**Title**

Running a Global Debate Platform on Climate Action and Sustainable Development and Organising and Promoting a Series of Events Linked to It

**Description**

The EIB is looking for a service provider that is able to reach out to opinion leaders and influencers on climate action and sustainable development as well as to journalists around the world on a continuous basis. The service provider is tasked to run a global content platform with opinion pieces by world-class experts on these topics, including EIB managers and experts, and distribute these pieces to media outlets in ideally all countries worldwide for publication, as well as promoting them through the platform directly to a global audience.
