Title

WiFi-As-A-Service in Buildings of the European Parliament in Several Member States

Description

The object of the contract is the provision of WiFi-As-A-Service in buildings of the European Parliament in several Member States. Concerned buildings include 'Europa Experience' exhibition places, European Parliament Liaison Offices and Regional Offices, but not the large buildings located in the three main sites (i.e. in Brussels in the vicinity of the Spinelli and Spaak buildings, in Strasbourg in the vicinity of the Weiss building, and in Luxembourg on the Kirchberg plateau). The service to be provided includes development, implementation, evolution (update/upgrade), maintenance, technical assistance, support, operation, reporting, decommissioning of the Wi-Fi infrastructure and provision of internet access according to the needs of the users of each location.
