02/09/2022

Status:

Open

**Tender reference number**

CleanHydrogen/OP/Contract 301

**Title**

Technical Assistance to Generate Synergies with Members States and Regions

**Description**

The future contractor shall assess technical, financial and legal expertise and commitments MS and Regions have in place in terms of their Hydrogen Roadmaps, which could be used as input in any public policy (strategic plan) or project related with hydrogen and further link them to the funding and financing sources required to enable the underlying deployment of hydrogen technologies. For further details, please refer to the Internet Address provided in Section I.3).
