well as other communication channels and products.
