TENDER NOTICE

SUBJECT: TENDER DOCUMENTS FOR INTERIOR DECORATION AND FURNISHING AT NAYAPALLI (RO PREMISE) ATM.

1. Sealed item rate tenders are invited by UNION BANK OF INDIA, REGIONAL OFFICE BHUBNESWAR, CIVIC CENTRE, IRC VILLAGE, NAYAPALLI.

2. The work to be completed within One week from date of acceptance of work order placed by M/s Union Bank of India.

3. The tenderors are required to complete form of tender, price the schedule of quantities and sign each page of tender documents before submission. The complete set is to be enclosed in a sealed envelope clearly specifying "TENDER FOR INTERIOR FURNISHING WORK AT NAYAPALLI (RO PREMISE) ATM" along with Earnest Money of Rs.4500.00 (Rupees Four Thousand Five Hundred Only) in the form of Pay Order / Demand Draft in favor of Union Bank of India, payable at Bhubaneswar addressed to:

DEPUTY GENERAL MANAGER
UNION BANK OF INDIA , REGIONAL OFFICE BHUBNESWAR
PLOT NO-3/1A,CIVIC CENTRE
IRC VILLAGE, BHUBNESWAR-751015

4. Tenders will be received from 05.07.2022 TO 12.07.2022 up to 3.30 PM.

5. No tender will be received after the expiry of the time notified for receiving tenders under any circumstances whatsoever.

6. The tender will be opened at 4.00 PM on 12.07.2022 at above address in the presence of authorized representative of contracting agency.

7. Tender shall remain valid for acceptance for a period of 90 days from the notified last date of tender submission.

8. The Bank reserves the right to reject any or all tender received without assignment of any reasons thereof.

9. The tender rate against each item of work / price indicated in the schedule of quantities and rates / price should be indicated both in words and figures. In case of any discrepancy, the rates indicated in words would prevail.

10. The rates quoted against each item of work / price should be for the complete finished item of work and include all labor, material, overhead, duties, etc but excluding GST which should be quoted separately. The Bank shall reimburse any statutory change in the tax structure after opening of the tender actual.

11. Each tender shall be accompanied by Earnest Money of Rs.4500.00 (Rupees Four Thousand Five Hundred only) in the form of Pay Order / Demand Draft in favor of Union Bank of India, payable at Bhubaneswar. Tenders without Earnest Money shall be summarily rejected.

12. The earnest money deposited shall not carry any interest and will be refunded to the unsuccessful tenderors. The Bank till completion of the work will retain earnest money paid by the successful contractor.

13. Earnest money paid by contractor shall be forfeited by the Bank if contractor fails to undertake the job if he is communicated about acceptance of his rates.

14. All tenders in which any of the prescribed conditions are not fulfilled or incomplete in any respect are liable to be rejected.

15. The work is to be carried out in ATM Premises & the time period provided for completion of work is inclusive of load shedding hours & aforesaid constraints. The contractor should make his own alternative arrangement at his own cost to compensate with load shedding hours & no additional remuneration shall be paid for such arrangements nor will any additional time be granted on this account.

16. The tenderors shall be presumed to have carefully examined the drawings, conditions and specifications of the work and have fully acquainted themselves with all details of the site and with all the necessary information and data pertaining to the work prior to tendering for the work.

17. All the pages of document, conditions, specifications, drawings, and plan etc shall be initiated by the tenderer.

18. The drawings, plans, details and the specifications are only indicative and the schedule of quantities is only tentative. Any changes /additions/deletions/alterations in them shall be accommodated while executing the work without any prejudice. Any extra items or variations upon the scheduled items shall be scrutinized by the Architect of the bank and his decision shall be final and binding in all respects.

19. Specifications of various materials and quality of work shall be the essence of the contract along with the time period and these shall be strictly adhered to.

20. The Bank Authorities at their discretion may delete any part of item or item in full as they may feel necessary during the course of execution and no compensation will be paid / claimed in this regard. The contractor shall not claim any compensation towards such items.

20. The work shall be executed by the contractor at his own risk and responsibility and the Bank shall not be held liable for any accidents/unforeseen events directly/indirectly and the contractor understands clearly that no claim for any accidents or loss of life whatsoever shall be entertained by the Bank.

