Title

Cybersecurity Community Support – CNECT/2022/OP/0033

Description

In line with the regulation establishing the European Cybersecurity Industrial, Technology and Research Competence Centre (ECCC) and the Network of National Coordination Centres (NCCs), one project is foreseen to support community building and capacity building in cybersecurity research, technology, and industrial policy at EU level. The goal of the project is to support the ECCC and the European Cybersecurity Competence Community. This action will support the activities necessary to develop, promote, coordinate and organize the work of the Cybersecurity Competence Community at European Level, within the scope and operations of the ECCC and NCC Network. This tender notice complements the information provided in the chapter 'Actions for Cybersecurity and trust – Support to implementation of EU legislation – Cybersecurity Community Support' of the Digital Europe programme, WP 2021-2022.
