Title

EU-Thailand Cooperation Facility

Description

The EU-Thailand Cooperation Facility will support policy dialogues, outreach and strategic partnerships on a wide range of issues and with a diversity of stakeholders relevant to EU-Thailand relations. This will include policy areas such as: political affairs, trade and investment, security, gender equality, women and youth empowerment, environment, climate change, the UN sustainable development goals (SDGs), good governance, human rights, rule of law, science and research, etc. In order to support the policy dialogues, outreach and strategic partnerships, the contractor will provide a broad range of services, including inter alia: technical assistance, capacity building, policy advisory services (for e.g. provision of specific technical expertise, preparation of studies, organisation of trainings, seminars, and conferences, communication and visibility activities and materials, event management, translation and interpretation, project management, etc.).