21. This tender notice shall form part of the contract documents.

22. All other terms and conditions will be as per our Terms & Conditions handed over with empanelment letter.

SCHEDULE OF RATES.

1. The Schedule of Rates shall be read with all the other sections of this tender.
2. The tenderer shall be deemed to have studied the drawings, specifications and details of work to be done within the time schedule attached and to have acquainted himself of the conditions prevailing at site.
3. The tenderer shall be deemed to have visited the work place and acquainted themselves / himself from all the favourable / adversible conditions prevailing and have quoted the rates taking into account of all the eventualities.
4. The quantities shown against the various items are only approximate and may vary to any extent individually. No extra shall be entertained whatsoever.
5. The Owner reserves the right to interpolate the rates for such items of work falling between similar items of lower and higher magnitude.
6. All works, item-wise, shall be measured upon completion and paid for at the accepted rates.
7. The Owner reserves the right to cancel the order for any item or group of work, or split the work between two or more contractors if necessary.
8. All the items of work mentioned in the Schedule of Rates and covered by the contract shall be carried out as per drawings, specifications and directions of Architect & the Engineer-in-Charge of owner and shall include all labor material, transportation, lift floor, handling, duties, octroi, wastage, tools and plants, tackles, testing if any with Contractor's testing appliances etc., required to complete the job in all respects.
9. Unless otherwise specifically provided in the Schedule of Rates, rates quoted for various items shall be deemed to be applicable for works at all levels and positions.
10. Contractors should note that their rates should be inclusive of all attendance on their sub-contractors and also for making good any holes and chases left by the sub-contractors before the builder's work is completed.
11. The contractor shall be responsible for procuring all required materials sufficiently in advance and see that the work is never hindered for want of materials or due to any other reason or restrictions.
12. The contractor shall have to carry out all connected work within the boundary of the proposed work and inside the building if ordered to do so by the Architect/Employer at the rates quoted in the Schedule of items.
13. All materials which shall be used in the work must be from the list of the approved materials as mentioned in the specifications. Samples of materials proposed to be used shall be submitted for approval.
14. The rates for service connection charges include the cost of metering connection of PVC cables, cable sockets etc.
15. Distribution wiring shall include circuit wiring. No extra payment shall be made for circuit wiring.
16. Rates quoted for point wiring of PVC wires on surface shall include cost of switches, ceiling roses etc. on wooden board or partly concealed as stated in the Schedule of items. No extra cost for switches, ceiling roses, boards etc. shall be allowed.
17. Rates quoted for point wiring in surface conduit/concealed conduit will include switches, ceiling roses etc. on M.S. Board as specified. No extra cost for switches, ceiling roses, boards etc. shall be allowed.
18. The rates for erection of ceiling fan and fluorescent fittings must include the cost of supplying down rod as necessary and flexible wires, connection charges, fixing of regulator and testing etc.
19. The rates for plug socket point wiring shall include the cost of socket-outlet, plug top and control switch in box and necessary connection charges including earthing as specified.
19. The rates or fittings shall include cost of supply and fixing of fittings, lamps, etc. and connection and testing charge.
21. The rates for cable-laying shall include the cost of cable trenches with tiles, sands etc. and also the cost of saddle clamp (in case of surface wiring) providing G.I. pipes under road crossing, drain etc. necessary clamps etc.
22. The rates for cable joining shall include the cost of labour and materials including land, cable box clamp etc.
23. The rates for earthing shall include the cost of jointing earth wire with busbar by means of cable sockets, etc. and cost of earthing with specified earth wire. No deviation from the specification for earthing work including earth stations will be accepted. Cost of required caution notices should be included in the rates of earthing.
24. The wiring includes painting of installations with two coats of approved paints, and painting should match with the interior decoration of wall and ceiling. No extra charge for painting shall be entertained.
25. General spirit of the technical specification and method of measurement shall be as laid down in the latest addition of I.S. code of practice. Rates quoted for all items shall include for the cost of supplying, labor and materials fixing and/or erection complete with all the appliances necessary for the proper execution and carrying out of the work to the truest sense of drawing and specification though this may not be mentioned in particular item of work in the schedule of items specifically.
