Title

SUPPORT TO THE IMPLEMENTATION OF THE EU-JAPAN CONNECTIVITY PARTNERSHIP

Description

This service is to increase the operationalisation and visibility of the EU-Japan Connectivity Partnership through the development of an enabling environment to launch new initiatives which will facilitate the implementation of the Partnership, including but not limited to: Establishment of platforms of cooperation among the main stakeholders, including a portal to bring together investors and connectivity projects. Creating better awareness and cooperation among the EU-Japan business and financial services and promoting their cooperation in third countries in the four pillars of connectivity (digital, transport, energy and human connectivity). Enhance the implementation of MoU between EIB and JICA (Japan International Cooperation Agency), JBIC (Japan Bank for International Cooperation) and NEXI (Nippon Export Investment Insurance) and in general cooperation between financial institutions.
