GENERAL INFORMATION

Union Bank of India proposes to undertake repair/ renovation of bank's Staff training Centre hostel kitchen in bank's Staff Training Centre Hostel Kitchen at Financial

District, Nanakramguda, Hyderabad . The estimated cost of the works is approximately Rs. 18.00 lacs. The Bank invites financial bids from ARCHITECTS / ARCHITECTURAL FIRMS(Empanelled with RO, Secunderabad- under Category-A) to quote professional fee for rendering their consultancy services towards repair & renovation at Staff Training Centre, Nanakramguda, Hyderabad.

SCOPE OF WORK:

1. Brief details of the Work:

The Bank intends to repair/ renovation of bank's Staff training Centre hostel kitchen in bank's Staff Training Centre Hostel Kitchen at Financial District, Nanakramguda, Hyderabad. Scope of work includes relaying of wall/floor tiles, interior painting, Installation of Modern Commercial Kitchen range , Plumbing & electric works etc. The appointed architect/architectural firm will have to provide services such as preparing and furnishing plans, preparing bill of quantity, detailed estimate, detailed drawing, preparation of tender document , evaluation of bids ,periodical supervision of works and assist the Bank in completion of the project and for issuance of necessary certificates etc.

Period of Completion- 30 days from the date of issue of work order to the contractor

2. Duties / scope of work expected from the Project Architect

2.1 Taking the instructions from Bank, visiting the sites, design/working drawings as required, preparing sketch layout which shall be in accordance with Bank guidelines & standards etc. (including carrying out necessary revisions till the sketch layout plans are finally approved by the Bank), making approximate estimate of cost. Preparation of estimates along with rate analysis, tender specifications, NIT for inviting tenders for appointment of contractors, scrutiny of tenders and recommendation for appointment of contractor, Work schedule/BAR CHART PROGRAMME for execution of works, quality control, measurement of works, maintaining various registers for execution of works, certification of bills, final completion reports.

2.2 Preparing architectural working drawings, as per requirement, detailed estimates and all such other particulars as may be necessary for preparation of bill of quantities, assessment reports etc.

2.3 The assessment report shall be based on detailed estimate, proper analysis of rates with constants from an approved Standard Hand Book and market rates of materials and labour for major items of works costing about 90% of the estimated cost of the work.

2.4 Preparing detailed tender documents for the activities to be accomplished for successful execution of the works with articles of agreement, special conditions, conditions of contract, specification, bill of quantities, including detailed analysis of rates based on market rates, time and progress charts, etc.

2.5 Preparing tender notices for issue by Bank for inviting tenders for appointment of contractor, scrutiny of tenders and submitting assessment reports thereon, together with

recommendations specifying abnormally high and low rated items, comparative statements, justification for acceptance of contract.

2.6 All commercial conditions shall be evaluated in financial terms instead of merely saying whether a condition may be accepted or not.

2.7 When conditions are not susceptible of evaluation, the alternative procedure of calling all the tenderers for negotiation and asking them to submit a final bid based on the terms and conditions acceptable to the Bank may be adopted.

2.8 Preparing for the use of the Bank, the contractor and site staff, 4 copies of contract documents for all trades including all drawings, specifications and other particulars. Preparing such further details and drawings as are necessary for proper execution of the works.

2.9 Assuming full responsibility for periodical supervision and proper execution of all works by General and Specialist Contractors who are engaged from time to time, including control over quantities during the execution to restrict variation, if any, to the minimum. Any deviation in quantity of items with financial implication is to be reported to the Bank in advance for necessary decision on the matter.

2.10 No deviations or substitutions should be authorized by the Architect without working out the financial implication, if any, to the contractor and obtaining approval of the Bank. However, where time does not permit and where it is expedient, the Architect may take decisions on behalf of the Bank, the total cost of the item/deviation of which should not exceed Rs. 10,000/-. This deviation shall be got subsequently ratified from the Bank duly justifying his action at the earliest.

2.11 Checking measurements of works at site. Checking contractor's bills, issuing periodical certificates for payments and passing and certifying accounts, so as to enable the Bank to make payments to the contractors and adjustments of all accounts between the contractors and the Bank. Architects shall assume full responsibility for all measurements certified by them. It shall be mandatory on the part of the Architect to check the measurements of various items to the extent of 100% of each item of work claimed, in each running bill.

2.12 The Architect / Consultant to issue certificate of payment as under:

Certified that the various items of work claimed in this **assigned work** running bill / final bill by the contractors M/s_____ have been completed to the extent claimed and at appropriate rates and that the items are in accordance with and fully conforming to the standard / prescribed specifications and drawings. We further certify that we have checked the measurements to the extent of 100% of each item claimed in this bill. Hence the bill is recommended for payment of Rs. _____.

Date _____

(Signature of the Architect)

2.13 The Architects/Consultants shall endorse the above certification in the relevant Measurements Books also.

2.14 The Architect shall certify after test / commissioning / final inspection and check as the case may be, the completion of the work and / or satisfactory functioning of the system in services and utilities, as the case may be.

2.15 The Architects shall be wholly responsible for the successful completion of the project in all respects consistent with safety and structural stability from the inception up to the handing over for occupation to the Bank.

2.16 The Architects shall assist the Bank in all arbitration proceedings between the contractors and the Bank and also defend the Bank in such proceedings.

2.17 Any other services connected with the works usually and normally rendered by the Architects, but, not referred to herein above.

2.18 The Architect / Consultant shall also assist the Bank in inspection and replying to the queries raised by vigilance / audit authorities.

2.19 Any other services connected with the works usually and normally rendered by the Architects, but, not referred to herein above.

2.20. In case it is established that due to fault of the Architect /Consultant, the Bank has to pay any extra amount due to over-run of the project, over measurements - faulty description of tender item or any other lapse on the part of the Architect / consultant necessary recovery may be effected from the Architect's /Consultant's fee as per provision of section 73 of Indian Contract Act 1872 under Section 30 of Architects Act 1972 (Central Act No.20 of 1972), besides Bank's taking recourse to proceed against the Architect / Consultant for recovery of the extra amount incurred by the Bank. The Architect's / Consultant's liability may be however limited to 10 % of the fees paid to him.

2.21 In the event of any dispute, difference or question arising out of or touching or concerning assignment given to you at any of the field office, the same shall be referred, at the option of either party, to the arbitration of a sole Arbitrator mutually agreed upon and in default of such agreement both the parties shall appoint one arbitrator each and both the arbitrators shall appoint one presiding arbitrator (umpire). All the arbitrators shall be the Fellows of the Indian Institute of Architects or the Institution of Engineers (India). The said arbitration proceeding shall be under the provision of the Indian Arbitration and Conciliation Act, 1996 together with any statutory modifications thereof. The award of the arbitrator(s) or umpire, as the case may be, shall be final and binding upon the parties.

2.22. The Architect / Consultant shall take proper care in estimating the quantity of work required and shall not increase quantum of work after acceptance of contractor's bid. The professional fee to be paid to the architect shall be restricted to a maximum of 110% fee on the value of accepted tender.

2.23. Under no circumstance the architect/architectural firm should not submit recommendations of contract other than lowest.

2.24. The completed application forms duly signed and stamped be placed in a sealed envelope super-scribed as **“Appointment of Project Architect for repair/ renovation works in bank’s Staff Training Centre Hostel Kitchen at Financial District, Nanakramguda, Hyderabad”**. to reach on or before 25.07.2022 03:00 PM.
